In Memoriam

HAROLD FREDERICK PHILLIPS

August 9, 1949

HENRY D. HORMEL

"Three dollars and seventy-five cents please".

Junior Marshals and Ushers . . .

Senior Prom . . .

Winter wonderland! A mild exclamation for the magnificent ballroom in which the Senior Prom was held. One could hardly believe that only hours before, gym classes were being conducted in the same hall. The walls were covered with massive drapes, upon which hung large, colorful, winter scenes. At the height of the evening, a king and queen were chosen from the myriads of nattily attired couples. The regal pair, Martha Carlson and Norman Savage, reigned supreme over the gala affair.

The class of the half century went all out to stage a Senior Prom unique in the history of Medford High School. Under the able direction of the class advisors, Mr. Osgood and Miss Fuller, the class officers, and the committees, the evening was a colossal success.

Senior Class

On April 13th and 14th the Class of 1950 presented **A Tailor-Made Man,** a comedy in four acts by Harry James Smith.

Lewis Richardson, as John Paul Bart, the tailor-made man, gave an excellent performance as a lowly tailor who rose to great heights by his own integrity and independence.

Lorraine Ferrick, a wealthy socialite, and Jean O'Brien, a sympathizing friend, vied for John Paul Bart's affections.

Kathleen McKee as the flighty Mrs. Kittie Dupuy, Roland St. Onge as Pomeroy, and Richard White as Peter provided the laughter. Harry Meserve, Neil Gaeta, Gaylord Wingate, Harriet Clarke, Ann Murphy, Robert Sullivan, John McGonagle and the rest of the cast gave honest and sincere interpretations of their characters.

The tireless efforts of their superb coach, M. Carey, together with the outstanding performances of the cast, made the class play of 1950 one of the never-to-be-forgotten events of our high school days.

A bright personality, — a prize winning smile.

Medford 13 **Malden Catholic 13**

Although the Catholic gridders looked as if they might run away with the game at the start, the Blue and White came from behind to gain a tie in a thrilling opener.

Medford 0 **Waltham 13**

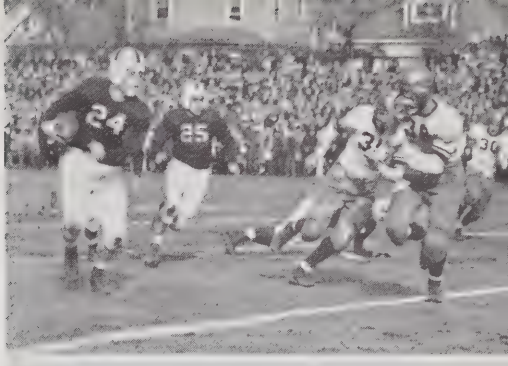

This encounter was a battle royal from start to finish. Waltham got two breakways upon which they scored, otherwise the sides were evenly matched.

Medford 0 **Somerville 6**

Medford's traditional Columbus Day rival made good one of their touchdowns to tip the Mustangs. The game was featured by four touchdowns, three which were cancelled by penalties. Peter Terry and Jack Geary, who replaced Fred Greenleaf because of an injury, were outstanding for the Blue and White.

