

The Northview Experience

Fulton County's open enrollment allows parents to CHOOSE schools to attend. Northview offers the 3DE Magnet Program as well as 13 unique pathways. NHS is the ONLY high school in Fulton County with 5 World Language options and 13 pathways in diverse concentrations, including the only school to offer a Mental Health pathway. Come see why our smaller size offers a personal experience but has something for every student. Join us for the Northview Experience!
