History of Class of 1951

Highlighted by many outstanding achievements, the history of the Class of 1951 is a record to which one may point with pride. For, during their three years at Medford High, the members of the Class of '51 have always led the way, displaying again and again their ability and leadership in every field.

Once the first few bewildering days of the sophomore year were past and everyone had become familiar with the school's many nooks and crannies, the class soon began to function as a well-organized unit. Class elections were held and the results found Eddie Christmas as president; June Fleming, vice-president; Mary Mitchell, secretary; and Edward Gaudette, treasurer.

Scholastically, the Class of '51 did extremely well in its first year at Medford High with a large number of its members making the honor roll.

Social events included a roller skating party and the Sophomore Hop, while the year was brought to a close by a gay outing at Canobie Lake.

Back to school in the fall as juniors, the Class of '51 continued to make a name for itself about Medford High, not only in the many clubs and organizations but also on the various athletic teams.

Junior year class officers were Fred McCauley, president; Joan Greenleaf, vice-president; Jane Copeland, secretary; and Joe MacDougall, treasurer. The Junior Prom, social high-spot of the year, filled the gym to capacity with those who danced to the music of Gene Dennis and his orchestra.

Another of this year's memorable events was the induction of twenty juniors into the Honor Society, one more instance in which the high scholastic standing of the class was displayed.

With high hopes and an abundance of enthusiasm, the Class of '51 began its busiest year of all — the senior year. Officers for this final year consisted of John Lecomte, president; Ginny Guerra, vice-president; Pat Murray, secretary; and Ray Wykes, treasurer.

The senior year social calendar was a crowded one, extending both to class activities and club functions. These latter included theater parties, excursions, dances, and banquets. The big dance was, of course, the Senior Prom, a highly successful affair for which the gym was transformed into a blue-crystal ice palace by means of skillful decorating.

Finally, after three long years of waiting and working, came graduation week; the class outing to Provincetown, the Senior Reception, Class Day with all its gaiety, and at last, graduation night. This was what we had for so long planned on and hoped for — graduation! The history of the Class of '51 was complete!

This, then is the story of the Class of 1951, a record to be proud of and one to be envied. It has been a long way from our first day as sophomores to the time when we received our diplomas on the stage, but it has been a pleasant and enjoyable one. May we always cherish these memories of our high school days and look back with pride and pleasure upon them to say, "This was our Class!"

The Mustangs of 1950, in spite of a statistically poor 1-6-2 record, merit nothing but the highest praise. Although riddled by injuries and frowned on by fortune, the team was a credit to Medford High School wherever it played.

On several occasions, when at full strength, the squad showed flashes of its brilliant potentialities. Outstanding among these were its 6-6 stalemate of a powerful Arlington eleven, and its 7-0 loss to Malden. Both these games, with the slightest smile from Lady Luck, might have very easily resulted in victories for the Blue and White. In the Arlington game, for instance, with a first down on the Arlington three yard line, time ran out in the Malden game, but for one trick play on which Malden made its only score. Medford was clearly the better team, outplaying its traditional rival at every turn.

Special accolades are in order for Guy Martarano, who, in recognition of his fine play, was elected All-Scholastic right tackle.

Heartiest congratulations for a job well done should also be extended to Coach Prior, his able assistants, Mr. Sullivan and Mr. MacDonald, and to all the members of the team who helped make the 1950 football season the grand success that it was.

Cheerleaders

The Medford High School Cheerleaders, chosen for their ability, poise, and voice, cheered our "Mustangs" on to victory throughout the football, basketball, and hockey season with their peppy yells.

All M. H. S. was present to celebrate the dance given by the cheerleaders Football Night to help raise funds for their new uniforms.

How snappy our girls looked in their new uniforms when they won the much-coveted Eastern Division Cheering Trophy at Belmont, December, 1950.

Soccer

Despite the loss of letterman goaltender Tony Gaeta, who was ably replaced by young Ron Cavanaugh, Medford High's soccer squad came through an arduous season in fine fashion. Under the capable tutelage of Coach Al Stillman and the leadership of Co-Captains Dave Conlan and Joe Capello, the boys finished with a 6-6-1 record.

