

## 8TH ANNUAL FWPS STEAM EXPLORATION NIGHT

# SPONSORSHIP

### Help us inspire children through STEM.

Federal Way Public Schools STEAM Exploration Night draws thousands of students, families, and community members each year. Now in its eighth year, this event allows us the chance to showcase the exciting and rewarding college and career opportunities in science, technology, engineering, art, and math (STEAM) to nearly 23,000 PreK-12th-grade scholars through an informative, interactive, and fun-filled event.

You can help make this event a success again by becoming a sponsor. There are multiple sponsorship options to choose from, and with your help, we can inspire the next generation of scientists, engineers, pilots and so much more.
