

# ALEKS Placement Test Instructions

You will be taking the ALEKS placement test for mathematics. The instructions that follow explain how to access the test and how to use the Prep Modules included with the test.

1. Start by going to [www.aleks.com](http://www.aleks.com) and click on the “sign up now” link.

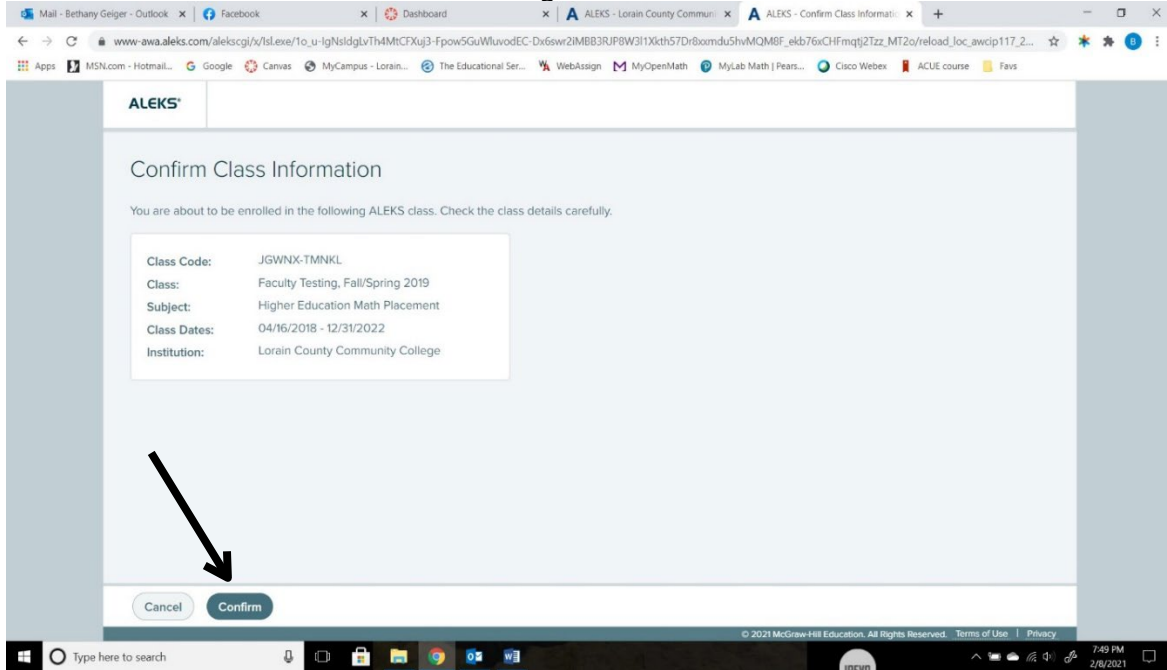

2. Enter the course code: **QDYM-GWAGFM** in the space provided. Click the “continue”

