PAUL S. CHALMERS

President

The class of 1959 has had three sets of extremely capable class officers. Outstanding for their leadership and services, they contributed much toward making our high school days memorable.

In our first year at MHS, after electing officers and efficiently collecting the dues, we had the Sophomore Hop "Blue Fantasy." Everyone enjoyed a delicious dinner and the lovely music provided by Felix Catino.

As juniors we had a wonderful time at our dinner dance in March. With beautiful decorations, a banquet, and sweet music, this prom was truly "An Affair To Remember."

In January of our senior year we had still another wonderful prom — "When The Blue of the Night Meets the Gold of the Day." Class officers, advisors, and members of the Senior Advisory Council had all planned well for this affair at the armory, and it was an evening enjoyed by all who attended. Then, as our last year at MHS drew to a close, was senior week. The events of this week, especially the gala Senior Reception, will always remain as the exciting climax to our three happy years at MHS.

Reaching for the Stars

Tonight we have finally attained the long-awaited moment of our graduation from the Medford public school system. Tonight we have finally come to the end for all time of our high school life. Now we shall begin to engage ourselves in the stiff competition of life, whether we choose an occupation or enroll in a college. Now we shall begin to put into practice all those ideas which our friends, our parents, and our schools have instilled in us from our earliest memories; and now we shall begin to reach for the stars . . . for our ideals . . . for all those things which we have hoped and dreamed of accomplishing in the future. We shall begin to search for security, for success in life, and for true happiness. None of us will ever attain all the stars we reach for; we are only human; and we shall all have times of fear and disappointment, of distress and despair. Yet, we shall also derive fun and happiness in great abundance from the many people whom we know and love; and it is this deep enjoyment which we have in life, along with the faith that our continuous striving will bring to us something greater than we have ever known before, that gives life its value and meaning.

Man has been reaching for his personal stars in this sense from the very beginning of his existence on earth. Within our lifetime, however, we have seen man begin to reach for the stars not only in a manner of expression but also in a literal sense. Perhaps the darkest time in our young lives was the first dreadful month in which we looked up and saw a new star in the sky — the star of Communism — Sputnik. Now that we know that America is also advancing in the exploration of space, however, we can look back on the once feared event and realize that it was actually one of the most outstanding and inspiring events in the history of mankind. For October, 1957, marked the beginning of the Space Age. In that month a new frontier was opened by the Russian scientists before our eyes — a frontier so vast that we cannot comprehend its limits — a frontier that we have always been able to see but have just begun to explore. Yet, problems as difficult to solve as space is to explore, arise. When man reaches in this scientific sense for the stars above, will he do so without using weapons of space against his fellow man as he has used weapons here on earth? Will

venturing into space merely increase the danger of man's ultimate destruction of man?

At this point is formed the link between reaching for our personal stars, ideals, and reaching for the celestial stars. Both require ambition; it is our ambition that inspires us to accomplish the goals which we set for ourselves; but there is only a thin dividing line between true ambition, the honest effort to advance our interests with the good of our fellow man in mind, and false ambition of greed, which puts personal advancement paramount to the rights and feelings, sometimes even the lives, of others.

We see examples of ambition in its false sense all around us. In our personal lives we see ruthless people who want so badly to get money and prestige for themselves that they care little whom they hurt in carrying out their plans. On an international basis we see two powerful countries — our own and Russia — so strongly engaged in an exhausting struggle to outdo one another, both in space and on earth, that they meanwhile are alienating the other, smaller nations of the world. Thus we see how overambition in reaching for the stars distorts our reach so that the attainment of happiness and success is blighted by the methods we use.

More important to us are the examples of ambition in its true sense, that aspiration which has stimulated men to seek humanitarian goals. Such ambition inspired Thomas Edison to work many hours a day, with little thought for food or sleep, until he finished in his laboratory the first electric light bulb. Such ambition inspired Madame Curie to spend years in deep research and patient exploration until she finally revealed to the world the element radium. Such ambition inspired Jonas Salk to make long, careful studies of types of virus and finally to produce the effective vaccine against the crippling, killing disease, polio. Even on our level, this is the ambition which is really worthwhile and valuable: the reach for stars with the interests of all foremost in our hearts.

Surely the real key to reaching successfully for the stars is tempering such an ambition for worthwhile advancement with an understanding and appreciation of how those around us are likewise to go ahead without mutual understanding with searching for happiness and success. If we try other people, we shall hurt and anger these people and mar their happiness. In this way we arouse in others envy . . . jealousy . . . hatred . . . those qualities which cause such bitterness and sorrow in life and which for a time seem to blot out the good in life. This very lack of understanding among people causes the quarrels and the jealousies which spring up among nations and which often lead to wars. Yet, in the light of our constant fear of an attack by Russia and in the light of personal setbacks that we may suffer, it is always good to remember that throughout history man has kept on reaching successfully for the stars and that, although empires rise and fall, life goes on and slowly but surely improves.

Just one hundred years ago Carl Schurz, a political reformer of the day, spoke on stars and ideals. He said, "You will not succeed in touching them with your hands. But like the seafaring man on the desert of waters, you choose them as your guides and following them you will reach your destiny." Perhaps he is wrong in the sense that man may someday be able to fly among the stars. Nevertheless, he will always be right in the sense that as long as we have hopes and dreams of better things, we shall continue to choose personal stars, ideals, as our guides; and we shall strive to follow them and to reach for them; and we shall also strive to acquire a deeper understanding of life and of our fellow man in order that our reach may be a surer reach. Certainly it is our high ideals and our search for understanding, along with our deep enjoyment of human contact, that have made America great; that have made people everywhere so wonderful to know; that have made life so worth living.

