STUDENT SERVICES-WRAPAROUND SUPPORTS **VACCINATION CLINIC** **TUESDAY, NOVEMBER 5, 2024**

BROOKSIDE HIGH SCHOOL (1662 Harris Rd., Sheffield Village)

The student services department of the Sheffield-Sheffield Lake Schools is hosting a vaccination clinic on Tuesday, November 5, 2024 from 1:00PM-5:00PM in the Brookside High School/Middle School Cafeteria.

Please complete the following form to pre-register:

OPEN TO THE PUBLIC

This clinic is part of a school partnership with Mercy Hospital. Participation is voluntary.

The following vaccinations will be available at the clinic: Flu and/or Covid

Flu vaccines usually have no out of pocket cost when using your medical or prescription insurance. **This clinic is open to the public, so please pre-register in order to secure a time slot.** Screening questionnaires will be available on-site or can be completed in advance by emailing outreach@sheffieldschools.org

Parking is available in the back of the building, and please use the rear event entrance. Staff will meet you at the door and escort you to the clinic location.

Students at BMS and BHS will be scheduled by school staff in order to minimize class disruptions. **Reminder that it will be necessary to have a signed parent consent form (screening questionnaire) in-hand prior to shot administration.** Screening questionnaires can be turned in to any school office (day of or before).

- All participants can receive snacks and water.
- Any student who receives a vaccination will be entered into a raffle for the chance to win gift cards and other prizes.
- Clinic is available to students, staff, and community members.

Please be sure to include your insurance information (prescription card info). Parents do NOT need to be present for students to get a shot as long as a signed screening questionnaire is in hand.

Please contact outreach@sheffieldschools.org if you have questions or need additional forms. Thank you for your support.