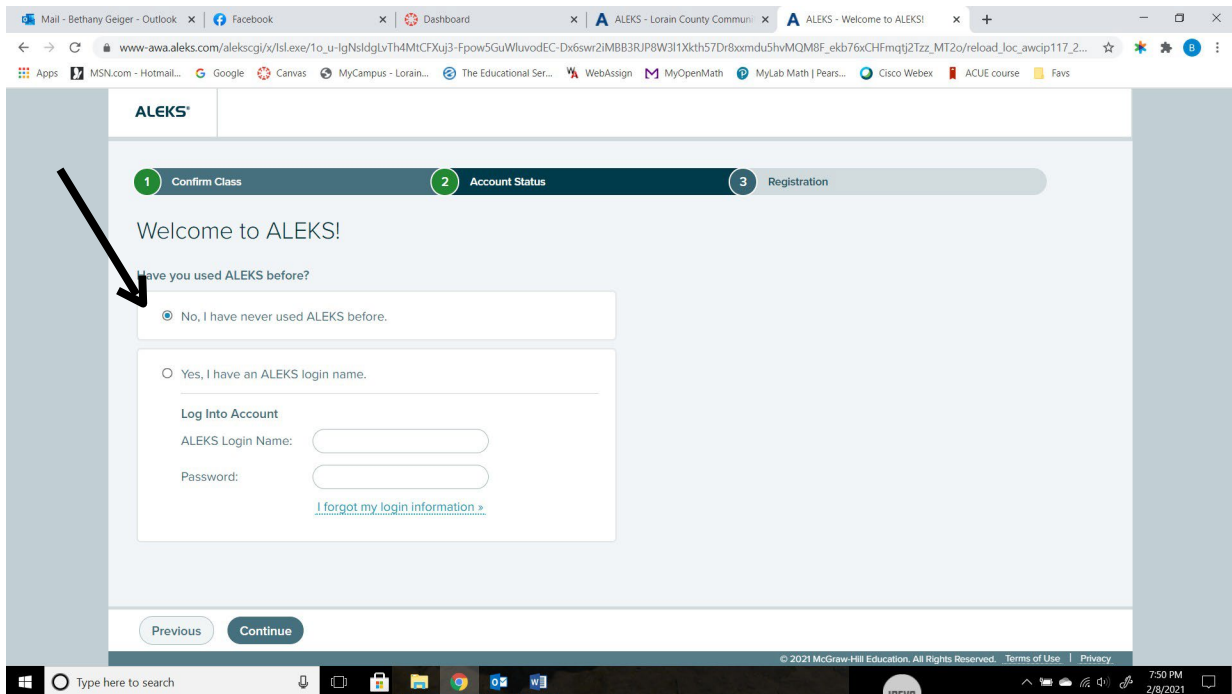

button.

3. You will see a screen like the following. Click the “confirm” button.

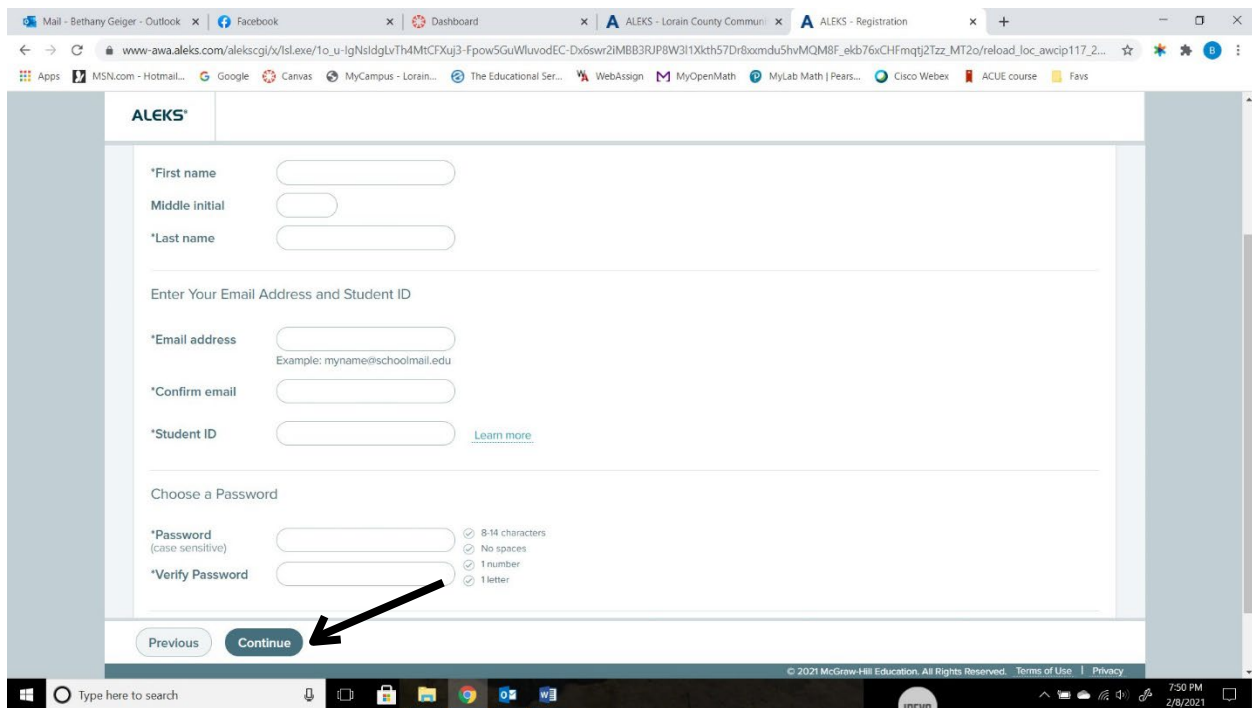

4. The next screen will ask you to choose one of two options: “I have never used ALEKS before” or “I have an ALEKS login name.” Choose the “I have never used...” option (even if you have used ALEKS before).