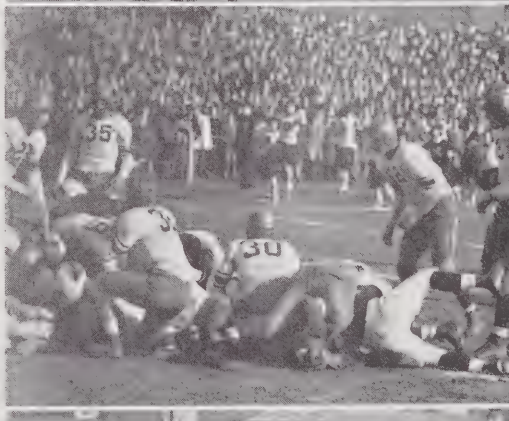

Medford 19 **Melrose 6**

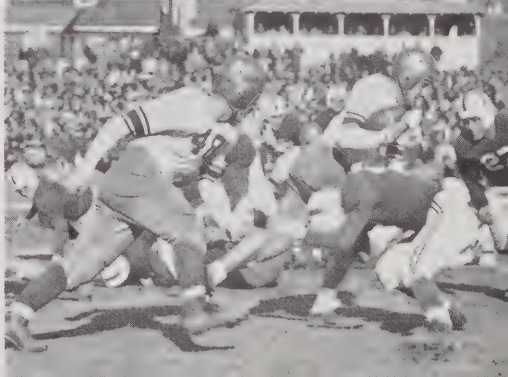

The Medford Mustangs rolled to their first victory in two years over an outclassed Melrose Eleven. Don Parks, Jack Geary and Bill McPherson did the scoring for Medford. Every player was brilliant in this fine exhibition of teamwork.

Medford 6 **Everett 0**

A Geary pass to Terry and a magnificient catch by the latter in the end zone was the only score either team could make in one of the most evenly matched contests of the season. The Mustangs second win also strengthened the moral of the team.

Medford 12 **Newton 13**

Although bad breaks and penalties marked the game the Blue and White matched the touchdowns of Newton but fell short of a tie by one extra point.

Medford 0 **Arlington 20**

The Class "A" Champions, Arlington, got off to a roaring start and scored all their points in the first half to beat our still undaunted Blue and White.

Medford 19 **Chelsea 6**

The Mustangs again demonstrated their fighting spirit by downing Chelsea for their third win of the season. The Mustangs who tallied for the Medford cause were Joe Gnerre, Don Lister and Don Parks.

Medford 6 **Malden 0**

The second oldest Thanksgiving Day Classic around greater Boston found the Golden Tornado invading Gillis Stadium to take on the Medford Mustangs. This tilt was the most exciting one of the season because of the great rivalry between the two Schools. The highlights of the game were "Joker" Gnerre's touchdown and Medford's goal line stand just before the half ended.

SUMMARY

Coach John Prior and his assistants should be commended for producing a spirited team that finished the season with four wins, four losses and one tie. While not an impressive team at the beginning of the season due to lack of experience, the players gradually developed a sense of teamwork that was a credit to their coaches and to their school.

The co-captains selected to lead the Blue and White for next season are Fred Greenleaf and Guy Maturano.

Cheerleaders

The cheerleaders did an exceptionally good job leading the cheering of the student body not only at the football games but also at the basketball games. Their loud encouraging shouts increased the school spirit of the crowd and gave the players more selfconfidence. The girls did a splendid job for which we all congratulate them.

Hockey

The Medford High hockey team, under the able coaching of John Prior, moved into the front of the G. B. I. League in the first contest by slamming home five goals to defeat a strong Arlington team. The Mustangs retained first place in their next three games at the expense of Belmont, Cambridge Latin and Rindge Tech. Mike Toperzer and Bob Gorman dominated the scoring column while Dave Conlan gallantly kicked out the enemy thrusts. The Blue and White bowed to Melrose 3—1 in a hectic game marked by flaring tempers and major penalties. Both teams lost the services of two players for the next league game. The regular season ended with Medford in second place in the league. The play—offs saw the Blue and White tie two and lose one to climax an excellent season. Bob Gorman and Ray Palmer represented Medford on the All—Star "A" squad, while Don Lister, Larry Kinchla, Mickey Toperzer, and Dave Conlan held down "B" team positions.

Soccer

Faced with a record of 12—1 of the previous season, and the loss of 22 lettermen; the soccer team began a rigorous training program to prove that they could still maintain the distinction of being the team to beat. Coach Allyn B. Stillman, with the aid of the co-captains Dick Hayes and Bill Seitz, molded an able team in a period of three weeks, and the season progressed as follows!