Games which high-lighted the season were the Harvard, Andover, and Exeter tilts. The Harvard clash was a hard-fought game, played down to the wire by both teams. In spite of two overtimes in which neither team could score, the game finished in a 0-0 deadlock. Equally exciting were the Andover and Exeter games. Although losing both, 3-1 and 2-1 respectively, Medford played terrific soccer in both these knockdowns.

Graduating seniors are Co-Captains Dave Conlan and Joe Capello, Dick DiMartino, Andy Reny, John Cardarelli, Fran Communale, Mike Sceppa, George Anderson, Ronnie Beard, Andy Colagero, and Stanley Marson.

Track

The year 1950-51 in the annals of Medford high track may well be termed the Year of Inches. Paced by their co-captains, John LeComte and Ronald Beard, the varsity tracksters of Coach Henry D. Hormel just missed having one of the greatest seasons in MHS dual meet history. The elusive one-point margin made the difference in three of the meets and one was decided by but two points.

Watertown, titlists of the Met League in 1949-50 were the first victims of the Mustang trackmen in a $39\frac{1}{2}$ - $37\frac{1}{2}$ meet that kept the spectators in doubt as to the winner until the relays were run. Co-captain Johnny LeComte tied the 300-yard record, in this contest. The Arlington dual affair, another one-pointer 39-38, favor of MHS, had the same down-to-the-last-event interest as the opener. John McGrath again took high jumping honors and Co-Captain Ron Beard came home winner in the 600 yard run again, while Co-captain Johnny LeComte nipped the 300 yard record.

In the outside meets the Mustangs scored a signal victory in the Northeasterns when LeComte defeated the favored state 440 champ in the 300 yard dash with the blazing fast time of 33.6 seconds. In the State meet, Ron Beard anchored the relay team to a fourth place

among some exceptionally fast quartets from all over the state. All in all it added up to a great year, one that could have been even greater but for an inch or two.

Due to the fact that this review, in accordance with the printing deadline for the Yearbook, is being written before the baseball season has started and before the squad has been selected, it contains very little more than that which is advanced on this page.

Coach Terrill's call for ballplayers was answered enthusiastically by the senior class of 1951 — thirty boys appeared to vie for positions. These thirty, plus the large number of sophomore and junior candidates, will make Mr. Terrill's task of choosing the squad difficult but pleasant.

A tough twenty-two game schedule, starting on April fifth and closing on June first, has been prepared. The Blue and White will no doubt be hard pressed occasionally. Aided, however, by the stellar performances which the members of the class of '51 are sure to contribute, the outlook is bright; even though it may lose, M. H. S. shall never be beaten.

Hockey

Medford High's hockey squad, under the tutorship of Coach Prior, came through a tough season in fine fashion. With only four veterans to carry the club, Coach Prior had to break in a pair of defensemen. He did a great job on Tom Power and Jack Geary, who proved to be two of the league's best defensemen. Ed Calo, undoubtedly, was the offensive spark for the Blue and White, scoring all but eight of the team's goals. Capt. Dave Conlan was, of course, the outstanding defensive factor on the team.

Representing Medford on the All-Star team were Ed Calo, Dave Conlan, Tom "Butch" Power, and Fran Wall, all gaining positions on the "B" team. Ed Calo got the "hat trick" in one of the games, while Dave Conlan had two shutouts to his credit.

The varsity basketball team turned in its best performance in several seasons this year, winning nine games while losing only six. Under the excellent handling of coach Leo Ap-
piani, the team took third place in the B. B. I. League.

Since the junior varsity also enjoyed an excellent season, it appears that Medford will improve even more next year. The three top scorers were Capt. John Capavella with 251 points, Capt.-elect Ronald Cavanaugh with 213, and John McGrath with 123.

Girls' Sports

Although the girls' sports are not as actively recognized as the boys' sports, they are just as exciting. Under the careful direction of the gym teachers, Miss Ellard, Miss Stewart, and Miss Luce, any girl, skilled or otherwise, with a friendly cooperative manner, may participate in after-school sports and enjoy an hour or more of good, wholesome fun.

