 **Today is Day Three of Red Ribbon Week!** Remember this week is all about making healthy choices and pledging to live a life free from drugs and alcohol. We hope all of you are wearing sweats today to remind everyone that "Living Drug Free is No Sweat!" First period teachers, please be sure to take your first period count and fill out the form that Mrs. Wells sent out this morning. Congratulations to Ms. Tarr's PE class. All but one student was showing their Aloha spirit! We hope you enjoy your treats. Don't forget that tomorrow is **Halloween** and we are going to "**Scare Away Drugs**" by wearing our Halloween costumes to school.

 **Attention all 8th grade students!** Please go DIRECTLY to the Library today for a special presentation during your PE class period. You do not need to go to the gym first.

 **Please remember that the Red Ribbon Rock Paper Scissors Bead Challenge** is supposed to be a fun way to interact with other students on campus. If a staff member hears that you are not following the rules or that you are being unkind, we will take away your beads. Remember, you need to wear your necklaces, and if someone challenges you to a Rock Paper Scissors game, you must play if both participants have beads. The winner of that game gets the other person's beads. Once you do not have beads, you no longer can participate in the challenge. Please be a person of character so we can all enjoy finding out who the ultimate champion is at Friday's assembly.

 **INK-tober's Word of the Day is: VIOLIN.** Come to the library at lunch time any day you can during the month of October to practice our ink drawing skills. No talent is needed. Just bring a pen, some paper, and a positive attitude.

 **Do you like Pizza? Then sign-up for the Geobee to be rewarded with a pizza party!** The preliminary rounds take place next week! Here is a question that should get your taste buds going! **Which country is home to the city of Naples, often credited as the birthplace of modern pizza—France, Spain, or Italy?** If you know the answer to this question, then stop by the library at break to receive a treat for the first 3 students who share the right answer.

 **In the 6th Grade Wiffleball Tournament of Donuts**, it was a battle of patience at Wiffler's Park yesterday as the **Mayer/Diaz Axolotls** took on the winless **Krislyn Key Lime Pies**. Both teams fought a tough defensive battle throughout a complete 7 innings of play. The **Axolotls** had all the answers though as they shut out the **Key Lime Pies** by a score of 6 to 0 advancing to the next round of the playoffs. A special shout out goes to Mrs. Krislyn and her team as they showed nothing but positive spirit and support for their team throughout every hard-fought game. Today, the **Littletown Lysol** take on the **Berlanga Blueberry Brigade**.
