National Night Out

This is what it's all about!

October 1

First Timer on the Bus!

NATIONAL NIGHT OUT!

The event was fabulous! So many activities for kids of all ages! The Purple Bus had so many visitors, we lost count!

Best of all, we had so many First Timer Purple Bus Adventurers come on Board!

SANGER SELLEBRATION!

It all started with a photo! The Lion's Club fundraising idea to give every child an opportunity to be a face of the purple bus – Be A Champion – came to life as we unveiled the newly redecorated bus at Sanger Sellebration. It was a slow start but we prevailed. Be sure to look for their picture on the bus!

Here are your

Purple Bus Adventurer Champions!

We could not have survived the night without our special Purple Bus Adventurer Troup! Thank you for coming to our rescue!

You know you're important when the Mayor brings his whole family aboard!

SANGER SELLABRATION

SHOUT-OUT TO DILLARD'S

Thanks to Shila Borchert and her shopping at Dillard's outlet with her amazing hubby! They were able to tell our story about Community Outreach and what we do for the kids! Dillard's has donated dress shirts for young men and dresses for the ladies. Most of the dresses will go to the high school to be put in their Prom Closet, but I will have some here if anyone is interested in coming to check it out. Thank you Mr. & Mrs. Borchert!