The Great Awakening

Tonight with the receiving of our diplomas we are culminating twelve years of hard work and industrious application. Tonight is an occasion of joy and yet sorrow, of anticipation and yet fear, of hope and yet despair. For we are making a transition from childhood into adulthood. Everything we have done thus far has been to prepare us for the future. No longer are we to be sheltered from the world by our parents, for now we must face life with all of its pleasures and pitfalls. Upon us will rest the responsibility of educating the world to act in peace. Upon us will rest the responsibility of acquainting people from foreign countries with our customs and ways of life. Upon us will rest the responsibility of developing our potentialities to the greatest extent. Only through the successful completion of these duties may we hope to achieve true happiness.

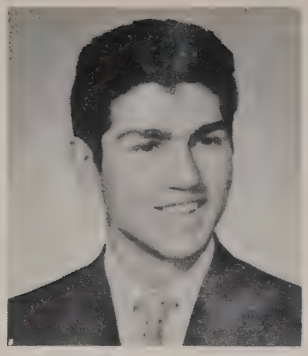

During our lifetime we have been very fortunate because we have had relatively few entanglements with foreign powers. There has been, however, an increase of tension; and many crises have arisen since the advent of the nuclear rocket and the earth satellite. It has become increasingly imperative that the United States and her allies prevent an outbreak of fighting at all costs, for with modern weapons such an outbreak would be disastrous. All of us have our part to play in maintaining peace, either directly or indirectly. We must spread good will and understanding to those people who are unfamiliar with our customs. We must educate those persons living in undeveloped countries, for ignorance breeds prejudice. We must remember that now more than ever the only chance for survival is through a world united in peace and friendship.

As future leaders of this country we shall be called upon to make many decisions which will affect many people. It is essential, therefore, that we develop our minds to the greatest capacity. This does not mean just an accumulation of knowledge, but rather the application of knowledge to life. One of the most grievous faults of our society today is the fact that people are rapidly losing their individuality or their ability to form their own opinions. This must not happen, for it is through individuality that the world receives most of its ideas and inventions. It is through individuality of thought that man conceives his most artistic creations. A civilization without individualists would indeed become stagnant, for it is the person who thinks for himself that does the most to benefit himself, his family, and his country.

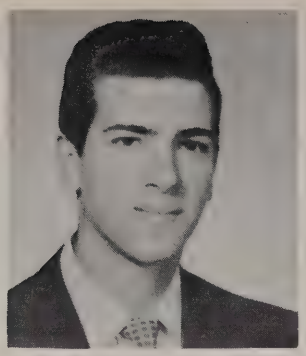

We as human beings must exercise caution, however, when seeking to become individualists; for just as being too conventional is injurious, being too individualistic is also undesirable. A person cannot become too radical in his thoughts and actions, for if he does, society turns against him. One must learn to be moderate in all undertakings or otherwise suffer the consequences. Moderation does not mean that we should sacrifice our ideas to conform to society's demands, but rather it means that we must learn to temporize our actions to make life pleasing and rewarding. A person who adheres to the doctrine of moderation is able to suffer life's misfortunes but still continue to go forward while persons of too radical a tendency have difficulty in rising above their failures. Those individuals who are too radical in their thoughts and actions never seem to achieve the peace and contentment which they so tenaciously seek.

Actually peace and contentment are what we all strive for in life. Everything we do leads up to this ultimate purpose. Each of us has his own conception of what happiness is — wealth, position, numerous luxuries. Those material gains do have a great part to play in achieving happiness, but they alone are inadequate. Man finds his true happiness through a firm belief in his religion, through a sense of a job well done, through his loyal friends, and through his loving family. This is in reality the true happiness. One of the greatest hindrances to happiness, however, is vaulting ambition. Ambition itself is a wonderful incentive for achievement; but when a person has too much ambition, his sense of values is sometimes obscured by his avaricious desires. A person to be happy in life must be able to seek his desires, but also he must be able to accept defeat gracefully. We must all find happiness if our lives are to be successful, for without peace and contentment life is not worth living.

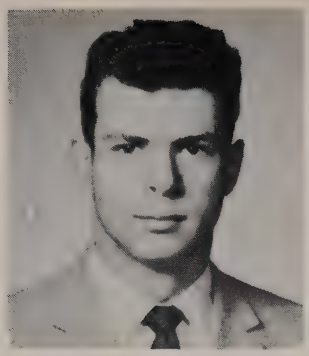

Thus we see that there is much for us to do in this world of ours. Some of it we will accomplish; the rest we shall leave for the next generation. But now as we start out on the threshold of a new adventure, let us all remember that the future of our nation depends on us because we are the future.

Slide Rule Club

We welcome a new club to the extra-curricular organizations of the high school.

The direct object of the "Slide-Rule Club" is to instruct those students with a solid background of mathematics, the many and varied principles and uses of the slide rule. Since entering college freshmen in the engineering curriculum are expected to be familiar with the uses of the slide-rule, the voluntary instruction may save many hours of unnecessary work at a later date. Membership is open to any student who has solid geometry and trigonometry in his course and anyone who plans to attend engineering school. The direct aim for the future is to increase the membership and explore fields and occupations in which the slide-rule is used.

SPORTS

CAPTAIN LARRY SCORES A T.D.

