A meeting for Margate parents by Margate parents

Come and meet the Margate SEPAG (Special Education Parent Advisory Group in NJ) which is a parent-led group that provides feedback to the school district on special education challenges. A SEPAG gives parents the opportunity to provide direct input to their school district about policies, programs, practices, and services that have an impact on students with disabilities and their families. An effective SEPAG can increase the proactive involvement of families by inviting input that can be used to shape local special education policy.

If you have questions, and you would like to learn more, please come join us at our kick-off meeting and information session.

Date: Tuesday, 11/19

Time: 6:30pm

Location: William H. Ross Library

Please let us know if you will be able to attend MargateSEPAG@gmail.com. Also, if you are unable to attend and still have questions/concerns, please reach out to the same email address and we will follow up with you.

We are here to support you and your family and help get answers to your questions.

The Margate Special Education Advisory Group is a group of Margate parents who volunteer to represent, inform and advocate for the district parent base in the special education arena. Together we will help you determine any resources available to help your child(ren) learn and succeed within Margate schools.

This is an MEF sponsored event. Please email mef@margateschools.org with questions.

Dear Margate Families,

This year, the Margate School Community is hosting an EMPTY BOWLS fundraiser. **Empty Bowls** is a grassroots organization that incorporates clay bowl building to fight hunger in our area. We will spend the fall building and glazing bowls which will be sold at our SOUPer Bowl fundraising event in February 2025.

Students are invited to register for a bowl making workshop. Below you will find a registration form with the scheduled dates for the **TIGHE SCHOOL STUDENTS**. Each workshop will be limited to 15 participants, and scheduling will be decided as the slips come in.

Workshops will be held after school from 3:00 - 4:00/4:30 in the Ross School art room. The fee for the workshop will be \$10 to cover the cost of clay and glaze supplies. Students will hand-build a bowl with wet clay and glaze a bowl from a previous workshop. Please remember that we are creating the bowls for the fundraising event and although it is possible to buy back your bowl, there is no guarantee.

Thank you again for your enthusiasm with this project as we show our children how our actions can make a difference. If you have any questions, please contact me at bfarrell@margateschools.org.