The opening tilt reveals that Medford had another powerful team, as they set Belmont down with a 3—1 decision. Dick Hayes scored first on a penalty kick. Hayes added another in the second half and Jim Tello accounted for the final tally.

In the second encounter the Blue and White defeated Watertown at the latter's field. Both Dick Hayes and Jim Tello scored after excellent combination plays.

Medford showed its best scrap in its 3rd contest but went down to defeat at the hands of a part Alumni Tufts frosh team, 1—0. The game was bitterly contested from start to finish.

Medford bounced back to the winning column by squelching Revere by the score of 5—1. Scoring honors were held jointly by Dick Hayes and Jim Tello, who each scored twice, and Bob Lang who added the final marker.

Returning to Tufts the Medfordites promptly avenged their previous defeat by the same margin, 1—0. Bill Seitz chalked up the only tally for the victory over Medford's 1948 Champs.

The next game was dedicated to Eddie Johnson, a former halfback, who, stricken with polio, has been confined to a hospital bed. The boys tried their best to bring home a victory for Ed, but had to be satisfied with a tie. Dick Hayes scored for the Blue and White, the first score on Andover this season. Joyce knotted the score for Andover and that is how the game ended after two 5-minute overtime periods.

Belmont succeeded in holding the Blue and White to another overtime tie. Dick Hayes scored both tallies for the home team.

Watertown took another defeat at the hands of the Medford team as it rolled on to its fifth victory, a 3—0 shut out. Dick Hayes sandwiched two markers around a nifty goal by Al Gravallese.

Medford battled a strong M. I. T. Frosh team and finally emerged victor by the score of 2—0. Dick Hayes (again) added two more goals in this tilt to bring his total to an even dozen.

Exeter Academy played havoc with the Medford record by setting the Mustangs down 2—0. The New Hampshire lads were probably the best team Medford met as was demonstrated by their close teamwork.

On a muddy Playstead Park the Blue and White again suffered a 1—0 defeat because they failed to capitalize on their scoring opportunities. The Whalers scored on a lucky bounce off the bar.

An undefeated Harvard Freshman team tipped a waning Medford Club 1—0. The futile efforts of the players were not rewarded by luck.

Although scoring first, on a goal by Dick Hayes, the Medfordites again tasted a third defeat at the hands of the Governor Dummer Academy Team.

In the final contest of the season, the Blue and White successfully defeated the Duxbury High team 3—1. Hayes extended his record of goals to 14 when he headed in Lang's corner kick for the first marker. Al Gravallese and Andy Calogerro provided the other tallies.

The high scorer for the season was Dick Hayes with 14 goals. Dave Conlan and Joe Capella were elected co-captains for the 1950 season.

Six of the boys received well deserved recognition for their efforts throughout the season by being chosen for the Eastern Massachusetts All-Scholastic Team. Dick Hayes, Bill Seitz and Joe Capella were selected for first team honors, while Anthony Gaeta, Bill Palmisano and Bob Lang made the second team.

Volleyball

That volleyball is fast becoming a popular game was illustrated by the large turnout at the season's opening. Each class organized separate teams. The seniors under the direction of Miss Helen Ellard, had the following teams: the Blue Riders, the Feathers, and the Mighty Josephines. The juniors won a tournament in which all classes participated. The seniors were:

Track

Placed by its highly talented Captain, Peter Terry, this year's indoor track team, one of the best ever to represent M. H. S., truly distinguished itself not only in its dual meets, but also in the State, New England, and G. B. I. Meets. In its dual meets, the team emerged victoriously 7 out of 8 times, loosing only to Watertown, the Metropolitan League Champion, while defeating such rivals as Arlington, Brookline, Rindge Tech., Andover J.V.'s, Somerville, Lynn Classical, and Cambridge Latin. At the State Meet the local boys annexed a 5th place and gained 3rd place honors in the New England Meet. At the G. B. I. Meet, Medford took top honors in the most points scored (35) and also in the Junior Division, thus bringing to a close a very successful indoor season.

