

# Residential Advisor Internship: Summer 2025

Throughout this time on the WCS ResLife staff, residential advisors will develop their ability to work with adolescents and support our students through their transformative academic and social summer experience.

## How you'll grow:

- Learn to set boundaries while serving as a positive presence for young people.
- Develop a toolbox of strategies for connecting with advisees and supporting them on their unique path.
- Gain confidence through problem-solving and reflection exercises with experienced educators and mentors.
- Lead group activities and develop group cohesion through play and programming.

We are a summer academic program that serves rising 5th-12th graders. Students come to us from all over the US and the world.