The girls' sports consist of tennis and volleyball in the fall; basketball, badminton, and bowling in the winter; and softball in the spring. Any girl who has participated regularly in any one of these activities is entitled to an insignia. A total of four insignia or twenty points, five points for each activity is rewarded with an emblem worn on a sweater or jacket signifying sportsmanship and cooperation.

For the most part the competition is intramural with occasional games with other schools. The winning grade in the intramurals of each sport is given a banner. If one grade is successful enough to win four banners in any four sports, an intramural banner with that grade's numerals is hung in the gym.

During its sophomore year, the class of '51 won banners in tennis and badminton, in its junior year it won them in tennis, volleyball, basketball, and badminton, which entitled it to the intramural banner.

The following girls have won emblems and have made it possible for the class of '51 to win the banner.

Tennis

Every year tennis is the sport that gets athletics underway for the girls of Medford High School. It is a fascinating sport of speed and split second timing, together with precision of strokes and agility.

This fall sport was met enthusiastically by the one hundred girls who took part in it. For those who were beginners there was instruction by the tennis coach, Miss Luce, who began with the fundamentals of the game and ended with the finer points. For the non-beginners and advanced players there was an intramural doubles tournament won by Phyllis DeSemeone and Carol Graffeo, class of '51, with Patricia Collins and Catherine Perry, runners-up.

Girls' Spring Sports

Spring is here! Now at long last we can go outdoors for our spring sports including badminton, tennis and softball with our able coaches Miss Luce, Miss Stewart and Miss Ellard to instruct us. Our first activity, badminton, loved by all, is welcomed enthusiastically by the athletic girls. The gym teachers instructing their individual classes teach them all their knowledge of the sport. After this instruction the classes play among themselves and finally a victor emerges.

As soon as badminton is completed, our athletes then continue with the fatiguing game of tennis. This sport takes place two or three times a week and with the ever willing assistance of our gym teachers, the girls learn a great deal. The tennis season is very short and it is not long before one hears someone shouting, "batter up". This is a sport that the majority of the M. H. S. girls enjoy. Softball, a most exciting sport for girls attracts many athletes and brings forth the best sportsmanship ever seen. In all the girls sports at M. H. S., there has always been a large number of athletes trying out for the various teams, and if our gym teachers continue to show such enthusiasm as they have in the past, there will be even greater numbers in the future.

Under the leadership of Mr. Ralph I. Schoonmaker, the Medford High School Band has completed another of its highly successful seasons. The band's music at the football games and school assemblies provided a stirring atmosphere. A highly enjoyable concert tour, including participation in the New England Music Festival and the Eastern Massachusetts Festival, a concert at the Music Educators' Convention, and a combined concert with the Deering High School Band of Portland, Maine, was climaxed by a trip to Washington, D. C.

Directed by Mr. Mockler and composed of pupils interested in the operation of motion picture projectors the Projectors Club is one of the busiest and most active groups in the school. Members of this club operate the motion picture projectors for all audio-visual programs, both in the auditorium and in the individual classrooms. During its short existence, the Projector Club has rendered through its activities a great service to the school.

The members hold interesting meetings at which they learn about various cameras and their operation, how to develop and print their own negatives, and how to take better pictures. This year they exhibited a photographic display in the library, took candid shots of the Proms, and continued the job of furnishing their newly remodeled darkroom with necessary equipment. COOPERATIVE OFFICE TRAINING GROUP I

COOPERATIVE OFFICE TRAINING GROUP II

Cooperative Office Training Club

The Cooperative Office Training Course is offered to senior girls who wish to obtain a more complete knowledge of the business world than the classroom affords. To qualify for this class, girls must have above-average grades, good attendance records, favorable recommendations from teachers, and the signed permission of their parents.

The class is divided into two groups which work on a two-week alternating schedule. One group reports for work in business offices while the second attends school; then, the positions are reversed. The girls receive the regular starting salary and are carefully supervised while at work. Employers send rating sheets to the school pointing out the girls' abilities and deficiencies, which enables the school to give special attention and instruction to correct each girl's weak points. This working experience not only offers the girls sound, practical business knowledge, but it also gives them the opportunity to learn the grooming and personality traits which are so much a part of the successful business girl.

