# Senior Advisory Council

The Senior Council consists of the officers of the Senior class, class officers of the junior year, and representatives from each Senior homeroom. The representatives are chosen for their dependability and leadership.

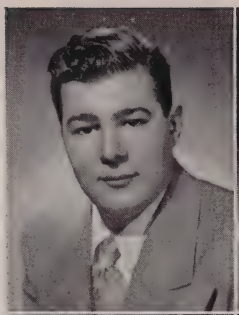

The Council acts as a clearing house for matters that concern the whole senior class, such as the class play and the prom. It decides the policy of the class and forms a contact between the headmaster, the advisors, and the student body.

The Advisory Board is made up of the senior officers, one council member from each five adjoining home rooms and one or more representatives from the Vocational School.

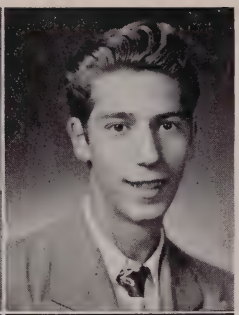

The main duty of the Board is to expedite plans of the Council which can be dealt with more easily by a smaller body. The Board chooses all the committees for the class play and for the Senior Prom.

# History of Class of 1949

In September, 1946, we, the class of 1949, started our high school career. Despite the "friendly" efforts of our upperclassmen, who directed us to the "elevators", we managed to survive the first few months and soon acclimated ourselves to high school routine.

When election time came, we elected fine officers: Richard Eames, president; Alice Whear, vice president; Barbara Norris, secretary; and Richard Tobin, treasurer.

Our famous band was host to the Eastern Massachusetts Music Festival which proved to be a thrilling affair. The band also won praise for its performance in Montreal.

As the spring went on, we began to prepare for the Sophomore Hop, which was a great success. Our first year of high school came to a close as we went off on our vacations.

After a short vacation, we returned to Medford High, and the process of learning resumed. This year our officers were: James Giggey, president; Norma Gaeta, vice-president; Margaret Coakley, secretary; and Joseph McGonagle, treasurer.

Our football team had one of its greatest seasons, winning the Eastern Mass. Class A Championship, and then gaining a moral victory in the 0-0 deadlock in the 'Gator Bowl game at Jacksonville, Florida.

The band, still one of the finest in this section, brought further honor to itself and our school by its many fine performances, notably the concert given in conjunction with the Deering High School Band of Portland, Maine.

Everyone had a wonderful time at our Junior Prom. As graduation for the seniors approached, we elected the marshals and ushers for the class day exercises. We then parted for vacation and prepared ourselves for the big year which was just ahead.

We returned as seniors, overlords. We took great delight in misdirecting the new sophomores.

Our soccer team had the finest season in its history, winning 12 and losing 1. Our other teams made up in spirit what they lacked in experience.

We elected excellent officers to lead us through our big year: Richard Buckley, president; Torvy Johnson, vice-president; Lorraine Rosa, secretary; and Norman Cable, treasurer. The Senior Prom, the biggest social event of the year, was an immense success. Our senior class play "New Brooms", with a great cast and under Mr. Carey's superlative direction, proved to be a noteworthy performance.

The days of February and March were spent in hard study. Of course, we were preparing for our college boards.

We now saw the end in sight. We elected our class day prophets, orators, and historians. We began our rehearsals for that all-important day, graduation. It was here before we knew it. We enjoyed class day and the Senior Reception tremendously, and then we walked across the stage with our diplomas. We had attained our goal.

Our high school days have given us many memories, which shall grow stronger as the years pass. Let us always use the lessons of high school well and be a credit to our school, community, and country.

# The Senior Class Play . . .

"NEW BROOMS"

On May 11 and 12 the Senior Class presented their play, "New Brooms", a comedy solving the sometimes comical, sometimes touching problem of two generations with conflicting philosophies.