An excellent outdoor schedule has been prepared, and, judging from the indoor results, the track squad should really attain new laurels in its spring contests.

Baseball

At the time of this writing it is impossible to foretell the results of the "1950" M. H. S. baseball season. This year Coach Arthur Terrill will have to start from scratch and depend largely upon sophomore and junior rookies, since most of the "big guns" of the team graduated last year. However, judging from past records, Coach Terrill will put on the field a team well capable of standing up against such traditional rivals as Somerville, Everett, Chelsea, and all the other teams which fill out the twenty—two game schedule of the Greater Boston League. At this time the team and schedule shape up as follows:

Coach	Arthur Terrill
Captains	To be chosen before each game.
Catcher	Bill Intoppa
Pitchers	Bob Briggs, Dick Tierney
Outfield	Danny Molinari

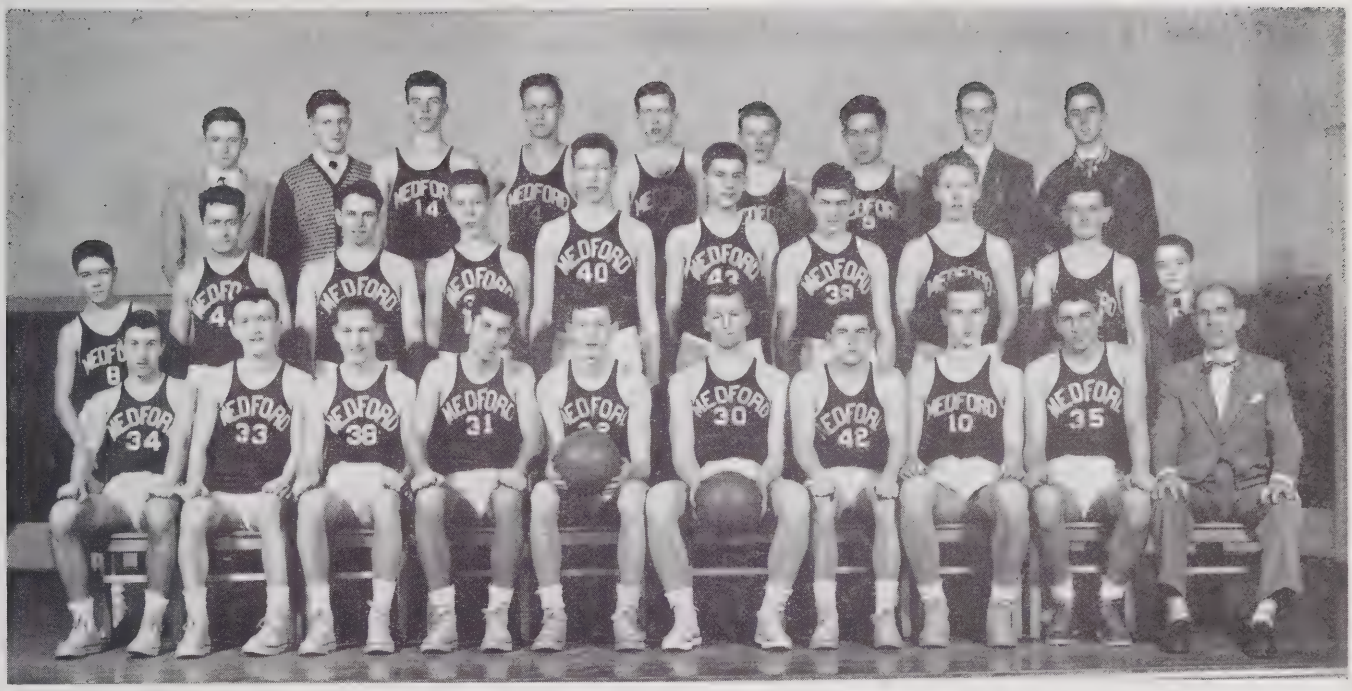

Newton at Newton	Medford at Malden
Malden Cath. at Medford	Medford at Lowell

Badminton

Girls' Bowling

Basketball

Under the capable tutelage and guidance of their new coach, Leo Appiani, the M. H. S. basketball team got off to a fine start this year, winning two out of its first four games and losing only to Chelsea and Somerville, two of the top teams in the circuit. However, the rest of the schedule proved rather disappointing with the team dropping the majority of its remaining games, even though at times it displayed definite improvement and promise throughout each succeeding contest.

