MAST Score Reports

Your child's MAST (Montana Aligned to Standards Through-Year) score reports in mathematics and reading/language arts are now available through the Kite® Parent Portal. This assessment is Montana's measure of student proficiency on state content standards in grades 3-8. These standards establish goals for what all students should know and be able to do in each grade.

Accessing Your Child's Score Reports: We are pleased to provide access to your child's score reports through the secure Kite® Parent Portal. To view the reports:

1. Visit <https://parentportal-testlet.kiteaai.org>
2. Enter your email address registered with our school district
3. You will receive an access code valid for 24 hours
4. For help getting started, watch the introductory video at: <https://vimeo.com/905694120>

MAST Assessment Question Types:

- Multiple choice questions
- Matching and ordering tasks
- Short text entry responses
- Technology-enhanced items
- ELA constructed writing responses

What You'll Find in the Score Reports:

- Separate testlet scores for each math and reading/language arts testlet
- Information at both the standard and question level
- Math reports include information about specific content understanding
- ELA reports include information on clustered topics of standards
- Students will receive a separate summative score for math and reading/language arts in the fall of 2025

It's important to remember that no single assessment should be the sole factor in making educational decisions. When combined with grades, classroom activities, unit quizzes, tests, and district-level assessments, these results help provide a complete picture of your child's academic progress and path toward success.

Understanding the Score Report:

- Skill Description: Description of the skill each item assessed
- CCSS Code: Specific Common Core State Standard code the question aligned with
- Credit: Amount of credit earned for each item

Additional Resources:

- Visit the Parent Resources section of the MAST Portal website:
<https://newmeridiancorp.org/montana-aligned-to-standards-through-year-program-portal/>
- Review the [MAST Student Score Report Interpretive Guidance](#) document for detailed information about understanding your child's results
- The Kite Parent Portal Manual is available at the MAST Portal

If you have any questions about accessing the reports or need help understanding the results, please contact your child's teacher or Dr. Erin Ellis. Your engagement in your child's education is highly valued and appreciated.