Harry O'Brien delighted the audience with his excellent portrayal of Thomas Bates, a stern business man with no illusions. Richard Martin gave a praiseworthy interpretation of his role as Tom Bates Jr., whose policy of always being pleasant involved him in great difficulties. Joan Carlson, as Geraldine Marsh, was a charming and convincing heroine, while Sheila Flaherty really was the flirtatious Florence Wheeler, whom she portrayed. Cy Livoti made the audience roar at his work as George Morrow, the suave super-salesman from Texarkana. Alice Whear and Jerry Cunningham were very natural as Ethel and Wallie, and everyone knows the hardest part of acting is being natural. Larry Drennan's superior performance as Dr. Dow was sympathetic and commanding. As the high-strung housekeeper, Margaret, Beverly Ames was very amusing, and Frank Assortato's deep voice suited the part of Williams the butler admirably.

Donald O'Connor as Kneeland, Mr. Bates' long-suffering friend, Joseph McNally as Nelson, the foreman, and Richard Buckley as Simpson, were very capable.

The cast and their fine director, Mr. Carey, deserve a great deal of credit, both for their tireless work and an outstanding performance.

# Vocational Student Council

Each department in the Vocational School elects two representatives to the Vocational Student Council. The activities of the Council this year were looking after the lunch room during the Vocational lunch period, helping in assemblies, and cooperating in various school activities. An outstanding achievement of the Council was the procurement of a tuning unit for the school public address system. It is now possible to hear frequency modulation radio programs and amplitude modulation radio programs in all rooms of the school.

MEDFORD 6 MALDEN CATHOLIC 18

Medford dropped its opener to Malden Catholic, 18-6, in a thrilling game. Both teams were evenly matched and the Mustangs can blame the loss on inexperience and bad breaks. The bright spot of the afternoon was John Cahill's passing and Bob Price's receiving which accounted for Medford's only score.

MEDFORD 0 WALTHAM 14

Two long runs by Waltham backs defeated the Mustangs, 14-0. Although Medford's ground and aerial attacks were functioning smoothly and the boys came within scoring distance several times, they could not push it over.

MEDFORD 0 SOMERVILLE 40

On this gloomy afternoon the Mustangs were severely crushed by a heavier, more powerful Somerville team. Once again, however the Cahill to Price combination worked well in the face of tremendous odds.

MEDFORD 6 MELROSE 19

A Cahill to Price pass accounted for the Mustangs only score as they were beaten by Melrose, 19-6. Medford almost tallied again, however, when a brilliant run by Don Lister was called back because of a penalty.

MEDFORD 0 EVERETT 13

Although beaten by a heavier Everett team, 13-0, the Mustangs made a favorable appearance. Two aerials from John Cahill to Bob Price, one covering 30 yards and the other 50 yards, put the Medfordites in scoring position twice, but they lacked the drive to capitalize on these gains.

MEDFORD 7 NEWTON 26

A fumble on the opening kickoff gave the Newton boys their first touchdown and from there they went on to down the winless Medford club, 26-7. A pass from John Cahill to Bob Price gave Medford its only touchdown, while Bill McPherson kicked the extra point.

MEDFORD 7 ARLINGTON 33

Outweighed but not outfought the Mustangs were beaten 33-7 by a powerful Arlington club. Medford's score came late in the third period when passes from John Cahill to Bob Price and Peter Terry clicked for the touchdown and extra point respectively.

MEDFORD 12 CHELSEA 13

Bouncing back after losing to Arlington, the Mustangs outplayed and almost upset a heavily favored Chelsea team 13-12. Medford's first touchdown was scored on an aerial from John Cahill to Bob Price. An eighty yard sustained drive featuring fine running by Don Lister, Dick Marzino, Charlie Odams, and Joe Gigliello, was climaxed by a six yard run by Gigliello, for the second score.

MEDFORD 14 MALDEN 33

The Mustangs chalked up a moral victory against State Champion Malden in this Turkey Day classic. Trailing by 20 points going into the third period the Medford club unexpectedly marched seventy yards on the ground and in the air, and scored on a Cahill to Price aerial. Then, as they gained possession of the ball again, the Medfordites put on another drive which resulted in their second score. Joe Gigliello carried it over, aided by a fine block by Peter Terry.