Football

Medford 6 **Watertown 6**

The Medford High Mustangs opened their 1958-1959 football season by playing to a 6-6 tie with Watertown. Although Medford dominated the play through most of the game, their several scoring chances were dimmed by numerous penalties and fumbles. Medford opened the scoring in the first period when Captain Larry Vass ran around right end for 24 yards and 6 points. Larry Vass and Frank Gagliardi looked very good in the first game of the season.

Medford 13 **Chelsea 0**

Medford High won its first home game of the season by defeating Chelsea, 13-0. Medford displayed a strong line led by Walter Buckley, George Pagliuca, Phil Thoman, Andy Bonaventura, and Charles Spencer. Because of this great line, Chelsea was able to cross into Medford's territory only three times; the farthest penetration was to the thirty-seven yard line. Larry Vass played his usually fine game both on offense and defense. Vass scored both touchdowns, one on a thirty-five yard pass interception and the other on a two-yard rush. Gerry Looney kicked the extra point. Also drawing praise from the coaching staff were backfield men John Citrano and Lou Perella. Coach Walsh's home debut was a success.

Medford 6 **Somerville 38**

The Blue and White went down to its first defeat of the season at the hands of a strong, highly touted Somerville team, in a game marked by fine passing and aggressive blocking.

After George Pagliuca had intercepted a Somerville aerial, Medford set up its lone tally on a spectacular sweeping pass-play from spark-plug Larry Vass to end Charles Spencer. Seconds later Vass swept into the end-zone for the score. However, throughout the rest of the game the heavy Somerville line wore down the Mustang defenses.

Medford 0 **Weymouth 6**

The Mustangs came within minutes of holding heavily favored Weymouth scoreless before dropping a 6-0 decision to the invaders. The Blue and White appeared to be having considerable difficulty moving the single wing on the ground, the big gains all resulting from pass plays.

Medford had one scoring opportunity which came in the third period when they marched from their own 46 to the Weymouth 10, only to lose the ball on a fumble.

Outstanding work was turned in by Mafera, Bonaventura, Buckley, and Vass.

Medford 0 **Everett 25**

A strong, fast Everett eleven overcame an injured Medford team. The quick-moving Everett team took advantage of a muddy field to take a quick lead which lasted throughout the game. Despite the defeat, John Citrono played an outstanding game, throwing many important blocks. Shining on defense was Walter Buckley.

Lou Makes Yards

Larry Does Too

Medford 6 **Newton 50**

After a close first half, in which Medford held the opposition to eight points, the Newton Tigers cut loose and capitalized upon the Mustang's errors.

The outstanding play from the Medford viewpoint was the spectacular pass play for a touchdown from Vass to Perella. Lou caught the pass out of the hands of a couple of Newton men and continued at full speed for a TD. The play covered about 45 yards.

Men at Work

Medford 14 **Haverhill 24**

For three quarters of the game it seemed as though Medford would come through with the upset of the year. It was only in the final minutes that Haverhill capitalized on the breaks and scored two quick touchdowns.

Medford scored on a beautiful 55-yard pass play from Larry Vass to Charlie Spencer. The other TD came on a line plunge by Lou Perella. Two points after TD were on a short pass, Vass to Accomando.

Our boys handled the new T-formation effectively and deserved a better fate.

Medford 0 **Quincy 20**

The Medford Mustangs went down to defeat at the hands of Quincy, 20-0 in a hard-fought game. Although Medford did not crack the scoring column, they did not stop fighting until the last gun in an attempt to capture their second win of the season. Andy Bonaventura and Walter Buckley played well in the Medford line in a losing cause.

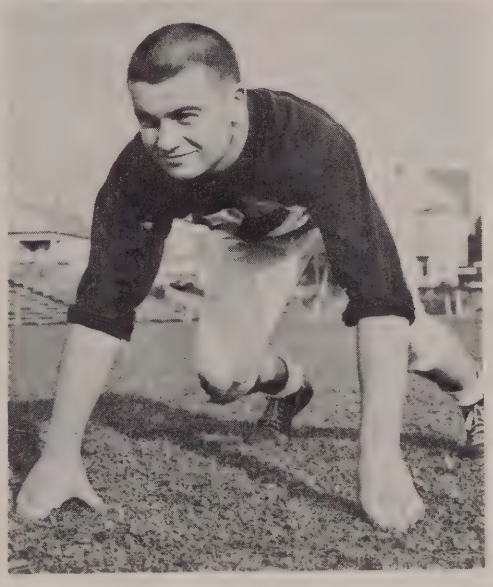

Medford 0 **Malden 26**

Ending its rather unsuccessful season, the Medford football team went down to defeat at the hands of a favored Malden High. The Mustangs had several scoring opportunities in the game, but they could not capitalize, as fumbles hurt most of their chances. The outstanding play of Bill Accomando, whose long punts forced Malden deep into their own territory several times, was one of the bright spots in the hard-fought contest. Making a valiant effort in the face of defeat were such Backs as Lou Perella, Larry Vass, and John Citrano.

CAPTAIN JOE DUNKS ANOTHER BASKET

Medford 62 **Weymouth 56**

Medford High opened its 1958-1959 basketball season by tripping Weymouth High, 62-56. Led by the great play of Lenny White, who hit for 31 points, half of the team total, the Mustangs took the lead in the first quarter and never fell behind. Although Medford ran its lead to as much as 20 points, a scrappy Weymouth team made a final bid in the last quarter, coming within 7 points of the Mustangs. However, the great play of Lenny White and Captain Joe DiMatteo prevailed, and Medford claimed its first victory of the season. The "clutch" play of Vic Garo and Tom Moore also contributed greatly to the win.

