Agenda:

- Presentation of Abuse Prevention program presented by CAC – Play it Safe
- CAC Representatives – Destiny & Summer
    - Can fit Pre-K – Elementary in Elementary presentations as needed
    - Middle School & High School presentations as well
    - Play it safe covers Elementary through High School with child abuse prevention curriculum
    - Equip children with education and awareness to know when to recognize and report abusive behavior
    - Play it Safe is a program intended to partner with parents as well
    - Designed to teach children how to keep themselves safe
    - Curriculum builds on itself through out the school year presentations

Currently MS/HS is not receiving these presentations so their approach to Child abuse is counselor driven, we are looking to bring this program on for Pre-K through High School for Sherman ISD. We are wanting to present to the Board to have it approved for Pre-K through High School.

- Finalize their recommendations for school board for child abuse prevention, family violence, human trafficking, and sex education curriculums.
    - What has been done since first SHAC meeting 2022-2023 we want to make sure for SHAC – today we need to get a vote on programs to present to the board then we will make public notice available to qualify legal ramifications of SHAC requirements. At this point if we are ready and willing a motion to present Play it Safe and AIM for Success as recommend curriculum MOTION SECOND VOTE