Doubtlessly, the highlights of the season occurred in the inital tilts against Somerville a team rated as one of the best in the East, Medford went into the second half trailing by a scant four points and played admirably throughout, even though in vain. Revere proved to be a tough adversary right to the end, but with the score tied and five seconds to play, the local boys looped in the clincher and thus earned a thrilling and well-deserved win. Fortunately this year's team will graduate only five senior lettermen: Gerry Corradino, John Charlton, Bob Moore, Walter Regan, and Paul Hargreaves. With an abundance of promising and seasoned players returning next year, Medford should truly distinguish itself.

Tennis

This fall saw the yearly tennis spotlight upon four girls from our popular senior set: Barbara McHugh, Marilyn Shahzade, Bernice Neville, and Dorothy Gould. After weeks of practice, the girls met for the annual tennis tournament at the Water Street Courts. The Seniors offered keen competition, but the Juniors won the Fall Tournament. We hope, however, that in the Spring Tournament our girls will bring victory to the Senior Class.

Girls' Basketball

The large turnout of girls demonstrated that basketball is one of the favorite girl's sports. The three classes organized teams to compete with each other and with competitive schools.

Distributive Education - Girls

The ninth class in Distributive Education will be graduated from our school in June 1950.

The Girls' Co-operative Store Training Class has enrolled in its membership this year twenty-seven senior girls who are following a career in retailing.

The Class meets daily from eight o'clock until eleven o'clock. At twelve the students are on their jobs in the large department stores and chain stores located in Boston, Medford, Malden, Cambridge and Winchester. There are twenty co-operating stores offering employment to our students this year. The members of the Distributive Education class receive compensation as well as valuable work experience in these co-operating stores. The employment and supervision of this course is under the direction of Mary Isabelle McKay, the Teacher Co-ordinator.

A Distributive Education curricular includes the following subjects; English, salesmanship, textiles, non-textiles, marketing, advertising, display, fashion, color, line and design, arithmetic, store organization, store system, personality development and hygiene. Upon the completion of the Course the Distributive Education students are placed full-time in the stores where they will receive added training on the job under trained supervisors.

Many of our graduates are holding responsible positions in retail establishments. In a recent survey it was found that many of our girls are now buyers, assistant buyers, heads of stock, also hold jobs in the Advertising and Display Departments in large Department stores in Boston.

Distributive Education - Boys

A new vocational offering was made possible this year with the start of a program in distributive education open to Senior boys at Medford High School.

The course instruction, with J. Walter Langley as teacher—coordinator, follows the course content outlined by the State Department of Education and includes the following: Sales techniques (retail selling, advertising and display); Merchandise information (Textiles and Nontextiles); and Economics of Retailing (Store mathematics, store system, store organization and management).

The boys are also required to work in stores, averaging at least 15 hours per week during the school year. They receive school credit for this work experience as well as being paid the prevailing wage for part—time store employees. Upon graduation, they may continue this work on a full—time basis by mutual agreement with the employer.

For the privilege of leaving school for work in the afternoon, students who enroll in the course must forego extra—curricular activities such as participation in sports. However, the boys have their own distributive education club and this provides them with some social as well as business activity. During the past year, many speakers were obtained from the business community. These men brought their many years of experience to the group, helping to enrich the program to a large extent.

