### Vocal Music Audition

Dear Parents,

We look forward to receiving your child's audition for the Vocal Major at the School of the Arts. The following instructions are provided to help you and your child to prepare for a strong Vocal Audition. The first part of the audition results will determine if your child will be given a callback for the part 2 audition. You will schedule your Part 1 audition when filling out the online School Choice application.

### Part 1 of the Audition

- **Prepared solo with accompaniment** (no a cappella singing, 2 minute maximum). Provide your music on a device with a speaker, or pianist for accompaniment. A piano will be provided. Accompaniment music may not have voices. Make sure you use the track without the voices. Song choice should not be a "Pop" song. Folk, hymn, patriotic, Broadway or classical art songs are acceptable.
- Echo sing simple and complex intervals and rhythmic patterns.
- All students must sing "My Country 'Tis of Thee".
- Question and Answer Session.

### Part 2 of the Audition is a callback based on the results of Part 1

Those qualifying will move to part two to complete the remainder of the audition. This will be a group setting audition. You will be notified and scheduled a time for the Part 2 audition.