Medford 49 **Lowell 55**

Playing its second game of the season, the Mustang five dropped a close game to Lowell High. After trailing at the end of the first quarter, the Mustangs fought back to leave the court with a half-time lead of six points. In spite of the improved play of the current Mustangs, the manpower of the graduates was too much. Bob Lynch scored 8 in the losing cause.

Medford 51 **Somerville 86**

A high-flying Somerville team outscored the Blue and White in a high-scoring exhibition. Again Captain Joe DiMatteo was the Medford high man with 20 points. Lennie White was the only other Mustang in double figures with 16.

Medford 46 **Malden 65**

Medford failed to break its two-game losing streak by bowing to an inspired Malden quintet. Medford 47 **Quincy 74**

Medford's Tech Tournament hopes were dimmed when the Quincy High quintet before a large home audience turned in one of their better performances and handed Medford their sixth loss. Tim Dempsey and Lenny White led the Medford scorers with eleven points apiece. The entire varsity team saw action in this game. Missed was Bob Lynch, the tallest player on the team, who had been out with an illness and injury.

Medford 46 **Somerville 80**

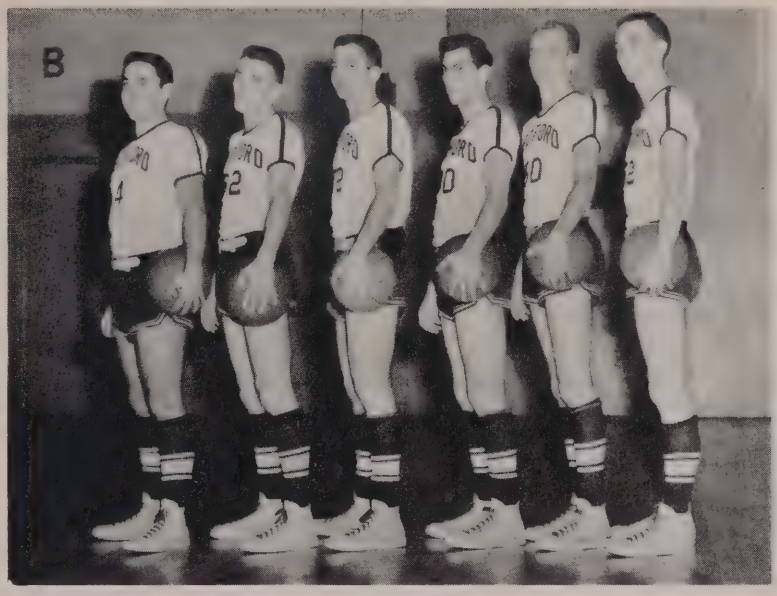

Tournament-bound Somerville proved too much for the Mustangs, but Lennie White put on a great display in garnering 23 points against the power-laden 1958 champions. DiMatteo and Dempsey just missed double figures with 9 apiece.

Medford 58 **Everett 76**

Medford played very well against the eventual Class A champions of 1959, but fell short of victory. Lennie White again led his teammates with 20 points while Captain Joe sank 19. Tim Dempsey continued to look good with 9.

Medford 60 **Malden 59**

Bay State Tourney

Medford entered the post-season tournament to give the underclassmen a chance for experience for next year. The Blue and White won the first game with Reading 73-49 but lost the second to Lexington, 53-49, in the last few seconds. White and DiMatteo scintillated.

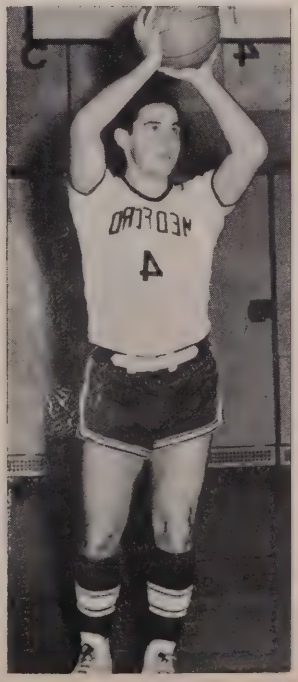

Faculty 33 **Varsity 31**

For the benefit of the March of Dimes a group of men teachers put on a hilarious show before an SRO crowd of more than 800 students, as they edged past the Varsity five, 33-31 in overtime. Led by Mr. McGrath, high scorer for the afternoon, the Faculty kept pace with the younger boys until the score was tied at the final buzzer. In the sudden death overtime the final basket was scored by the referee, Mr. Stillman, who, incidentally, is a member of the faculty of the high school. The Mustang five took this bit of collusion and the loss very well, for over seventy-five dollars was raised for a very worthy cause. Other members of the Faculty Fidgets were Mr. Downs, Mr. Moran, Mr. Sweeney, Mr. Looney, and Mr. Regan.

Accomando with 4, O'Neil and Nicoletti with 3, Collins with 2, and Goings Alexander, and Emmons with one each rounded out the point total of the Mustangs.

Medford 1 **Stoneham 2**

After a scoreless opening period for Medford, Dave Dalton opened the Mustang scoring in the second period with an unassisted goal at 2:52, to tie the score, 1-1. The Stoneham center scored the winning goal at 8:46 of the third period. Despite the loss, Mustang goalie Phil Thorman came up with a shining performance for the Medford six, making 26 difficult saves in the hard-fought game.

Medford 2 **Melrose 4**

Although Melrose handed Medford a 4-2 defeat, Medford looked its best to date as it forced a highly-rated Melrose team to struggle to win. Medford's first goal was scored by Dave Dalton, assisted by Sonny Rossi, and Medford's second goal was scored by Johnny Downs, assisted by Chuckie Kyle.