Much credit for the success of this new type of program is due to the tireless efforts of the class advisor, Miss Roughsedge. Thanks to Miss Roughsedge and the girls of her Cooperative Office Training Class, Medford High continues to lead the schools of this area in the field of business education.

The Girls' Distributive Education Class has enrolled in its membership twenty senior girls who were selected because of their special aptitude for this type of work — relating. This is the ninth class to be graduated from our Distributive Education Course.

The subjects studied by this group are: retail selling, merchandise information, economics of retailing, store organization, store arithmetic, color, line and design, fashion, advertising and display. The members of a D. E. Class receive valuable work experience each day, and on Saturday working in department stores, and specialty shops. The retailers who hire our girls on this training program are most enthusiastic, and are anxious to cooperate because many of the girls become potential candidates for buyers' positions and for display and advertising positions in their stores.

The class is closely supervised in the stores by the supervisors of the Training Departments and also by their Teacher-Co-ordinator, Mary Isabelle McKay. The class "earns while it learns" and most of our girls earn as much as \$700.00 in a school year.

Distributive Education - Boys'

The boys' cooperative work program in Distributive Education entered its second year with an enrollment of 21 boys.

Under the instruction of their teacher-co-ordinator, J. Walter Langley, the students covered the following subject material: Economics of Retailing (store mathematics, store system, store organization and management); Sales techniques (retail selling, advertising and display); and Merchandise Information (Textiles and non-Textiles). They also received instruction in related English, Hygiene and Physical Education.

In addition to their school work the boys are privileged to work in stores in the afternoon and evening hours for which they get school credit as well as being paid the prevailing wage for part-time employment. This enables the student to put into practical use the instruction that he receives in the classroom. Upon graduation, if he has proven himself a good worker, he is in a position to accept full-time employment on that job through mutual agreement with his employer.

During the school year, his work on the job is closely observed by the teacher-coordinator who confers with the employer periodically in an effort to correct any apparent weaknesses which might prevent him from being successful at his work. Through the cooperative effort of the school and employer, therefore, the student stands a better chance of advancing in his chosen work.

The boys have a distributive education club and meetings are held on the average of twice a month. The club officers this year were: President, Vito Cremarosa, Vice-president, Roger Peak, Secretary, Robert Thomas, Treasurer, John Perry. Room delegates were Richard Marzino and George DiMambro.

Other members of the class who were also awarded certificates for successful completion of the course were: Thomas Bombace, Robert Looney, Kenneth Lowry, Walter McCarthy, William McKeon, Harold Mabardy, Alfred Marrocco, Theodore Miller, Donald Moor, Frederick Moore, William Murray, Fank Nuzzolo, James Quinlan, Matthew Ritchie, and Matthew Willard.

These students obtained part-time employment in the following stores: R. H. White Co., Boston; Raymond's, Inc., Boston; A. & P. Tea Co., (Arlington, Somerville, Cambridge and Medford); First National Stores, Boston; Star Market Co., Medford; Mabardy Ice and Fuel Co., Medford; DePasquale Bros., Medford; Ronny's Dress Shop, Medford; Publix Market Co., Somerville; R. H. Stearns Co., Boston; Gilchrist Co., Medford; Sears, Roebuck Co., Cambridge; Enterprise Department Store, Cambridge, and W. T. Grant Co. of Medford.

House of Delegates

The House of Delegates is a student governing body consisting of a representative from each home room in the school. Each representative is elected by majority vote in his particular home room. Through the united cooperation of the members, student criticisms, comments, and ideas are expressed and acted upon accordingly. If a proposed idea is favored in the House of Delegates, the bill is brought forth to the Student Council where it is considered and if greeted favorably is sent to the Headmaster for approval and adoption.

Because of the sickness and resulting death of Mr. Carlson, the activities of the club during the latter part of the year were limited. The whole school will miss very much the passing of Mr. Carlson, especially the Science Club to which he contributed so much of his time and knowledge.
