This policy reflects changes in national guidance and legislation that come into force on 19 August 2024. Please see [The School Attendance \(Pupil Registration\) \(England\) \(Regulations\) 2024](#) [Working Together to Improve School Attendance](#) (DfE: 2024) for more information.

TASIS England is committed to safeguarding and promoting the welfare of students and expects all faculty, staff and volunteers to share this commitment. It is our aim that all students fulfil their potential.

## 1. Introduction and Aims

- 1.1. This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole school culture and ethos that values good attendance, including:
- Setting high expectations for the attendance and punctuality of all students.
  - Promoting good attendance and the benefits of good attendance.
  - Reducing absence, including persistent and severe absence.
  - Ensuring every student has access to the full-time education to which they are entitled.
  - Acting early to address patterns of absence.
  - Building strong relationships with families to make sure students have the support in place to attend school.

We will also promote and support punctuality in attending lessons.

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance for independent schools:

- Part 10 of [The Education Act 2002](#)
- Part 6 of the [Education Act 1996](#)
- [The Education \(Independent School Standards\) Regulations 2014, Part 3, paragraph 15](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)

It also refers to:

- [School level annual census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

- 1.2. Related documents, procedures and processes:
- [Students Missing Education Policy](#)
  - [Data Protection Policy](#)
  - [Admissions Policy](#)
- 1.3. We expect all children on roll to attend every day, when the school is in session, as long as they are fit and healthy enough to do so.
- 1.4. TASIS has a designated Senior Attendance Champion with overall responsibility for championing and improving attendance – that person is Jason Tait.
- 1.5. We recognise that promoting school attendance is everyone's responsibility and is crucial to ensuring strong educational outcomes for children. We do all we can to encourage the children to

attend school and to put in place appropriate procedures. We believe that the most important factor in promoting good attendance is the development of positive attitudes towards school. To this end, we strive to make our school a happy and rewarding experience for all children.

- 1.6. This register will also indicate whether an absence was authorised or unauthorised.
- 1.7. The school calendar and dates when the school is open can be accessed from the home page of our website, [tasisengland.org/schoolcalendar](https://tasisengland.org/schoolcalendar). Alternatively, our term dates and Calendar of Events can be obtained from the school office. School emergency closures for such things as extreme weather will also be published on the home page of our website and using the Veracross LMS Emergency Communication System.
- 1.8. TASIS England complies with the UKVI criteria regarding the admission to and attendance of students at TASIS England.
- 1.9. The Board of Directors are responsible for making sure the school keeps Admission and Attendance registers in accordance with UK regulatory requirements. Our attendance registers record which students are present at the start of both the morning and the afternoon sessions of the school day. An attendance record is also kept of children in the Early Years.
- 1.10. For purposes of this document, the term “Board of Directors” is deemed to have the same meaning as “Proprietor” in accordance with the Education (Independent Schools Standards Regulations) 2014 (ISSR) and is used interchangeably.

## 2. Roles

- 2.1. **The Role of Parents:** Parents have the legal responsibility for ensuring that children of compulsory school age (5 to 16) receive a suitable education, either by regular attendance at school or otherwise.

TASIS England requests that parents:

- a. Ask the school for help if their child is experiencing difficulties with any aspect of their schoolwork or home and family life so that we can offer support at the earliest opportunity.
- b. Take a positive interest in their child’s work and educational progress.
- c. Ensure their child has regular attendance at school.
- d. Instil the value of education and regular school attendance within the home environment.
- e. Contact the school if their child is absent to let them know the reason why and the expected date of return, following this with a note wherever possible.
- f. Avoid unnecessary absences; for example, by making medical and dental appointments for outside of school hours.
- g. Inform the school of any change in circumstances that may impact on their child’s attendance.
- h. Support the school by becoming involved in their child’s education, forming a positive relationship with school, and acknowledging the importance of children receiving the same messages from both school and home.
- i. Maintain effective routines at home to support good attendance.
- j. Attend all meetings requested to discuss attendance issues.

- 2.2. **The Role of the School:** The school is required to maintain two registers:
- An Admission Register (known as the School Roll)
  - An Attendance Register.

These registers are preserved for 6 years in line with DfE regulations in force from August 2024.

