Why is parental involvement a factor in Title 1 funding?

Parental involvement is a crucial factor of Title 1 legislation. Schools receiving Title 1 funding must implement programs, activities, and procedures that include and promote parent involvement in school-related activities. Schools must also provide opportunities that encourage parents to increase their knowledge and skills as they relate to their child's education. One of the objectives of these programs and activities is to help parents understand and show them how important their involvement is in shaping the lives of their children in becoming successful and productive contributors to our society.
