

Good Afternoon KHS Parents/Guardians and Students,

We are so excited to begin the new school year. I will be reaching out to you each week with an email along with a recorded message most weeks. Please check your email each Friday for important information, announcements, important dates, etc.

On Wednesday, August 28th we will have a freshman parent/guardian orientation at 5:40PM in the auditorium. Our open house will be on August 28th as well from 6PM-7PM. Please attend the open house to visit your students' classrooms and meet the teachers.

Freshmen First Day is on Thursday, August 29th and all students will begin on Friday, August 30th. Both days we will follow the A day and B day schedule so students are able to see all their teachers the first week of school.

Students begin each day in PRIDE HR. During PRIDE students will listen to morning announcements, receive information about the day or information that needs to go home, participate in a check in for the day as well as check their emails, schedule appointments with teachers for support, listen to upcoming events and watch KTV.

The school doors open at 7:00 AM, therefore students cannot get dropped off prior to 7:00 AM. When students enter the building, they will go to the cafeteria for breakfast. Students are required to arrive at KHS no later than 7:25 AM each day so they can be in their PRIDE class no later than 7:33 AM. The school day ends at 2:21 PM.

Please have your student take the bus to school and home each day unless your student drives. If you need to drop off your students at school in the morning and/or pick them up in the afternoon, please follow the driveway all the way up to the back of the building to pick up and/or drop off your student in the back parking lot. The driveway by the main entrance of the school is for school buses only so they can drop off and pick up students. When picking up or dropping off students after 7:25AM, please use the main entrance driveway so students can go to the main office to check in.

If you received a form in the mail to update your contact information, please have your student return the form to their PRIDE teacher by September 4th. During the month of September, administration will be meeting with each class to welcome students.

You can access PowerSchool throughout the year to view your student's schedule as well as their grades and attendance. If you do not have a PowerSchool login, please contact your student's school counselor.

We are looking forward to a great year and seeing everyone next week.

Have a Wonderful Weekend!

Karen Lagace, Principal
