**SAFE STOP™**  
Giving you peace of mind

**Lighten your daily load.**  
Parents have enough to worry about. SafeStop puts key information at your fingertips so you won't lose time or energy wondering "where's the bus?"

**Set up SafeStop:**

1. Download the SafeStop app from the App Store or Google Play.
2. Enter the school access code provided below.
3. Enter your child's unique Student ID.
4. Select the (bus or route name based on school communications preference) you wish to track.
5. Create alert zones around drop-off and pick-up points.

You're all set! You will be able to track the bus's movement during active route times and receive notifications when the bus enters your custom alert zone(s).

**Trust that your information is secure.**  
Security is priority one, especially where student information is concerned. All parent information is password protected within the app to prevent unauthorized people from accessing any student bus information.

**Key Features:**

- View a real-time, map-based bus locator
- Guarantee parent and student information privacy
- Create custom zones for each stop and school
- Receive email alerts and push notifications
- Available on smartphones and tablets

**NOVEMBER 4, 2024– TIME: 5:30PM –6:30PM**

**MLC BOARDROOM**

**419 BOIS D'ARC ST. LOCKHART, TX 78644**

This meeting offers another opportunity for community members to provide input on the creation of new attendance zones for the opening of Borchert Loop Elementary in August 2025. Attendance rezoning will result in changes to current elementary school boundaries, so your feedback is important as we plan for our district's future growth.
