## Happy November

The 1st 45 days of school have come to a close at Fromberg Schools. Time is flying by! Fromberg Schools will be hosting all parents and guardians for Parent Teacher Conferences on the 7th of November from 4:00 p.m. to 7:00 p.m. All students are doing great things and the classroom teachers would like to showcase your children, with student-led conferences so bring your child to the conference. Please come visit with your child's teachers, all teachers will be in the gym for the evening.

Fall Sports and Activities are finishing up for the 2024 Season. I would like to take this opportunity to ask our patrons to address any complaints that you may have with any sporting event or school activity to come directly to our administration and should not be put on social media to complain about. I am attempting to foster a sense of community and being a good neighbor to those that we play against. Our Fromberg students are all such good kids and I love to see them grow each day, but it is very hard to compete against social media.

The Fromberg Varsity Football finished their season with several seniors this year and they did not want the season to end. The boys and coaches continue to glow with Falcon pride, great job boys and coaches. The Fromberg Cross Country team finished their season in Missoula with Wyatt Lowery being coached by Levi Lowery. Congratulations Wyatt!

Falcon Volleyball joined forces with the Bridger Scouts and they are headed to District Tournaments, thanks Coach Maggie Zentner for coaching these Volleyball Girls and thanks to Sylvia Hoffman for showing her talents on the court. Our Volleyball girls are small in numbers, but big in heart and resilience.

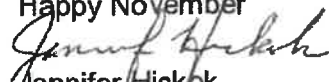

The Jr. High girls Volleyball team had a rewarding season with lots of growth and efforts happening on the court, led by our new Jr. High Girls Volleyball coach, Baileigh Skorupa. Nice job ladies, I look forward to watching you playing during your high school career. The Jr. High Boys Football team combined forces again this year with the Bridger Scouts and had a great football season. We look forward to great things on the field and the court with this great crew of kids, thanks to Rachel Braswell for taking the boys to practice and traveling to all your games.

The Jr. High Girls Basketball team have already started their season and have a couple of games under their belt. The Jr. High Girls team is made up of students in 4th thru 8th grade. They are fierce competitors and they are led by Jr. High Girls Head coach, Ernest King and Assistant Coach Baileigh Skorupa.

Our FFA team participated in NILE activities in Billings this past week. They soon will be starting practice for FFA Districts. These fine young folks are led by Mrs. Jennifer Birrer. Our FFA chapter will be hosting the annual Halloween carnival this Halloween night on October 31st to be held in the school gym, with Trunk or Treat activities, to be held in the school parking lot from 5 to 7 p.m. Thanks Fromberg FFA!

Our November calendar is not as busy as October, as we get ready for a little down time and the Thanksgiving break but look forward to seeing you all this month.

Happy November

  
Jennifer Hickok  
Superintendent

## ReadWell

This Months new Letters, Sounds and How We Write Them:

- Ww
- Review units 1-9 Letter Aa, Ee, Hh, Kk, Mm, Rr, Ss, and Ww.
- Cc
- Dd

while learning these new letters we will be reading stories that help us learn about eating well, stayin safe and keeping safe. We will continue to work on our cutting, gluing, coloring in the lines and organization. During our Morning routine we will continue to trace our name and check in emotionally on our emotion wheels, we are learning about what our faces look like and how our bodies feel when we are happy, angry, sad, confused, worried and tired. Parents you should know that your child check in every morning missing you, even if they are grumpy getting out the door!

Phonemic Awareness:

Pre-K has been learning Alphabet Awareness, blending words, adding and taking away words, beginning and ending sounds, adding and deleting syllables, segmenting syllables, segments words, rhyming words, adding and deleting phenomes. some of our favorite nursery rhymes (language awareness) are Little Miss Muppet, I 2 buckle my shoe and The Itsy Bitsy Spider.

## Math

We have been having fun identifying numbers 0-5 with number Bingo! We have been counting backwards from 5-0. We have been counting how many days we have been in school (38). We have had lots of fun finding our different shapes around the room and outside. Our trickiest shape has been the Rectangle, and how its different from a square.

Numbers we are learning: 9, 10, 11, 12

Shapes we will ne learning: Rhombus (diamond), oval, hexgon and octogon.

## Fun Stuff!

Last month our classroom adopted a cow! Her name is Bella. She is the cutest thing we've ever seen! Please join in on the App and follow Bella on her Growth journey with us This month Clark Family Farm is have a cutest calf contest. If Bella wins she'll get a calf care package. vote for Bella!

# ASP November

## *newsletter*

Hello ASP Families! It was so great to see everyone at the pumpkin patch. We hope everyone made some awesome memories. If you haven't sent me any photos yet please add them to our new FB page!