The club officers this past year, were Adolf (Sonny) Mogavero, President; Harold Hyde, Vice President; Warren Howard, Secretary; and Randolph Chagnon, Treasurer. Other members of the class who were also awarded certificates for successful completion of the course were Harold Brown, Richard Campbell, Robert Campbell, John Galasso, James Lee, Harry Legrow, William McPherson, Robert Mallard, John Manning, Edward Morris, John Mucci, James Vangel, and James Young.

These boys obtained part—time work with the following cooperating stores: Raymond's of Boston, Superior Drug Company of West Medford, Thayer—McNeil Shoe Company of Boston, Star Market in Medford, Army and Navy Store in Medford, Goodrich Silvertown Store of Somerville, Corcoran's in Cambridge, Sears Roebuck of Cambridge, Saval's Department Store in Medford, Cherkas' of Malden, First National Stores in Medford, Stop and Shop of Medford, Filene's of Boston, and W. T. Grant's in Medford.

House of Delegates

At the beginning of every school year, one student from every home-room is elected to serve as a member of the House of Delegates. He is responsible for presenting before the "House" any suggestions from his home—room classmates. Here, the members express the thoughts of the student body.

Together with their advisor, Mr. Pidgeon, these boys and girls co-operate to the utmost with their fellow board members and try to fulfill the duties for which they have been elected.

They have all proved their unselfishness as they led two very important drives here at Medford High School, the Junior Red Cross and the March of Dimes. They have always contributed generously to the success of the senior class by selling tickets for the play, the prom, and the talent show.

Honor Society

The members of the Phi Alpha Epsilon chapter of the National Honor Society were selected by a faculty committee for their high scholastic rating and their qualities of dependability, leadership, and character. During the year the group's most important achievement was the revising and editing of the Blue and White Handbook under the supervision of Miss Mary A. Rowan.

At a formal installation, to which both parents and students were invited, the officers in an impressive ceremony inducted new members.

The Society closed its third year at Medford High with its annual May banquet.

Library Staff

Although most people would get tired answering every question asked them, the girls on the Library Staff always smile and do their best to help everyone. They are always willing to take time out to help a student find "Who Killed Macbeth?" in that unforgettable book, or "Who was the Secretary of State during Coolidge's administration?" However, their work does not end there; they also do reference work, mend all books and pamphlets, check attendance, and above all, make the library attractive. Under the capable guidance of Miss Hardy the Library Staff benefited both themselves and us, their classmates.

COOPERATIVE OFFICE TRAINING GROUP I

COOPERATIVE OFFICE TRAINING GROUP II

Cooperative Office Training Groups

The seniors who are in the Office Cooperative course in the Medford High School enjoy the distinction of being in the only course of its type offered in New England.

These pupils work on an alternating two week plan. Two weeks are spent in the business office and two weeks in school. Close supervision by the school and business is the rule so that the training in the school work is carried over to the experience gained in the business office.

The many publications sponsored by business complimenting this plan are sufficent proof of the satisfaction resulting.

The graduates of the school who were so trained have made splendid records in business. Our present seniors are frequently pleasantly surprised to receive the information that the girl in charge of her work is a former M. H. S. office "co-op."

Girls' Club

The object of the Girls' Club is to unite the girls of the school in a stronger bond of friendliness in order that they may be of greater service in their homes, school, and community. The girls meet the fourth Thursday of every month under the direction of the two advisors, Miss Kelley and Miss Dyer.

The emblem of the club is a six pointed star surrounding an "M". Each point symbolizes six major methods of improvement.

The activities this year have included two outings, one in September, another in May, a tea for the mothers in October, a Christmas party for twenty-five elementary school pupils, and finally the annual May banquet.

Business Girls' Club

The Business Girls' Club of Medford High School has successfully completed its thirteenth year as an organization for stimulating higher ideals of business education and for providing opportunities of a social nature for those senior girls who have preparations for business as a common interest.

This year's activities include a demonstration of touch typewriting performed with one hand by a disabled veteran and a typewriting contest in which the first and second place winners were awarded gold and silver pins. A visit to State Prison in Charlestown has become a yearly event and the seeing of the facilities of such an institution and the learning of its history provides an unforgettable experience. A theater and dinner party were also a part of the year's program.