Medford's defensemen, Franny Callahan and Charlie Spencer, sparked in front of Medford's goalie, Phil Thorman, who came up with 27 saves.

Medford 2 **Arlington 5**

Although the first half of the game was close, Arlington's hockey team went on to hand Medford High's sextet a 5-2 whipping. Johnny Downs came up with the first goal at 5:12 of the first period, assisted by Kyle. Medford's second goal came in the third period when George "Sonny" Rossi tallied on a breakaway and beat the goalie; an assist went to Callahan on the play.

Medford 4 **Newton 2**

Coach Pete Brady's MHS hockey team scored its first win of the season. Sonny Rossi and Dave Dalton were the scoring aces for the Mustangs as they came up with two goals apiece. Assists went to Kyle and Clifford. Dalton scored at 3:26 of the first period and 6:46 of the third. Rossi scored unassisted goals at 7:11 of the first and 9:59 of the third.

Charlie Spencer and Fran Callahan were outstanding in front of Phil Thorman, Medford goaltender.

Medford 2 **Belmont 1**

Paced by goaltender Phil Thorman, the Blue and White scored its second victory and upset of the season with the win over Belmont. Coming back from a 1-0 deficit, Sandy Clifford tied the game at 8:54 of the first period. Sonny Rossi registered the big goal at 3:26 of the final period. For the rest of the game Spencer, Callahan, and Thorman came up with shining performances for the Mustangs. Assists were scored by Spencer and Dalton.

This was truly a great win for Medford.

Medford 3 **Rindge 0**

The MHS hockey sextet increased its winning streak to three games, beating Rindge, 3-0. Rossi scored the first goal at 7:49 of the first, unassisted. Sandy Clifford lit the lamp at 4:42 of the second, assisted by Downs. Downs finished the scoring at 6:13 of the third, unassisted. The shutout was the first of the season for goalie Red Thorman, who has sparkled in the nets.

Medford 1 **Melrose 5**

A strong Melrose team beat Medford for the second time this season. Medford's only goal came late in the third period when Johnny Downs slammed one home with an assist going to Franny Callahan.

Medford 3 **Andover Academy 4**

In a non-league game the Blue and White were edged by Andover, 4-3. Johnny Downs scored at 5:20 of the first period, assisted by Clifford. Spencer slapped one in from 40 feet out; Mahoney got the assist. Andover got two quick ones to tie the score; they also scored in the second period to go ahead. Sandy Clifford tied the game at 6:30, assisted by Kyle, but Andover again scored to nip the Mustangs.

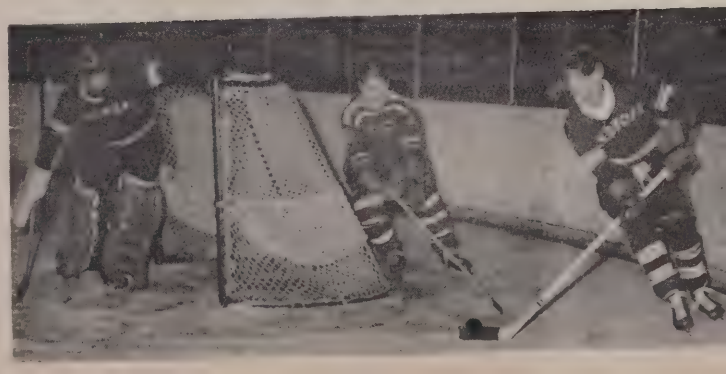

Medford 2 **Cambridge Latin 3**

A fluke goal from 90 feet out at 0:14 of the first period put Medford in the hole. It was 2-0 five minutes later. Then Johnny Downs put a beautiful shot by the Cambridge goalie at 7:15 of the second period for Medford's first goal; he was assisted by Mahoney. Behind 3-1, Sandy Clifford scored at 4:19 of the third period; again Mahoney assisted. Medford could not get one more goal as they rushed the puck.

Medford 0 **Stoneham 5**

In the first game of the second round the first period was close, with Medford outplaying Stoneham, but the Mustangs could not get going in the second and third periods. Stoneham outshot Medford, 31-8. Again Thorman, Callahan, and Spencer were effective in the game.

Medford 0 **Arlington 3**

Again a strong Arlington sextet beat the Blue and White. The Spy Ponders scored the first goal at 9:59 of the first period. The Mustangs played a strong second period but could not score. Bob Jones and Charlie Spencer were active in front of the cage.

Medford 0 **Belmont 5**

Belmont reversed the earlier result of the meeting of these two teams. Medford missed Sonny Rossi for this game. Dave Dalton and Johnny Downs played well for the losers.

Medford 4 **Newton 7**

Another first-half Medford win was reversed as Newton inundated the Mustangs. The losers scored four goals in the second and third periods, but Newton was too far in front by that time. Kyle scored unassisted at 5:36 of the second; Dalton, with an assist from Downs, lighted the red lamp at 7:28; Downs and Dalton reversed the order in the third; and Sandy Clifford did it with seven seconds of the game remaining.

Medford 0 **Rindge Tech 0**

The Mustangs played good hockey and kept the puck in the Rindge end of the ice for the greater part of the game. Only superior goaltending kept the Blue and White from scoring. Downs and Kyle did a great job offensively, while the entire defensive unit did well.

Medford 1 **Cambridge Latin 3**

The 1958 champs won the game, but the Mustangs played them hard and fast to the end. In the last period, with only 12 seconds of the league season remaining, Johnny Downs scored with a flashy goal, unassisted.

To the Medford team goes the credit for playing for all they were worth during the entire schedule in the face of adversity.

