

# NORTHWEST TAPESTRY NEWS

November 2024

# S.A.F.E.

# P O T

November is often a month that reminds us to be thankful. Thankful for our family and friends, thankful for our communities and all they have to offer, and thankful for our lives and the good things in them. Each and everyday, all year long, I am thankful for your children. They shine a bright light with their smiles and the laughter they share with us. Thank you for sharing your children with Tapestry and encouraging their light to shine!  
~Mrs. Gurney

November is here and the weather is definitely changing.

This month Tapestry will continue to explore the world through science. We will be working on arts and crafts as well as creating cards and suncatchers to hand out to the elderly and the home bound as a service project.

On Monday, November 18th the Mission City Church will be serving Thanksgiving dinner to NW Tapestry and their families at Northwest school. Dinner will be served from 4:15-5:15 in the cafeteria. Please let us know if you and your family plan to attend.

## Turn back clocks

It is now dark when kids are arriving home. PLEASE make sure adults are out and visible to bus drivers. We will not let students off the bus without an adult.

# IMPORTANT NOTES

Children go out to the playground every day. We do ask that children bring or wear, sneakers or other closed toed shoes to Tapestry. This is a safety issue.

With seasonal weather always changing, it is very important to have your child dress for the weather. Coats, snowpants, boots, mittens and hats are essential for outdoor play.