In spite of the disappointing season suffered by the Mustangs, there were still some commendable features; the fighting, never-say die spirit of the boys and the loyal support of Coaches John Prior, Larry Sullivan, and Torbert MacDonald. We hope that the class of "49" will always remember their Mustangs as the fightingest, most spirited team ever to represent Medford High School on the gridiron.

# *Cheerleaders*

The cheerleaders did a splendid job of leading the cheering at all the games. Their most memorable appearance was at the Thanksgiving game when they presented a skit entitled "Heap Big Injun." The act included a realistic Indian dance which the girls performed with the aid of their mascot, nine year old Barbara Edgerly.

# Hockey

The Hockey Team did very well in its league games this season, winning three, tying two, and losing only two, one to vastly improved Melrose and the other to powerful Arlington. The team also beat the Andover six in a non-league game, 6-3. The Medford boys entered the league playoffs in second place but lost all three games, one to Arlington, 3-2; one to Melrose, 2-1; and one to Belmont, 5-0. Bill McNair and Bob Walker were the Medford players selected for the All Star "A" team, and Al Power represented Medford on the All Star "B" team.

# Soccer

In usual form Allyn B. Stillman coached the Blue and White soccer team to the best season in its history. Composed of many lettermen, led by Captain Cliff Thompson, the team held its first practice in the early part of September. The success of the team was largely due to the fighting spirit that the boys displayed throughout each game, and the fact that the boys had played as a unit for the two previous seasons.

Medford opened the season with a 3-2 victory over Belmont. In the first period, Dick Buckley scored on an excellent shot. Taking advantage of Tony LaMarca's fine corner pick, Art Terrill headed the ball home for the second goal. The final tally was credited to Lymie Shackett.

The Blue and White again emerged victorious with a 4-0 shut-out over Watertown. Dick Buckley tallied the only goal in the first half.

In the third period, after taking a pass from Lymie Shackett, Herb Foss booted one past the goalie. Cy Livoti and Leo Hoarty scored the final two points.

In the second encounter with Watertown Medford came up with a 2-0 shutout. In the opening period, Cy Livoti drove a hard shot past the goalie for the first tally. In the closing minutes of the first half, Jack Carroll slammed home the final goal.

The next game was with the Tufts Freshmen, whom the Blue and White defeated by a 2-1 edge. Tufts accounted for the first goal of the afternoon, but after Dick Buckley had tied the score, Herb Foss provided the winning margin with a fine shot.

The team's first and only defeat of the season was handed them by Andover Academy in a 2-1 contest. In the final period, after the opposition had tallied twice, Cy Livoti kicked one into the net for the team's only score.

In the following game, Medford extended its winning streak by downing Belmont, 2-1. Lymie Shackett put Medford ahead when he scored midway in the third quarter. After Belmont had tied the score Shackett again booed one which this time was caught by the goalie, but which was ruled a score since he carried it inside the goal.

After losing to Exeter Academy for the past three years, the Blue and White finally broke through and triumphed, 2-1. Exeter scored first, but Lymie Shackett evened it up by heading the ball into an unprotected goal. In the fourth quarter, Bill Seitz pushed in the winning marker.

The team chalked up another win by blanking the Tufts Freshmen, 5-0, Cy Livoti, Cliff Thompson, Dick Buckley, Herb Foss, and Tony LaMarca each tallied once.

On the next game with the M. I. T. Freshmen, the Blue and White emerged victorious, 3-1. At the half the score was tied, 1-1. Cliff Thompson broke the deadlock by blasting a hard shot which the M. I. T. goalie never even saw. Lymie Shackett ended the scoring in the fourth and final period with a shot that was deflected off a Frosh player's leg.

The team continued to move along at a championship pace by drowning Governor Dummer Academy, 3-2, in an overtime game. Herb Foss scored first, and Livoti rang up the remaining two goals, one of them in the overtime period.

In the following contest, Medford edged New Bedford Vocational School, 1-0, in a tight game. Although Dick Buckley scored the only goal of the game, much of the credit for the victory should go to the fullbacks, Jack Carroll and Henry Doll, who played an outstanding defensive game.