Medford 2 **West Point Plebes 7**

In this non-league game the Plebes were too much for our boys. Many all-scholastic hockey players of the 1957-58 season were on the Plebes.

For a period and a half it was a very good game, with the Mustangs in it all the way. Johnny Downs and George Rossi scored the two goals with Kyle and Dalton assisting. Jones and Spencer did a good job in front of goalie Red Thorman.

Vic Garo did an excellent job in his six innings of pitching, allowing only two hits and striking out six. He also led the Blue and White at the bat with two hits, including a double. Medford lashed out 18 hits and scored 16 runs in their first victory of the season. Fran DeAngelis and Al MacMillan led the Mustang offense with four hits apiece. Dick DelGaudio had three, including a bases-loaded double in the 5-run 7th. Winning pitcher Bob Celino helped his own cause in the 2nd with a long double to center field with the bases full. Medford sparkled defensively. A double play from Veitch to Franceschi to DelGaudio in the 2nd featured.

The Advisory Club has been organized since October of 1958. It has approximately 70 members.

The sole purpose is to get a great many students in the school to participate and contribute in any way possible for the setup of our yearbook and magazine. The members solicit ads locally. Since this club has been in existence, more magazines have been sold because of the greater participation of boys and girls in the Sales courses. The Distributive Education Club members are helping in the advertising.

The members pay dues at meetings which are held every week. Socially, this club is planning a tremendous party at the end of the year.

Mr. Zirpolo is planning to accept members in the junior class for the future expansion of the club.

Under the capable leadership of Miss Gertrude Roughsedge these girls undertook many entertaining, worthwhile, and educational projects. At Christmas time the girls had a party, and throughout the year they aided various charitable organizations in fund raising. Excellent speakers from the business world were brought to the meetings. These guest speakers were engaged in an effort to prepare the girls for their futures in the business world. At the banquet, which marked the end of another highly successful year, all the girls seemed to feel that the Business Girls' Club would become one of their most treasured high school memories.

The girls were also very fortunate in having a dietician from the Malden Hospital give an interesting talk on the proper foods to eat. Cake decorating by the Cushman Bakers was another feature of this club, and as a finale, the girls went on an outing to Canobie Lake. All in all, it was a very successful and enjoyable year.

Once again this year the M-Club, under the direction of Mr. O'Connor, performed its perennially successful program. At the first meeting three of the outstanding members were elected officers. The first order of business was the annual fall dance which was held in Gene Mack Gym. It was a great success and launched the club on its fund-raising campaign. This endeavor was followed by a spring dance which again fulfilled the expectations of the club. Deepfelt thanks are extended to all who attended the dances from the members of the Varsity M-Club of Medford High School.

NATIONAL HONOR SOCIETY

President: Leonard Colasanti

Vice-President: Linda Dixon

Secretary: Susan Kelfer

Treasurer: Carol Cook

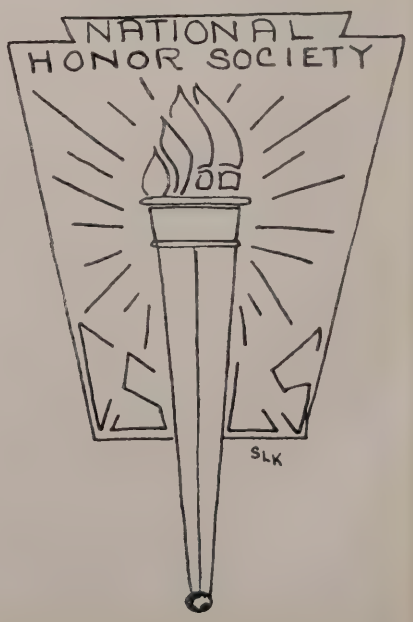

Advisor: Paul McNulty

The Phi Alpha Epsilon chapter of the National Honor Society, 1958-1959, was composed of forty top-ranking seniors elected either in their junior year or at the commencement of their senior year and twenty juniors elected in March. The selection of members to the society depends upon the four principles of its founding—citizenship, service, leadership, and scholarship.

Some of the year's more prominent activities were the annual Christmas party for underprivileged children, at which the youngsters received gifts, played games, and partook of refreshments. Other activities were a parent-member program, an alumni meeting, various services to school and community, induction of new junior members, and finally the outing.

At our meetings we heard many well known lecturers who discussed our prospects after graduation.

This has been an inspiring year for members of the National Honor Society.

PEP CLUB

Advisor: Leslie R. Carey

Co-Advisors: Cheerleaders

The Pep Club has completed its second year of organization. Interested sophomore, junior, and senior girls made up its membership and attended all practices called by the cheerleaders in order to learn old, as well as new, cheers. The members were also present at all sport functions and spurred the enthusiasm of the teams taking part. The traditional uniform of white sweatshirts with the Mustang insignia is now topped by the Blue and White beanies. The spirit and loyalty of the club have greatly aided the school's cheering section.

The members of the Steering Committee, Robert Smith, James Hormel, and Arthur Stukey, did a fine job in aiding the officers in the selection of program activities. Lectures, field trips, and demonstrations were but a few in which 150 members participated.

Social activities of the club included a Christmas party, a Sears & Roebuck dinner and award night, and a banquet which brought to a close a very memorable and busy year.

School activities in which the club participated included soliciting and selling of advertising in the LITTLE GIANT, the school magazine, and an Open House in which the members exhibited their work of the year.

In conjunction with the work done in the Distributive Education course, the club accomplished a great deal for themselves and for others.

The All-Girl Choir has been a most enjoyable and rewarding activity for its members and its audiences. At the State Music Festival the choir received its usual superior rating.