<b>Named Board Director for Attendance</b>	Melissa Jones-Briggs	<a href="mailto:mjbriggs@tasisengland.org">mjbriggs@tasisengland.org</a>

TASIS England has made the following commitments with regard to attendance. We:

- Ensure that there is a whole school approach which reinforces good school attendance, enabled by good teaching and learning experiences that encourage all students to attend, participate and achieve.
- Monitor the implementation of our attendance policy and ensure that it is reviewed **at least** annually.
- Ensure that all staff are aware of the attendance policy and appropriately trained to address attendance issues – specific responsibility for this is taken by the Senior Attendance Champion with the support and cooperation of all Senior Leaders, Managers and Board Directors.
- Provide the faculty with sufficient time and resources to meet our attendance objectives.
- Report the school's attendance and related issues quarterly to the Board of Directors and half-termly to the lead Director for attendance.
- Promptly return school attendance data to the local authority (LA) and the Department for Education as required.
- Ensure that systems to report, record and monitor the attendance of all students, including those who are educated off-site are implemented.
- Ensure that attendance data is collected and analysed frequently to identify causes and patterns of absence.
- Interpret the data to devise solutions and to evaluate the effectiveness of interventions.
- Develop a multi-agency response to improve attendance and support students and their families.
- Document interventions used to a standard required by the LA should legal proceedings be instigated.
- Recognizing good attendance through positive reinforcement, such as certificates, awards, and special privileges, will be used to reward excellent and improved attendance.

- 2.3. **The Admission Register:** This gives particular information about students who are currently registered as attending TASIS England. The register will comprise information that is compliant with

regulations set out in the Education (Student Registration) (England) Regulations currently in force. For each student, the admission register will contain:

- a. Name in full.
- b. Gender.
- c. Name and address of every person known to the school to be a parent or guardian of the student (and an indication of the parent with whom the student normally resides).
- d. At least two telephone numbers for which the parent can be contacted in an emergency.
- e. Day, month and year of birth.
- f. Day, month and year of admission or readmission to the school.
- g. Name and address of the school last attended, if any.
- h. Leaving date and ongoing placement.

2.4. **Attendance Register:** The school is required to ensure that the attendance register for all students on the School Roll is taken twice a day – once at the start of the morning session and once during the afternoon session. Each student must be marked on the register in one of the following categories:

- a. Present.
- b. Engaged in an approved educational activity away from the school site (approved by the Head of School and supervised by a person approved by the Section Head for either Lower School, Middle School or Upper School, including sporting activities, educational visits or residential trips).
- c. Absent.
- d. Unable to attend through exceptional circumstances (unavoidable closure of the school site or part of it).
- e. Taking authorised absence (granted leave of absence by the Head of School or a person acting on their behalf, unable to attend by reason of sickness or unavoidable cause, observing a day exclusively set apart for religious observance by the religious body to which the parent belongs).
- f. Taking unauthorised absence (if no reason is established when the register is taken, the entry may be corrected later if a valid reason is established).

2.5. If a student is absent, the register must say whether or not the absence has been authorised by the school. Parents cannot authorise absence – it is the school that decides how to classify absences.

2.6. Authorised absence is where the school has either given approval in advance for a student of compulsory school age to be away from school or has accepted an explanation offered afterwards as satisfactory justification of absence (e.g., illness). All other absences are treated as unauthorised.

2.7. Authorised absences include medical or dental appointments, days of religious observance, visits to future schools, exclusion, family bereavement and special occasions (e.g., weddings).

2.8. If a student is absent without explanation when the register is called, school staff will normally contact the parents the same day whenever possible. The absence will be treated as unauthorised unless an explanation is offered as satisfactory justification for absence.

2.9. Due to the international nature of the school and the festivals fundamental to the different nationalities (such as the Russian Orthodox Church, American Thanksgiving, Spanish Feast of the

Kings and so on) there is reasonable flexibility regarding the timing of the academic year for particular students.