The Blue and White continued to roll along the victory path as it won its eleventh game of the season by shutting out Revere High, 3-0, on a wet field. Although the soggy ground hindered the team, Lymie Shackett, Dick Buckley, and Cy Livoti were able to exercise their scoring ability.

By shellacking Duxbury High, 9-0, in the final game, the team set the single game scoring record for Medford High soccer teams. All the players contributed in ending the season with a superb showing.

Cy Livoti was high scorer for the season with 11 goals, with Dick Buckley, Lymie Shackett and Herb Foss supplying most of the remaining markers. Dick Hayes and Bill Seitz were elected co-captains for the '49 season.

The record for the entire season was twelve wins and one loss.

# Speed Ball

A new sport for girls has been introduced here at Medford High. This game which is as rugged as boys soccer, is a combination of basketball and soccer. No varsity squad was established, for the girls played only for enjoyment. Since girls derive much pleasure and comradeship from this game, Miss Ellard and Miss Stewart have decided that the game should be continued in future years.

Senior players:

Sylvia Barr
Mary Norton
Helen Quinn
Jean Mulcahy
Janice Cassani
Lois Sturmy
Beverly Sansom
Joan Murray
Rose Ballato
Barbara Wolsey
Alice Whear

# Track

The 1949 indoor season of the high school track team was one of the best that Medford has had for many years. Under the expert guidance of Coach Henry Hormel the club won a New England championship in the 800 yard medley relay and also captured the Greater Boston Interscholastic title in the 640 yard relay. The outstanding individual performances were furnished by Pete Terry, and Mike Vitiello. Terry won the dash in the Northeastern Interscholastics; finished second in the same event in the New England Interscholastics, placed fifth in the National Interscholastics in New York, and was fourth in the 50 yard dash in the State Meet. Vitiello won the 600 yard championship in the Greater Boston Interscholastics.

*Co-captains, Indoor*: Peter Terry, Francis Sheridan
*Co-captains, Outdoor*: Mike Vitiello, Arthur States
*Managers*: Capen Farmer, Norman Cable, Richard Eames

# Baseball

Coach Arthur Terrill started practice as soon as the weather and the conditions of the field permitted. There was a large turnout, so that Coach Terrill had a chance to look over many prospects. Many of the members of last year's Junior Legion team were competing for spots on the varsity. The seniors who are expected to have a good year are:

*Pitchers* — Herb Foss, Dick Santini, Cliff Thompson, and George Doherty

*Catcher* — Al Power

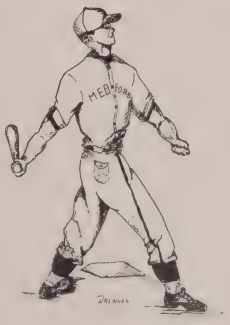

*First Base* — Art Terrill, Jr.

*Second Base* — Jack Carroll

*Third Base* — Chuck Odams

*Shortstop* — Lyman Shackett

*Outfield* — Steve Molinari, Charlie Nalchijian, and Larry Drennan

# *Volleyball*

Girls' intramural Volleyball is a variation of tennis in which a special nine ounce ball is used, and one uses the hands for the racket. Volleyball is a fast moving game which calls for skill and coordination. At the end of the season all classes participated in a tournament which the Sophomores won. For the first time in Medford High's history, the girls who played ball regularly received emblems. The games, under the leadership of the instructors, Miss Luce, Miss Elliard, and Miss Stewart, were very popular. All the girls in the school enjoyed them immensely.

Seniors:

Lena Bevilacqua
Jean Bennett
Sylvia Barr
Rosalie Cultrera
Joan Cormoni
Joan Carlson
Patricia Murphy

# Badminton

Approximately one hundred girls signed up for this popular intramural sport. There were two practice sessions during which the girls practiced their skills in preparation for the interclass matches. The physical education department decided to employ a new system for the badminton enthusiasts this season which will allow more girls to participate in this sport. Among the seniors who are enjoy-badminton this spring are:

Sylvia Barr
Lena Bevilacqua

# Basketball

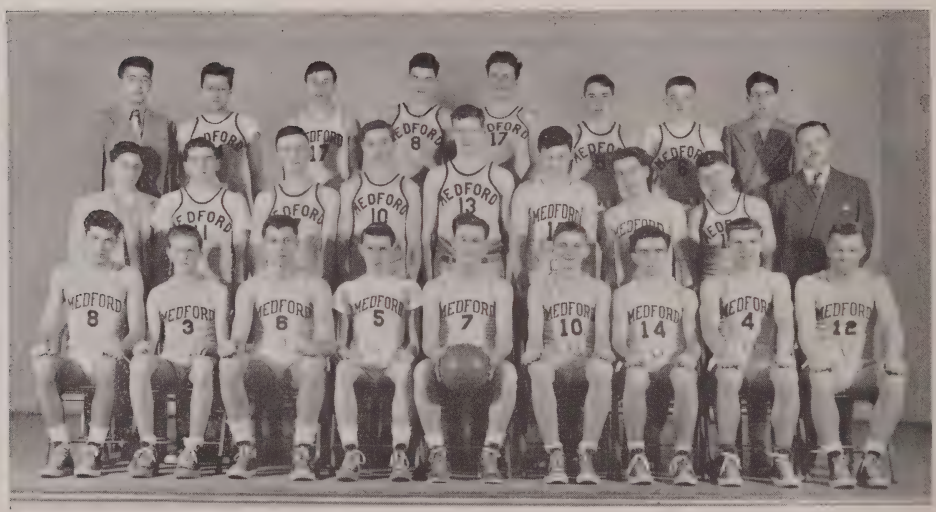

Although the team was handicapped by inexperience, the boys played hard all season and would have had a better record with any kind of breaks. As it was, they won 3 games and lost 11 against opposition that was far more experienced. The high scorer was Captain Dick Santini.

# *Girls' Bowling*

# *Girls' Softball*

This year's girls' softball team has a great job ahead of it to maintain the fine record that has been set by the clubs of the past three or four years. Fortunately, many veterans are returning. The girls' coach, Miss Luce, will certainly have another good team if the previous performances of these experienced players are taken as a standard. Those who are expected to play an important part with the club this year are:

Alice Whear
Barbara Wolsey
Ruth Kelly
Torvy Johnson
Barbara Norris
Peggy Knox

# Field Hockey

*Captain*: Alice Whear
*Coach*: Miss Phyllis Stewart

Webster Street Field never witnessed such a display of enthusiasm as it did this fall, when the candidates for the girls' field hockey teams reported for practice. After only a few practice sessions, during which Miss Stewart coached the girls on the fundamentals of the game, the players were divided into varsity and junior varsity teams, and the interscholastic competition started.

The only returning veterans from last year's varsity team were captain Alice and Torvy Johnson. These girls teamed on the varsity with their fellow seniors: Barbara Norris, Barbara Wolsey, and Ruth Kelley, who did outstanding work in the forward line; Lena Bevilacqua and Emily Donadio, who displayed intelligent defensive play.

Lacking not in spirit but in experience, the team fought its way through the schedule only to conclude its season without a victory.

We congratulate these girls for their fighting spirit and good sportsmanship.

# Girls' Basketball

As was illustrated by the extremely large turnout when the season opened, Girls' Basketball is a very popular sport. More Seniors participated this year than ever before and had a most successful season, winning all their games, both intramural and interscholastic. For the first time there was no varsity team, and captains were chosen not for the season but for each game. The varsity team was replaced by six interscholastic teams and competed with other schools, gaining a host of victories. The scores of the class tournament were as follows: Seniors — 20, Juniors — 4, and Sophomores — 15. The winning team received a pennant which is displayed in the gym. The able coaches are Miss Stewart, Miss Ellard, and Miss Luce.

# Protective Department

The Protective Department is the keystone of our school organizations. This active group, under the supervision of Mr. Pidgeon, carries out a systematic program which helps to keep the school in order. Their duties include being on the alert in time of fire drills, watching the passing of classes, acting as guides for visitors, keeping students from eating outside the lunch room, and restricting the use of corridors during recesses. This department sets the standard for safety and neatness in Medford High.

