2024

From Butte to Billings, Havre to Hebgen, we work 24/7/365 to build stronger communities through the production, generation and delivery of electricity and natural gas. We're proud to make sure your lights and heat come on, but that's not everything we do. We also add critical infrastructure that allows our communities to grow. We partner with people in our communities to increase the reliability of our service. We help customers save money with energy efficiency programs, products and rebates. And we remain committed to decreasing emissions until we reach net zero.

We're passionate about the communities we serve, and meeting the needs of our customers today while working to deliver everyone a **bright future**.

We Believe

**IN CHANGING
MORE THAN
JUST TIRES.**

Helping is something that runs deep within us. And it's something we've stood for since Les Schwab opened his doors in 1952. *Doing the Right Thing* isn't just a tagline. It's our promise to always put you and the community first.

Les Schwab is proud to be a sponsor of the Montana High School Association!

DOING THE **RIGHT** THING SINCE 1952.

**We're here for you.
We're here for good.**

Kids need the freedom to grow as individuals, the social skills to thrive in any setting, and the courage to rise to real-life challenges – all of which help them grow up to be healthy, productive adults.

That's why we support youth activities across the state – so young Montanans can develop a sense of belonging and experience healthy opportunities to grow in traditional and nontraditional sports and activities.

We proudly sponsor the Montana High School Association to enrich the lives of Montana youth and strengthen our state's future.

We're here because we care. We're here for good.
