

NORTH EAST ELEMENTARY SCHOOL Home-School Compact 2024 - 2025

A compact is an AGREEMENT made by partners who are working toward a common vision. North East Elementary School staff, students, and families are all partners working toward this vision: “A school community that challenges all students to reach their potential.” The North East Elementary School Home-School Compact explains the role each of us must play for this important vision to be achieved. We look forward to being your partners!