# Stamp Club

Stamp-collecting has become one of today's most popular hobbies. Philately has been the relaxation of many people, including the late Franklin D. Roosevelt, King George of England, Lily Pons, and the Prince of Egypt. To give the students of Medford High an opportunity to meet other stamp enthusiasts, the Stamp Club was organized fifteen years ago. Now an established organization, the club is under the able direction of Miss Katherine Adams. This year the Club meets the first and third Thursdays of each month to exchange stamps and study them. A successful exhibit was held in the Medford Public Library and the school library during February. The Club elected the following officers: Ellen Littlefield, President; Eleanor Stinson, Secretary; and Charles DiMare, Jr., Treasurer.

The following are members:

# The Review Staff

This year the Review Staff, under the excellent guidance of Mr. Grant published three editions of the Journal, the new name of the M. H. S. Review.

The Journal contained humorous and informative articles which were a great delight to all readers. The staff was headed by Harold Fuller and assistant editors, Gloria Mander and Anna Ferrante, whose efforts have given us a fine school newspaper.

# The Projector Club

The projector club is a new organization at Medford High School. Under the guidance of Mr. Mockler its members are taught how to operate film projectors and audio-visual equipment. Our school is fortunate in that the city has provided these machines and that these students are being trained in their proper management. Their knowledge and experience is an aid to many school programs. We wish this club continued success and sincerely hope that it will be a leader in future school activities.

# Orchestra

# The Band

The band, being one of the high school's most successful and noteworthy organizations, has gained recognition in New England as consistently being in the first division of high school bands. Through an organized plan, a student may study any instrument that he desires and advance through the four bands, finally reaching the Senior Band.

This band plays at many of the school activities such as the football games, and assemblies. Several concerts were put on to raise money for the annual trips, such as traveling to New York and being guest of Fred Waring at his radio broadcast. Included in this trip were visits to Radio City and the program "Harvest of Stars" starring James Melton.

The band also made a trip to Deering High in Portland and was the guest of the huge high school band. A joint concert was given in the evening in the beautiful city hall where there was a special organ concert, held on the million dollar Koztchman Memorial Organ, one of the largest of its kind in the world.

A great deal of credit is given to Mr. Schoonmaker, a most worthy and capable director. His planning and organization has made the Medford High Band a leader in the musical field.

Officers are:

*President* — Roger Malcolm
*Vice President* — Dorothy Carmoli
*Secretary* — Barbara Rogers
*Student Leader* — Richard Tobin

# Tech Club

The Tech Club is organized to promote interest in the different phases of science. Under the guidance of Mr. Rogers, forty-seven boys enjoy the benefits of this organization. The 1948-49 season was especially interesting.

In the fall, members visited the River Works Plant of the General Electric Co. in Lynn, the Ford Assembly Plant in Somerville, the Charlestown Plant of the Boston Edison Co., the Boston Naval Shipyard at Charlestown, Wentworth Institute, the Massachusetts Institute of Technology, and the Tufts Engineering School. The trip to the Simplex Wire and Cable Company of Cambridge was of particular interest. This year's program included two outstanding speakers, Prof. John T. Rule, head of the Graphics Department of the Massachusetts Institute of Technology, and Dr. Walter C. Carnahan, Mathematics Editor of D. C. Heath and Company. The group also saw films of the Ford Motor Co. and General Electric Co. The highlights of the year were the annual club banquets, well attended by the members, including many of the two hundred eighty-five alumni of the past eleven years, and the Spring Mathematical Treasure Hunt.

