

# Seeking Leaders for Green Gables Clubs!

Parents, Grandparents, Teachers, Neighbors, Friends—YOU can make a difference!

Do you have a hobby, talent, skill, or passion you would like to share with students? The Green Gables PTA is looking for volunteers to lead or co-lead clubs for students before or after school. Leaders can be parents, grandparents, family, staff, or friends!

Some of the possible club ideas that students have asked for in past years include:

- Craft Club
- Talent Show
- Spanish Club (and other languages!)
- STEM Club
- Creative Writing Club
- Science Club
- Chess Club or Games Club
- And much more! New ideas are welcome!

The whole key to make our clubs program work is that **we need volunteers to coordinate the clubs**. As always, the types of clubs we are able to have will be determined by what is offered by parent/family/teacher/staff volunteers.

Some details:

- Clubs are typically planned for 3-8 weeks each term and usually meet once per week (as a club leader you can determine the schedule and number of club meetings).
- Clubs can be before or after school. (We work within the school office hours, so before-school clubs can be 7:40-8:15 a.m., and after-school hours can be 3:10-3:45 p.m.)
- You decide if you want to offer it for certain age groups or all grades.
- You determine the capacity of your club.
- We have PTA funds to help purchase club supplies.

Once we know which club choices are going to be available, we will send more details and a registration form for students to sign up.

If you are interested in planning a club, please fill out the form on the back of this page and send it to the main office at school as soon as possible. If you have questions, please contact us!