The emblem for the Business Girls' Club is a bookshaped pendant with a rose and quill in the center.

Canteen Committee

After five days of studies and tests, everyone eagerly awaited Saturday evening. All loyal Medfordites gathered at the boys' gym which is converted into a wonderful dance floor. Here they met all their schoolmates and out-of-town guests. Although the records included all the latest dances and songs, if we could find the ones which were worn the thinnest, we should see that the favorites were "Don't Cry, Joe"; "Blueberry Hill"; and "Lady of Spain." Every holiday was a big event to which all the "Canteeners" eagerly looked forward. The favorite novelties were floating balloons containing money.

The Canteen Committee, whose duty it was to check coats, sell cokes, and play requests, consisted of twenty-two girls under the direction of John Bryan. These girls who gave up many dances and much of their time to see that everyone enjoyed himself deserve much credit and praise.

M Club

The Medford High "M" Club is an organization of which the school can justly be proud. For years it has been an outstanding group. Composed of sophomores, juniors and seniors, who have won a varsity letter. The boys met each Tuesday for lectures and motion pictures on different sports. In addition to these meetings the club sponsored a fall dance and two talent shows. Under the guidance of Mr. Thomas O'Connor, the club strives to uphold a respect for the letter "M" and to develop good sportsmanship.

Home Economics Club

All senior girls in a class concerning any phase of home-making are eligible to join the Home Economics Club, under the direction of Miss Baker, Miss Hendry, Miss Fuller, and Miss Rice. The aim of the club is that the girls should have a good time while increasing their knowledge of Home Economics. The club has had many interesting speakers, dealing with all types of household care.

Some of the projects of the club were an unforgettable visit to the House of the Seven Gables, a memorable Christmas party at which Doris Batchelder was jolly old Saint-Nick, two exclusive fashion shows with our own girls as models, a theater party, and a delightful picnic at Nahant early in June.

This was truly one of the most active clubs in the school as any of the following members will admit:

Band

The Medford High School Concert Band is one of our outstanding extra-curricular activities. The members have found places for themselves after progressing through the four minor bands established by the Music Department. Since its formation the Concert Band has held top honors in State, New England, and National Contests.

The band has played at the football games and rallies and at the Christmas Assembly. Other activities included the Concert featuring the Mustangs, the Joint Concert with the Deering High School Band of Portland, Maine, the Annual Medford Music Festival, and a series of five Square Dances. Spring plans consist of a trip to the MacDowell Colony, Peterboro, New Hampshire

This rewarding activity is due to the assistance of the Band Parents Association and their fine cooperation with Mr. Schoonmaker, the highly respected and capable director. A Planning Board of the seniors completes the organization of the band.

The Italian Club, under the capable supervision of Miss Josephine Bruno, is open to all students taking Italian. Its purpose is to help the students to learn the customs of the Italian people, to study the cultural aspects of Italy, and to provide its members with a knowledge of Italians and of Italy which cannot be found in textbooks alone. The club each year has an interesting program which includes a Christmas party, seeing Italian movies, and visiting the Museum of Fine Arts. The most outstanding event of the year is attending an opera by the Metropolitan Opera Company of New York. Protective Department

The Protective Department, with Edwin F. Pidgeon as faculty advisor, conscientiously carried out its duties by enforcing school rules. Among these duties were acting as guides for visitors, preventing students from eating outside the lunch room, and controlling the use of corridors during recess. Throughout the year this organization was prominent in keeping the school in order and maintaining high standards of safety and neatness among the students.

Afterward

At the Crossroads

"You to the left and I to the right,
For the ways of men must sever —
And it well may be for a day and a night,
And it well may be forever
But whether we meet or whether we part
(For our ways are past our knowing),
A pledge from the heart to its fellow heart
On the ways we all are going!
Here's luck!
For we know not where we are going."