The Club officers for 1948-49 are:

*President* — Richard Eames

*Vice President* — David Whalen

*Secretary and Treasurer* — Gerard Cunningham

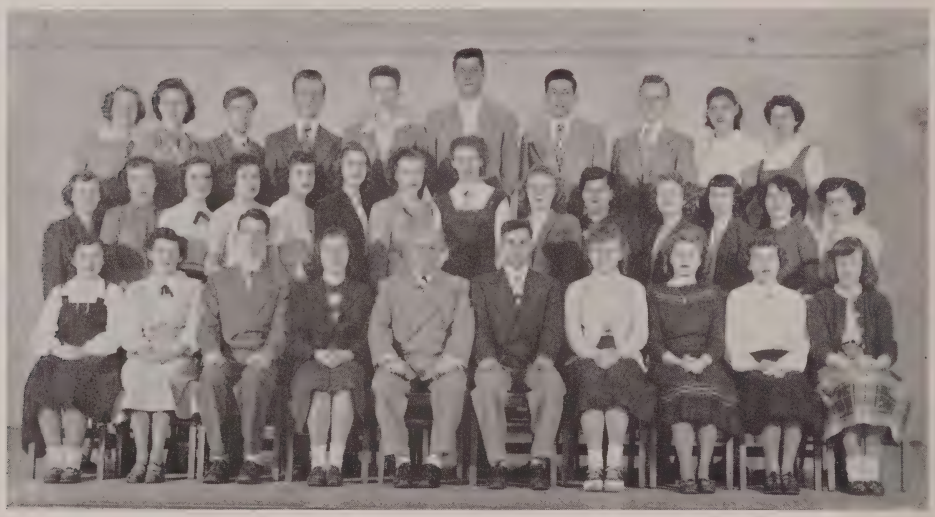

# Honor Society

The Phi Alpha Epsilon chapter of the National Honor Society, a relatively new organization at Medford High, completed a very successful second year. A faculty council chooses members, who must have a high scholastic average and qualities of leadership and character.

Speakers from the law, medical, and newspaper professions talked at various meetings. Students from nearby colleges also spoke. The Society appointed a committee who revised the Blue and White Handbook under the direction of Miss Rowan. Sixty new members were inducted at a formal installation ceremony on May 2, which both parents and students attended. The members decided to present a trophy case to the school. At the end of the year, the Society held its annual banquet. The officers are: Robert Kruszyna, president; Torvy Johnson, vice president; Phyllis Curcio, secretary; Frank Assortato, student treasurer. Mr. Pidgeon is the organization's advisor.

# Camera Club

The Camera Club, under the leadership of Miss Catherine Burke, brought photography information and news to its members. Albert Smith and David Fawcett exhibited unusual photographs which they had taken with their high speed cameras. Lessons were given in groups on developing and printing in the darkroom, lighting, proper setting and arrangements of subject matter, and the analysis of the camera and its various stops. The club held open discussions on problems in technique. It provided entry blanks for the National High School Camera Club Contest and discussed bringing last year's winning photographs here for a library exhibit. The club wishes to thank its officers, president Albert E. Smith; vice president, David Fawcett; secretary, Diana Robinson; treasurer, Carolyn Warner, and its advisor, Miss Burke, for an interesting year.

Of the fifty members, the following are seniors:

# All Girl Choir

The All Girl Choir is one of the High School's foremost musical organizations. This choir group entertained the pupils and teachers alike with their Christmas singing throughout the corridors.

This year the choir featured its own voice students who entertained us with the familiar songs of Gershwin, Romberg and many others. This excellent training is due to Mr. Ralph I. Schoonmaker's capable direction.

# Home Economics Club

# Canteen Committee

Among the many hours spent at M. H. S. perhaps some of our gayest were spent at the Saturday night Canteen. With the superlative guidance of the Youth Commission, and capable leadership of Lorraine Edgerly, the students at M. H. S. used the boys' gym in the High School building as a meeting place for their friends from neighboring cities and themselves. Here, we danced to the familiar strains of our favorite records.

The Canteen Committee whose job it was to collect tickets, sell cokes, check coats and to think up those wonderful ideas which made the canteen such a success, has done a fine job.

*Chairman* — Lorraine Edgerly

*Co-chairman* — Lawrence Drennan

# The "M" Club

# Italian Club

One of the most outstanding clubs at M. H. S. is the Italian Club. To prove it, just ask any of the members. This wonderful club is under the capable direction of Miss Bruno. Membership in this club is only open to those pupils taking Italian during school hours. The purpose of the club is to help the students to appreciate the Italian language and the culture of Italy. During the year the members went to see several Italian movies and enjoyed them immensely. They also attended the "Carnevale" party on March first to celebrate the end of the festival season preceding lent. The party was held in the form of a masked ball. The members also presented a complete play in Italian. The most outstanding event of the year was their attending the opera "La Boheme" on March 30th by the Metropolitan Opera Co. of New York. The members also corresponded with Italian boys and girls which proved very interesting. The members have all received membership pins. The club's annual banquet was held in May and this event ended another successful year for the Italian Club of Medford High School.

