Dear Mr. Gregor and the Yuba County Board of Education Trustees,

The Yuba County Certificated Employees Association requests reopeners on salaries, benefits and any other subject(s) mutually agreed upon by the representatives of both the Yuba County Superintendent and the Yuba County Certificated Employees Association. We feel it would be in the best interest of maintaining the spirit of good faith of the cooperative negotiations process to specify these requests with the start of Negotiations in the fall of 2024 for the 2025-2026 school year. I look forward to scheduling our first date to meet and calendar our sessions for the rest of the school year.

Sincerely,

RE: Request for Reopening of Negotiations

The Yuba County Office of Education propose to begin 2025-2026 negotiations without addressing specific demand for salary and benefit changes. It is hoped that agreement in these areas and others identified by the bargaining teams will be reached through an open, good-faith, and cooperative process. Additional issues may well arise from the collective problem-solving nature of our negotiating partnership.

Sincerely,