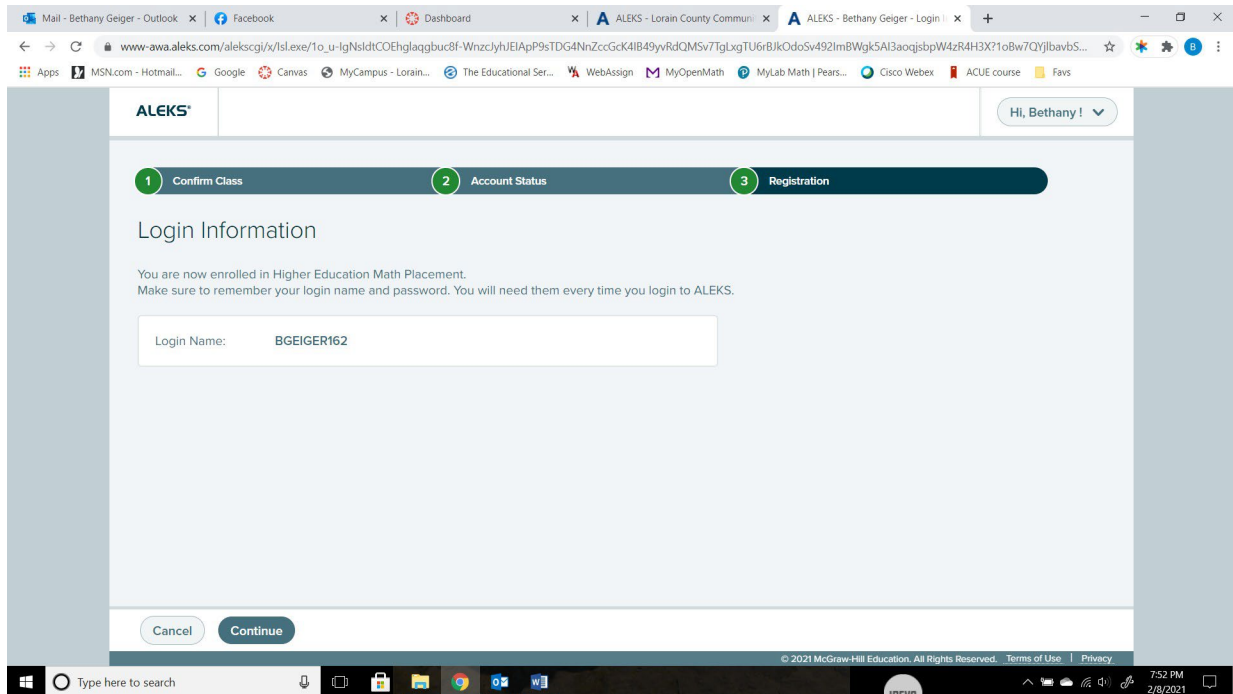

5. You will be asked to enter some personal information and to create a password.

**IMPORTANT: Be sure to enter your SWIC student ID number in the appropriate box. This ensures that your advisor will be able to access your score.**

