End of life for our Chromebooks

E-Rate in the Stanwood-Camano School District

The E-Rate Program provides discounts to assist eligible schools and libraries to obtain affordable internet access and telecommunications services.

This year Erate was used to:

- Replace network switches in several buildings and our data center
- Offset the monthly cost of our fiber internet maintenance agreement

Next year Erate submissions:

- Upgrade Network Core
- Bring in Endpoint Detection and Response (Pilot Grant)

Risk Control Implementation

Focus and Implementation Areas:

- Multi-factor Authentication is used for remote access to our systems and networks by all employees and contractors.
- Data is backed up daily and the data is also segmented /segregated from the network and only accessible via separate credentials outside of the Active Directory in offsite storage. (Ongoing)
- Endpoint detection (Beta form)