### 3. Failure to Attend School

- 3.1. If a student fails to regularly attend school, we will work closely with the parents, student and section to resolve issues and develop strategies to improve attendance, following the process outlined below:

TASIS England applies the following thresholds:

- a. 95 - 100% attendance – the school will monitor all student attendance and may contact parents if appropriate. Our minimal attendance target for each student is an attendance level of at least 95%.
  - b. 90 - 95% attendance – the school will work with the student and their parents to improve attendance.
  - c. Where the levels of absence are below 95% and have not improved and/or there are unauthorised absences, the school will contact the family to provide support for improving the child's attendance. The school may make a referral to the Surrey Inclusion Service. If it is not clear a referral to the Service is appropriate, the school will consult with the LA Inclusion Officer for advice.
  - d. For the cases that require intensive family support or Early Help, the school may make a request for support via Surrey Children's Safeguarding Services
  - e. The LA consider students who have missed 10% or more of all schooling across the academic year as persistently absent and those that have missed 50% or more as severely absent – see point 4.6 below for more.
- 3.2. In accordance with The Education (Pupil Registration) (England) Regulations 2024, independent schools are required to notify the LA within five days when a student is added to the register at one of the 15 non-standard transition points. The schools will follow LA guidance regarding reporting requirements - see Appendix 1.
- 3.3. Schools will need to provide the LA with all the information held within the admission register about the student. This duty does not apply when a student's name is entered in the admission register at a standard transition point – at the start of the first year of education usually provided by the school – unless the LA requests for such information to be provided
- 3.4. Schools must provide the LA with the name and address of students who will miss 15 consecutive or cumulative days of their education and may need additional support from the LA.

### 4. Definitions

#### 4.1. Authorised absence

- a. 'Authorised absence' means that the school has either given approval in advance for a student of compulsory school age to be away or has accepted an explanation offered afterwards as justification for absence.
- b. Only the school can make an absence authorised. Parents do not have this authority.

- c. Consequently, not all absences supported by parents will be classified as authorised. For example, if a parent takes a child out of school to go shopping during school hours, this will not mean it is an authorised absence.

#### 4.2. Unauthorised absence

An 'unauthorised absence' code will be used when prior permission for absence has not been given and where the school is not satisfied with the explanation given for absence or delayed attendance meaning that the code for "unable to attend due to an exceptional circumstance" is not appropriate.

Examples include:

- a. Holiday has not been authorised by the school or is in excess of the period determined by the Head of School or Section Head, as applicable
- b. The reason for absence has not been provided
- c. A student is absent from school without authorisation
- d. A student has arrived in school after registration has closed and without reasonable explanation

#### 4.3. If a child is absent

- a. When a child is absent unexpectedly, the class teacher will record the absence in the electronic register, which immediately informs the appropriate sectional office. When the child returns to school, a note, email or telephone call to the school office from a parent or guardian should explain the absence.
- b. A note, email or telephone call may be sent/made to the school office prior to the day of absence e.g., if a child has a medical appointment.
- c. If there is any doubt about the whereabouts of a child, the class teacher should take immediate action by notifying the appropriate sectional office without delay. TASIS England will then be in contact straight away with the parent or guardian, in order to check on the safety and wellbeing of the child.

#### 4.4. Requests for leave of absence

- a. All requests for leave of absence must be made in writing to the appropriate Sectional Head for Lower and Middle School students and to the Dean of Upper School Student Life for Upper School students. These requests must be submitted at least one week in advance to give the school sufficient time to consider the request.
- b. Working together to improve school attendance (DfE guidance) advises that schools should only grant leave of absence during term time in exceptional circumstances. Requests are considered on a case-by-case basis, and it is for the Head of School or Section Head to determine the length of time the student can be away from school. Although we recognize the value of family holidays, it is unlikely that leave of absence will be granted for such purposes, as the government does not consider a need or desire for a holiday or other leisure-related absence to be an exceptional circumstance.
- c. TASIS recognizes the multi-faith nature of its student body, and on some occasions, religious festivals may fall outside school holiday periods or weekends. In such cases, the school will consider authorising the student's absence or making special leave arrangements for religious observance. Parents are requested to provide at least one week's advance notice to the school.

- d. The school discourages absences for family holidays during term time. Requests for such absences must be submitted in writing at least two weeks in advance to the relevant Section Head. Family vacations are generally not considered exceptional circumstances and will be marked as unauthorised unless they meet criteria set by the DfE.
- e. If requests for leave are not made sufficiently in advance, the school may be unable to consider the individual circumstances, and the absence will be recorded as unauthorised. The Head of School or Section Head is not obligated to reconsider authorising leave if the application is late.
- f. In accordance with UK law, the school is required to monitor and record student absences carefully. If a student is absent for an extended period or if there are concerns about the student's welfare, the school may work with the LA to address the situation. While fines for absenteeism are managed by local authorities, the school's focus is on engaging families to support and improve attendance.

