Dear Haldane Families -

The Haldane Central School District recently partnered with Putnam County for the installation of stop-arm cameras on our school buses. These cameras activate when the stop signs extend as students board or exit the bus, capturing clear images of the license plates of any vehicles that illegally pass the bus during these times. Drivers of these vehicles will receive a summons.

This program was implemented at no cost to the district. We believe this initiative will enhance student safety by deterring illegal passing and encouraging greater awareness on the roads.

We encourage you to familiarize yourself with the New York State Department of Motor Vehicles' [School Bus Safety Rules](#) to ensure the safety of all students.

Thank you for your continued support and cooperation in helping us keep our students safe.

Sincerely,
Carl L. Albano
Interim Superintendent of Schools