The 1958-1959 membership is the largest in the history of the choir. The 247 members, divided into special groups, entertained for a number of clubs and outside organizations, such as Rotary, Roberts Junior High School, and St. James.

Band

Advisor: Ralph I. Schoonmaker

Once again the Medford High School Concert Band has completed another of its highly successful years. A familiar sight at the football games and school assemblies, the band has won its fame chiefly as a concert organization. Proof of its excellence in this field was seen this year at the annual Talent Show, the first in which the band has participated. Moreover, in keeping with tradition, the band won another high rating at the Northeastern Massachusetts Music Festival. This makes the 23rd such rating received. Great credit must be given to Mr. Schoonmaker, under whose skillful administration and intensive training the band has been so successful.

The **Blue and White** staff, consisting of many seniors, had the pleasant task of preserving the memories of our high school days. At the beginning of the year many seniors applied to Mr. Ricker for positions on the staff. After consulting with the class advisors, he posted the names of those on the Literary, Art, Promotion, Candids, Glossy, and Secretarial Staffs. The members were engaged in every activity from gathering and writing information on the activities of various clubs to aligning the pages of the yearbook. Through the combined efforts of these staffs, the members have produced a book that will remind their fellow students of three rewarding years at Medford High School.

They have worked hard this past year, perfecting the old cheers, practicing the new ones, and leading several of the school rallies. One of their major activities was taking part in the First Annual Oscapades show last December. Although the girls have not had an official full-time advisor this year, they have capably represented our school and spurred our teams on to victory.

HOUSE OF DELEGATES

The House of Delegates consists of one delegate selected from every homeroom. Throughout the year they participate by forming committees for Junior Red Cross and collecting for various organizations among which is the March of Dimes. This group also presents ideas from the homerooms for the betterment of the school.

The House of Delegates is a good example of democratic representative government, giving the student body the responsibility of electing representatives to keep the school informed of the latest activities. The students learn just how to vote for the best qualified person to arbitrate for and represent them.

MARSHALS AND USHERS – 1959

Advisor: Katherine L. Baker

During their junior year one boy and one girl from the Class of 1959 were elected from each home room to participate in the ceremonies of Class Week as Marshals and Ushers. The Marshals, in attractive pink and blue chiffon dresses, carrying crooks decorated with colorful flowers, were the ultimate in femininity as they aided the seniors' events. The boys, in white dinner jackets with red carnations politely assisted both the seniors and Marshals. To have taken part in this group was not only an honor, but a privilege as well.

A very recent and worthwhile organization, the Junior Volunteer Service Club, has been introduced into Medford High School. It consists of a group of students who have offered their time and service to help the community in social work. This includes assisting in hospitals, convalescent homes, settlement houses, homes for children, nurseries, and recreational centers. This activity is beneficial to the student who is interested in nursing, teaching, or social work as a profession.

The first project of this organization consisted of helping the West Medford Community Center conduct Christmas parties for children 4-7 years old and for a group 9-13. In addition, throughout the year they have been doing work in Children's Hospital, Nazareth Hospital, Beth Israel, Boston City Hospital, and New England Medical Center. Locally they worked at the Lawrence Memorial and Malden Hospitals. This year has been most profitable and worthwhile in the way of experience for the members.

LIBRARY STAFF

Advisor: Dorothy L. Hardy

The Library Staff, under the supervision of Miss Hardy, this year consisted of about thirty girls, who volunteered their free time before school, after school, and during study period to making our school library run smoothly and efficiently. They worked behind the scenes, mending books, checking cards, and other essential duties. They also worked at the desk, but their principal role was that of service to their fellow pupils. For this they received no extra credit and no reward other than the most sincere gratitude from the other members of the school body.

Student Director: Barbara Sophios

Office Manager: Jo-ann Frisoni
News Editor: Stanley Shore

LITTLE GIANT staff members compiled, edited, and published four issues of the magazine. Regular issues appeared in January, March, and May; a special post-graduation issue was published in June. Included in this year's magazines were feature articles, news and sports coverage, literary work, editorials, art work, poetry, photographs, and a humorous section. Supervising the work of the staff was Miss Jeanne Macgregor. Mr. John Ricker directed all business and promotion, Mr. Alfred Zirpolo supervised advertising, while Mrs. Mary E. Bagley controlled distribution.

Again the news section was made up to simulate a newspaper. An innovation this year was the editing of this section by one of the junior journalism classes under the direction of a senior staff member.

In conjunction with the series of issues in 1958 this year's series received a medalist rating from the Columbia Scholastic Press Association.

An executive committee, composed of senior staff members with rotating chairmanship, met weekly to plan the magazine and manage the office.

PROTECTIVE DEPARTMENT

Advisor: Henry D. Hormel

Under the leadership of Mr. Henry Hormel, Senior Submaster, the members of the Protective Department have worked earnestly to help students to locate rooms and to keep them from entering buildings where classes are being held. The group is especially cooperative in aiding visitors to find their destinations in the school; the members have received many compliments on their courteous directions. One of the most important organizations in the school, the Protective Department has been a great help in keeping order throughout the school.

TALENT SHOW
THE OSCAPADES

This year's show, under the direction of Mr. Henry D. Hormel with the assistance of Mr. Ralph I. Schoonmaker and Miss Gudrun E. Ekman, was cleverly named "The Oscapades." To carry out the theme of the spectacular evening, Oscars were given to the acts adjudged the most popular in the various categories.