Every week we will be posting a picture of our weekly schedule so you can see what's going on. Please watch for fun videos and pictures of your kiddos!

ASP will be closed Nov 28th and will not return to school Jan 2nd 2025. ASP will be in session Thurs.

Jan 2nd and Fri. Jan 3rd. We will return to our normal Mon-Thurs schedule the following week. ASP will have a little homemade surprise coming before Thanksgiving and Christmas break, the kiddos will be working hard to put them together for their families.

If you have any question please feel free to reach out.

# November Newsies

Here is what is happening in Kinder/1st in the month of November!

CAN YOU BELIEVE IT IS ALREADY NOVEMBER?! I CANNOT!!!

We are continuing to work on Reading out of Superkids and Math with HMH. We are finishing up our handwriting books, and are going to start writing short sentences and passages with the handwriting knowledge we have learned. We are starting to feel great and getting the hang of routines and friendships within the classroom! We are a great team and a great family! We are also going to be learning about what it means to be THANKFUL and writing a thankful letter at least once a week to be sent to a special someone we are thankful for!

Here are the CRAZY special holidays in November:

HAPPY

BIRTHDAY

We also got to celebrate Vasily and there are no Birthdays in November

<b>MATH</b>	Math Module 2 assessments for both grades scored above 70%, 20 % higher than Module 1. We are heading into Data and graphing for 2nd grade and anchor memorization for Multiplication in 3rd grade
<b>SCIENCE</b>	The students will be continuing working towards their standards in science and start to build it into Math and social studies.
<b>READING</b>	The read a loud this is MONTH: Bunnicula The students have been in reading groups and working on individual skills to improve their abilities and share their strengths with others.
<b>WRITING</b>	Third Graders have started a persuasive essay project about National Monuments or Parks. The Second graders have been learning write letters. If you have someone they can write to please send the address with your student
<b>SOCIAL STUDY</b>	Both grades have been learning direction with a compass on a map. Starting familiarity with the US states and building understanding with continents and oceans. We will start working into the Monuments and other landmarks of the States.

## The Library Connection

October was especially full of themes and topics. Read for the Record was held on Thursday, October 24. Students in grades Pre-K to fifth listened to this year's title, *Piper Chen Sings*. We will report our numbers, and will be informed of the totals that are tallied world-wide/globally. This is the 19<sup>th</sup> year that Mrs. Rupprecht has been organizing this event.

November topics will include Indian Education for All materials. Our library has a multitude of resources. Also, we will be working on the

unit/grant for "For the Love of Pete, and So Much More".

We will create a thank you package to all of the donors who sent us books, books, and more books.

## **Fromberg FFA**

### **By Brislyn Maharrey**

Fromberg's FFA chapter has had so much fun over this past month! On Monday, October 14, our Livestock judging team and vet science team went to the Metra in Billings for the NILE. Our teams did well with senior Livestock placing 38 out of 61 teams, not bad for a team that had the junior high members on it. Our Vet Science team placed 17 out of 30 teams with the team being half senior and half junior members. NICE WORK LADIES!!!! Our chapter has also started our annual Montana basket sales. The items on here make great gifts for family members! Product will be delivered in early December. We will have extra Montana baskets if you get missed by a FFA member and reach out to the school. The Fromberg chapter is also putting the annual Halloween Carnival on again this year. It was hosted in the Fromberg Gym on Halloween. More details to come next month as to who won the costume contest and what fun we had.

# *Agriculture Education*

The agriculture classes have been busy this last month. AG woods has been busy getting the football bleachers looking nice with a fresh coat of paint. They have picked out small wood projects that they have started to build. Ag II has been learning about animal systems. They learned about the muscles and drew diagrams they have started on the skeletal system and are making pasta skeletons. AG I has started animal reproduction. They are working on doing a reproduction booklet. They are also responsible for filling the backpacks for families in need in our community every Thursday. AG 6 learned plant and soil science and did some fun labs that helped them learn. Personal career readiness class has been busy working their workstudy jobs, along with getting shop projects done for those who are not old enough to do workstudy.

FFA had a good run at the NILE. We placed in the middle of the road for both our Livestock and Vet Science teams. I am super proud of where they placed considering both teams consist of high school and junior high students. We have hit the ground running on practices to get ready for the AG EXPO in November. We have teams competing in livestock, creed speaking, floriculture, meat science, poultry, and vet science. Members were out and about selling Montana baskets for our annual fundraiser. If you would like one we have extra every year, reach out to the chapter. They will be ready in early December and they make great Christmas gifts. October also brings our annual Halloween Carnival. Be sure to watch next month for the results of the costume contest.
