

What is a Family Compact

A School-Parent Compact is jointly developed with parents and staff. It outlines how parents, the entire school staff, and students will share the responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards.

Communication About Student Learning

Teachers and staff at FLA are committed to communicating regularly with families about student learning. You can expect communication in a variety of the following ways (but we are not limited to only these):

- Communication Logs/Folders
- Parent – Teacher Conferences
- Phone Calls
- Emails
- Cl
- Mail
- Text
- Progress Reports/Report Cards
- Our Weekly Newsletter

Opportunities for Parent Involvement

- Honor's Assemblies
- Pastries with the Principal
- Coffee with the Counselor
- Watch Dogs
- Open House
- Meet the Teacher
- Bike Rodeo
- Fall Festival
- Field Trips
- PTO Meetings
- Fundraisers
- Literacy Night
- Math Night
- Grade level music performances

GOALS

DISTRICT GOAL

To meet or exceed Texas Education Agency standards and prepare students for higher education and workforce readiness

CAMPUS GOALS

READING

Focus on the development of both automatic word recognition and fluent expression, keeping understanding of the text as the central goal.

WRITING

Develop students' ability to write in a clear, cohesive manner while focusing on appropriate mechanics.

MATH

Facilitate a climate of perseverance in problem solving situations and build conceptual understanding.

SCIENCE

Provide meaningful, hands-on opportunities in the discovery of important science concepts.

Working Together to Ensure Student Success

Teachers will...

- Offer multiple forms of communication between school and home including phone calls, emails, notes home, parent/teacher conferences, and our weekly newsletter.
- Celebrate the progress students make, building their confidence to keep going.
- Nurture students' individuality and creativity, while helping students build important problem solving and reasoning skills.
- Teach and respect the whole child.
- Most importantly, work hard to create a lifelong love of learning for each and every student!

Families will...

- Ensure children attend school daily and arrive on time.
- Take time to work with children at home on important reading and math skills.
- Communicate openly with teachers and staff.
- Volunteer and participate in at least some school functions to show support of student learning.
- Support the students and teachers.
- Keep children healthy and focused on their studies.
- Be positive and supportive

Students will...

- Come to school each day putting in effort to learn something new.
- Follow all school rules so that we keep a safe learning environment.
- Show respect to all staff and students.
- Be a model of the 8 Habits from Leader in Me!
- Seek help and guidance when necessary.
- Pay attention in class.
- Give their best effort.
- Have good attendance.