Marie Piazza and Cecelia Hurley won the awards for the two Best Voice Solos. Susan Rush carried away the prize for the Best Dance Solo. The Best Dance Duet was declared to be The Sluefooters, Barbara Sophios and Nancy Reynolds. Winners of the Best Specialty Act were the sisters in the Gawlinski Troupe. The Mistress of Ceremonies, Ann Whittemore, won the competition for Best Master or Mistress of Ceremonies. Tops in the Best Singing Group were the Off Keys. Four dance lines made headlines by winning the Best Dance Lines verdict; the winners were Cha Cha-Rettes, Junior Rockettes, Jamaicans, and Winter Wonderland.

The Medford High School Band, Mixed Chorus, Male Chorus, and All-Girl Choir took part and added immeasurably to the entertainment.

In addition to the prize-winning lines mentioned above, the following dance lines provided much entertainment with their skilled renditions: Anchor Opening, Mardi Gras Girls, Cheerleaders, Sailorettes, Mustangettes, The Alphabets, The Cogettes, Beautiful Dolls, and Five Foot Two's. Voice solos by Janet Penta, Joanne Grimaldi, Janice Helmuth, and Lucille Minutoli featured. Dance duets were also outstanding: they included Two C's, Jones & Nelson, and The Smith Brothers. Maureen O'Brien, Barbara Annis, Margaret O'Brien, Patricia Sayles, Carol Gelsonini, Dianne Ciampa, and Wanda Cann did dance solos of note.

Spicing the program were many specialty numbers — George Cangiano, The Two Beggars, Martell and Del-Vecchio, Colasanti and Gounaris, and Fred Burrell. Grimaldi and Dwyer presented a vocal duet, and The Fairlanes and the Starlites were two singing groups of real quality.

Much praise is due the producer, Mr. Henry D. Hormel, and his assistants and technicians.

"Oscapades" was a marvelous show, in line with the tradition.

VOCATIONAL STUDENT COUNCIL

President: Thomas Ward

Vice-President: John Flanagan

Secretary: William Sencabaugh

Treasurer: Robert Smith

Advisor: Joseph Corrigan

The Student Council of the Melvin V. Weldon Vocational High School is comprised of fourteen students. Each department elects two representatives from that room except Sheet Metal and Painting and Decorating which elect one each. The chief aims of the council, under the guidance of Mr. P. Joseph Corrigan, were to promote unity and cooperation between the faculty and student body both in class work and outside activities. The council ran banquets, proms, and assemblies. The council also was in charge of the management of the lunch room discipline and conduct of the boys therein. This group has been a credit to the school in its functions.

The Distributive Education course is offered to senior boys and girls interested in Retailing as a career. It is a Store Cooperative program in which the students attend classes in the morning and report to training centers in the afternoon for their job-in-training experience. Large department stores, branch stores in shopping centers, supermarkets, variety stores, small stores, and speciality shops cooperate by employing these students. The training is in retailing-selling, cashiering, stock-keeping, shipping, receiving, wrapping, and buyer's clericals. The student receives compensation for his work according to the prevailing wage scale.

Placement is done by the Teacher-Coordinator. Periodically, conferences are held by the student with the supervisor or personnel counselor and the teacher. The student gets a rating each quarter from his employer for which he receives diploma credit.

Business English, salesmanship, business arithmetic, job orientation, marketing, advertising, color, line, fashion and design, economics of retailing, textiles, and non-textiles comprise program subjects.

Students in the course may become members of a national organization, DECA, a youth activity program designed for those enrolled in part-time cooperative store program. Its purpose is to provide incentives and recognition, group participation, leadership development, career study, and social activities.

Miss Lillian Geraci is the Teacher-Coordinator.

Washington-New York Trip

During the spring vacation members of the senior class, under the guidance of Mr. and Mrs. Leo A. Appiani and Mr. Walter Hawkes, took the annual Washington-New York Trip. Recreational and educational features highlighted the trip.

On Monday, April 20, the group embarked on a Greyhound Motor Coach from the high school. Lunch and dinner provided recesses in the 12-hour trip to the Hotel Burlington in the nation's capitol.

After an early breakfast on Tuesday there began a two-day tour of the historical and governmental buildings, the highlight of the trip. Among the places of interest were Bureau of Printing and Engraving, Washington Monument, White House, Lincoln Memorial, Haines Point Drive and the cherry trees, Jefferson Memorial, and Arlington Cemetery. In the cemetery the changing of the guard at the Tomb of the Unknown Soldier was impressive. Lee's Mansion and Washington's Mount Vernon gave hints of luxurious and commodious living of the 18th and 19th centuries. The Pentagon, Washington Airport, Marines' Memorial, and Ford Theatre were seen by the group.

The second day found the itinerants at the U. S. Capitol, Congressional Library, Supreme Court, Smithsonian Institution, Natural History Building, F.B.I., and the Zoo.

A short diversion to Annapolis allowed the trippers to see a dress parade at the United States Naval Academy.

The return to Hotel Picadilly at Times Square in New York City was entertaining, after which the members of the tour had the evening at their disposal.

The tour of Lower Manhattan, Statue of Liberty, United Nations, and CBS at Rockefeller Center, provided interesting highlights before the departure for Medford in the afternoon.

Thanks to Mr. and Mrs. Appiani and Mr. Hawkes for a very delightful trip which the troubadors will not forget.

"IT'S SMART to line up job interviews well in advance of graduation. And one of the best places I know to contact is the Telephone Company. Several of us from my graduating class are working here — and every one of us loves it."

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience. The pay is good, and you'll get regular raises.

Why not come and see our employment interviewer soon . . . *before* you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