#### 4.5. Long-term Absence

- a. When students have an illness that results in them being away from school for over five days, the school will do all it can to send material home so that they can keep up with their schoolwork.
- b. Where a student has a verified and chronic health condition, we aim to work with parents to ensure children have access to education and provide appropriate support in line with government guidance on [supporting children with medical conditions at school](#). Parents are encouraged to work with the school to ensure that their children can continue their education during extended absences.

#### 4.6. Persistent and Severe Absence

- a. A student is defined by the government as a *persistent absentee (PA)* when they miss 10%, or more, of their schooling across the school year for any reason; this can be through authorised or unauthorised absence. Absence at this level will likely cause considerable damage to any child's education and we rely on the full support and cooperation of parents to resolve this. A student who has missed 50%, or more, schooling in the same period is defined as *severely absent (SA)*. Students within this cohort may find it more difficult to return to school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.
- b. The attendance of all students at our school is monitored to identify children who are PA, or are on track to becoming PA. Where emerging concerns are identified we will instigate appropriate and timely interventions as outlined in our policy. Referrals may also be made to external agencies for targeted support.
- c. TASIS England takes a proactive approach to reducing persistent and severe absence through regular data monitoring, early intervention, and individualised support. The Senior Attendance Champion monitors attendance patterns and the school works closely with parents and students to address issues early. Where necessary, the school liaises with external agencies such as the local authority or healthcare professionals to promote and improve. Regular reviews ensure that progress is tracked, and interventions are adjusted as needed.

#### 4.7. Rewards and Recognition

- a. TASIS England believes in recognizing and encouraging good attendance as part of our broader efforts to promote positive behaviour and academic success. As outlined in the school's

Behaviour Management Policy, students who demonstrate consistent attendance may be acknowledged through various rewards and incentives. This recognition helps to reinforce the importance of regular attendance as part of the school's commitment to high standards of cooperation and responsibility. The school will promote the importance of high levels of attendance amongst its community. This may include rewards for 100% attendance and other incentives where appropriate.

#### **4.8. Repeated Unauthorised Absences**

- a. The school will contact the parent of any child who has an unauthorised absence.
- b. If a child has a repeated number of unauthorised absences, the parents will be asked to visit the school and discuss the problem.
- c. If there is concern about a child's absence, the teacher will contact the appropriate sectional office, and this will immediately be followed up by the respective Sectional Head for Lower and Middle School students and the Dean of Upper School Student Life for Upper School students.
- d. Where a student does not return to school on the set date or where there is any unauthorised absence then UKVI, in accordance with their criteria, will be informed immediately.

#### **4.9. Late Arrival Before Register Closes**

- a. Late arrival is considered when a student arrives after the designated start time. The following times apply:
  - Monday, Tuesday, Thursday, and Friday - 8:15 am – all sections
  - Wednesday – 9:00 am – Upper and Middle School – 9:05 – Lower School

If a student arrives after the register has closed, their attendance will be recorded as an unauthorised absence unless a valid reason is provided.

### **5. TASIS England Students Sponsored by UKVI**

5.1. TASIS England is aware of its responsibility to monitor the attendance of those students sponsored by UKVI and report to the Home Office within 10 working days if a student misses 10 consecutive expected contact points and/or is no longer engaging in their studies. For TASIS England, a contact point is defined as one academic day, therefore a student must miss 10 consecutive academic days to require a report to UKVI. In addition, TASIS England, in most cases, will withdraw sponsorship and the student should plan to return to their home country.

5.2. An unauthorised absence would constitute missing a contact point, excused absences would not.

### **6. Vulnerable Children and Young People**

6.1. All faculty and staff are made aware that children being absent from school, particularly repeatedly and/or for prolonged periods of time can act as a vital warning sign of a range of safeguarding possibilities. This may include abuse and neglect such as sexual abuse or exploitation and can also be a sign of child criminal exploitation including involvement in county lines. It may indicate mental health problems, risk of substance abuse, risk of travelling to conflict zones, risk of female genital

mutilation, so-called 'honour'-based abuse or risk of forced marriage. If faculty staff have concerns about a student's attendance, this should be raised with the DSL or a member of the Senior Leadership Team.