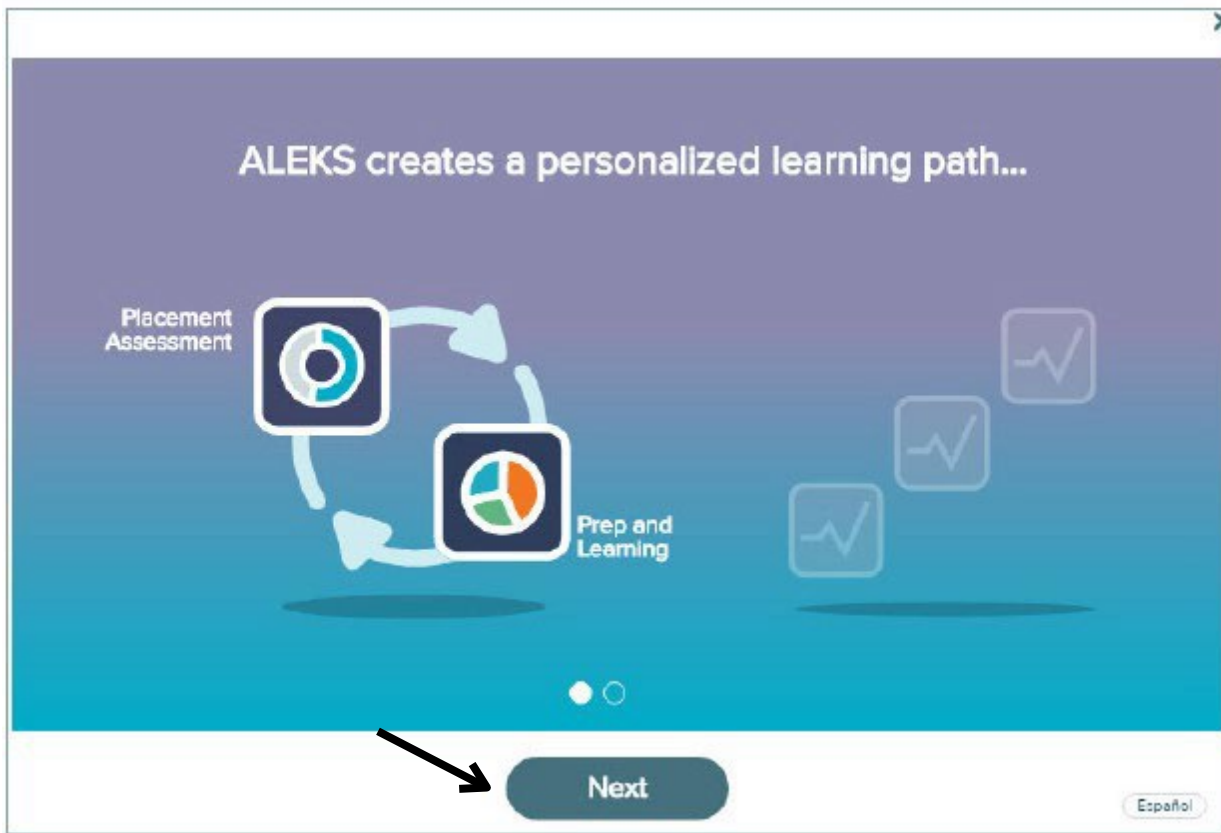

6. Once you have completed the registration, click the “continue” button. The next screen will contain your assigned login name. **Make a note of this login name and the password you chose. You will need them to login to use the Prep review Modules or to retake the placement test. A sheet has been provided for you to write these on.**

7. Click “continue” until you see the screen on the next page of these instructions.

8. Click the “next” button to begin.

9. You will be asked to answer some survey questions.

The screenshot shows a web browser window with the ALEKS interface. The browser's address bar shows the URL: www-awn.aleks.com/alekscgi/x/!sl.exe/1o\_u-!gNslkr7j8P3jH-!B!XyhtUPrkiCR!6pS6oAVDiGW!6eT8O!R!MSyVv4H39R-UUHKeXgDhVr2Y0acvz3Zhg-V!\_96GdZ3S\_71D4j2bHz\_Vsb8PkEgh71oBw7QYj!ba... The browser's tabs include "Mail - Bethany Geiger - Outlook", "Facebook", "Dashboard", "ALEKS - Lorain County Communi...", and "ALEKS - Bethany Geiger - Home". The ALEKS interface has a header with "ALEKS" and "Faculty Testing, Fall/Spring 2019". A user greeting "Hi, Bethany!" is visible. The main content area features a "UP NEXT" section with "Take a Survey" and a "GET STARTED" button. A large modal window is overlaid on the page, containing the text "...to prepare you to place into the class you want." and a diagram similar to the one in the first image, but with an arrow pointing from "Prep and Learning" to "Course Level". A "Get Started" button is at the bottom of the modal. The footer of the page includes "© 2021 McGraw-Hill Education. All Rights Reserved. Terms of Use | Privacy | Accessibility". The Windows taskbar at the bottom shows the search bar, task view, and system tray with the date "2/8/2021" and time "7:54 PM".

10. You will need to take the Tools Tutorial to learn how to enter answers in the placement test.

11. **TAKE THE EXAM.** Be sure to do your best on the test. There will be an on-screen calculator for use on problems that require it. **USE THE SCRATCH PAPER PROVIDED!**

12. After you complete the test and obtain your results, click “next” or “continue” until you see the following screen. You are now finished with the mathematics placement assessment.

13. The test comes with a 6-month access to a Prep and Learning Module that you are free to use on your own to practice. ALEKS will recommend a Prep and Learning Module for you to start with. If you finish your module, you can contact the math department to continue to the next one if you wish. Use your ALEKS login and password to access the Prep and Learning Module on your own.
