SQUAWK TALK

**A NEWSLETTER FOR THE
R.W. VINCENT COMMUNITY**

Our Eagles also learn about a monthly character trait. RESPECT was the focus for August and they are learning about RESPONSIBILITY during the month of September. Each month we recognize students that exhibit our character trait of the month that the school has been learning about as our PrinciPALS. These students receive a small token, special treat, and recognition on our website/social media. Your students are working hard learning about various character traits that are helping them become outstanding citizens as well as learning many reading and math skills!

Our Eagles have been working hard in the classroom, if you have any questions or concerns regarding their progress please reach out to their teacher. All teachers may be reached through email (first.last@cpsb.org) or by leaving a message in the office.

Family Involvement Activity:

This school year our school theme is “RWV Eagles are Reaching for the Stars.” We would like you and your student to identify ways you can “Reach for the Stars” this school year. Place the goal on a star, color it, cut it out, and return it to the office to be added to our display!
