Share Schoolhouse Toolkit

This Toolkit will make it easy for you to share Schoolhouse.world's programs with your students. As a non-profit organization with big ambitions, **thank you**! We really appreciate your help in spreading the word!

About Schoolhouse.world:

We are a non-profit with the mission of connecting the world with free, peer-to-peer tutoring. We offer free, virtual tutoring programs for high school students. We were founded by Sal Khan of Khan Academy in 2020 and have supported 100,000+ students so far.

Programs Overview:

We currently offer four different types of programs. All are free and virtual! You can find all the important dates and registration deadlines in our Program Calendar.

- **SAT Bootcamps:** 4-week programs in the month leading up to each official SAT date. Average score improvement: 40-55 points. Run by certified peer tutors who scored 700+ on the SAT.
- **College Admissions Workshops:** 2-4 week programs designed to support students throughout the college admissions process. Run by college students.
- **Math Learning Labs:** 3-4 week programs focused on one specific math topic from Algebra 2 or Pre-Calculus. Programs follow the Khan Academy curriculum.
- **Homework Help:** Organized by subject where students can attend small-group sessions via Zoom or get 1:1 homework help via text.