# Library Staff

Where do you find this book? Who wrote "The Crisis?" How do I find "Robinson Crusoe?" These are typical examples of the queries answered every day by the competent girls on the library staff. These efficient librarians, our own classmates, deliver slips, check attendance, mend books, file, do reference work, and help with the pamphlet collection. Guided by Miss Hardy, they have learned what makes a library run smoothly and have also received excellent training for future occupations. Many a student's problems have been solved by these friendly cooperative girls.

# Business Girls' Club

The Business Girls' Club is made up of two groups: the seniors in the business courses who are in school all the time are regular members, those in the cooperative office training course are associate members.

The emblem of the club is a book-shaped pendant with an insignia of a rose and quill pen. The quill pen symbolizes the practical training of the club, and the rose symbolizes the character training which is needed with the practical training.

The program is both social and educational. Under the guidance of Miss Hubbard and Miss Mosessian, the club has been very active. It has had a dinner party, an educational tour of Boston, theater parties, and business speakers.

COOPERATIVE OFFICE TRAINING GROUP I

COOPERATIVE OFFICE TRAINING GROUP II

# Cooperative Office Training Class

The Co-operative Office Training Class of Medford High is the only office training course in this part of the country that follows an alternate two-week plan. It has been found to be very successful and has been used as a model in teacher-training institutions. The girls who are in the course are divided into two groups. While group I is at school, group II is working in offices at large companies receiving not only an extensive knowledge of business affairs but also a salary. Then, for the next two weeks the positions are reversed. In school the girls take a regular office practice course which enables them to receive a diploma. At work the girls receive promotions and are given regular positions after graduation. Some even receive a summer vacation with pay. Miss Roughsedge, the advisor for the girls, is doing wonders with this plan.

# Cooperative Store Training Class

This year the Co-operative Store Training Class, taught by Miss Mary McKay, consists of twenty-nine senior girls who have selected retailing as a career.

The class follows a plan whereby the student attends classes for part of the day and works the rest of the day in one of the larger department or chain stores in the greater Boston area. The curriculum includes the following: retailing subjects, salesmanship, English, economics of retailing, arithmetic, store system, textiles and non-textiles, display, colorline and design, advertising, fashion, marketing and personality development.

The stores cooperating with the training of this class in distributive education are: Jordan Marsh Co., E. T. Slattery Co., Jays Inc., Gilchrist Co., William Filenes & Sons Co., T. D. Whitney Co., Conrad's & Co., Sears Roebuck Co., F. N. Joslin, W. T. Grant Co., Gray Inc. Stores and the Enterprise Stores Inc.

This year a Distributor's Club was formed, and the girls all received attractive club pins. Many activities such as a Bowling League, a theater party, a Christmas party, were enjoyed, and field trips were taken to the large department stores to study store organization. The class held its annual class dinner at a Boston hotel in May.

The class officers this year were:

*President* — Doris Brousseau
*Vice President* — Marie Bonaccorsi
*Secretary* — Francis Collins
*Treasurer* — Mary Robinson
*Delegate to House of Delegates* — Audrey Perry

# Girls' Club

The members of the M. H. S. Girl's Club, under the guidance of Miss Junkins and Miss Kelley, strive to benefit themselves, their school, and their community. The emblem is a six-pointed star guarding an "M". Each point of the star symbolizes the six major methods of improvement.

The activities this year have included a "get acquainted" beach party in September, a mothers' tea in October at which Miss Bruno gave a special speech about her trip abroad, and a Christmas Party in December for underprivileged children. Also included were various speakers in January. In April the Juniors entertained the Seniors, and finally the annual banquet was held in June.