6.2. Where vulnerable children and young people are absent, the school will:

- a. follow up with the parent or carer, working with the LA and social worker (where applicable), to explore the reason for absence and discuss their concerns;
- b. encourage the child or young person to attend school, working with the LA and social worker (where applicable), particularly where the social worker and the Head of School agrees that the child or young person's attendance would be appropriate;
- c. focus the discussions on the welfare of the child or young person and ensuring that the child or young person is able to access appropriate education and support while they are at home; and
- d. have in place procedures to maintain contact, ensure they are able to access remote education support, as required, and regularly check if they are doing so.

6.3. If the school has to temporarily stop onsite provision on public health advice, alternative arrangements for vulnerable children and young people, should there be any, will be discussed with the LA.

**Appendix 1: Grounds for notification to Local Authority for Additions/Deletions from TASIS England Register (Annex A: taken from [Children Missing Education 2024](#))**

1. **Change in School Attendance Order:** When a student is registered at the school under a school attendance order, and another school is substituted, or the order is revoked.
2. **Transfer to Another School:** When a student is registered at another school, and it has not been agreed that they are dual-registered.
3. **Ceasing Attendance at School:** If the student is registered at more than one school, they cease to attend, and the other school consents to their deletion from the register.
4. **Notification from Parent (Home Education):** If the parent provides written notification that the student is receiving education otherwise than at school (e.g., home schooling).
5. **Moving Residence:** The student ceases to attend the school and no longer resides within a reasonable distance.
6. **Failure to Return After Leave of Absence:** The student has been granted leave of absence but fails to return within ten school days, and the school and LA cannot ascertain the student's whereabouts.
7. **Certified Illness:** The student is certified by a medical officer as unlikely to return to school due to health reasons before ceasing to be of compulsory school age.
8. **Twenty Days of Continuous Absence:** The student has been continuously absent for at least 20 school days, and there is no reason to believe that the student will return, despite reasonable efforts from the school and LA.
9. **Detention:** The student is detained under a court order for at least four months, and the school has no reason to believe they will return after detention.
10. **Death of the Student:** The student has died.
11. **Ceasing to Attend at Compulsory School Age:** The student will cease to be of compulsory school age and has indicated that they will not continue to attend the school or does not meet the academic requirements for continuing.
12. **Non-compulsory Education:** If the student ceases to be a student at an independent school, city technology college, or similar institution.
13. **Permanent Exclusion:** The student has been permanently excluded from the school.
14. **End of Nursery Education:** A student receiving nursery education has not transferred to reception or a higher class.
15. **Unpaid Boarding Fees:** A boarding student's fees remain unpaid by the end of the term to which they

## Appendix 2: Absence Codes

[\(as published within Working Together to Improve School Attendance \(DfE - Updated August 2024\)\)](#)

The school discourages extended vacations and other recreational travel during scheduled school days. Absences due to the extension of vacations without prior approval will be marked as unauthorised and could affect the student's attendance record. Regular attendance is crucial to a student's academic success and missing scheduled school days can significantly impact learning and progress.

## **B. Different Term Dates for Different Students**

Schools and local authorities can agree to set different term dates for different grade levels – e.g., for 'staggered starts' or 'induction days'. Code # can be used to record the grade level (s) that is not due to attend. This is only acceptable where the school ensures that those students not attending on that day are still offered a full education offer over the school year.

## **C. Remote Learning Attendance Adaptations:**

The school reserves the right at its sole discretion to suspend any or all in-person activities and programs due to local, national, or global emergencies. In the most exceptional of circumstances, the school may provide Remote Learning. Remote Learning may consist of synchronous (real-time) and asynchronous online learning, temporarily or indefinitely as part of the whole-class instruction, in smaller groups of students, and/or in a one-on-one context.

During periods of remote learning, TASIS England will educate three types of learners:

1. In class face to face learners (F2F)
2. Synchronous Distance Learners who attend lessons remotely, as they take place (SDL)
3. Asynchronous Distance Learners who cannot attend lessons live due to regional time differences but will watch recorded versions of the lessons missed (ADL)

The following table outlines the attendance procedures and reporting expectations for accounting for the above outline categories of learners:

<b>Learner Type</b>	<b>Attendance Procedure</b>	<b>Reporting Expectations</b>
