2023-2024 State Report Card

2023-2024 School Report Card Overview

Progress:

This component looks closely at the growth all students are making based on their past performances.

Overall:

Districts and schools receive an overall rating of 1 to 5 stars in half-star increments.

Graduation:

The Graduation Component is a measure of the four-year adjusted cohort graduation rate and the five-year adjusted cohort graduation rate.

Achievement:

This component represents whether student performance on state tests met established thresholds and how well students performed on tests overall.

Gap Closing:

The Gap Closing Component is a measure of the reduction in educational gaps for student subgroups.

Early Literacy:

The Early Literacy Component is a measure of reading improvement and proficiency for students in kindergarten through third grade.

Senate Bill 29

Senate Bill 29 (SB 29)

- SB 29, effective October 24, 2024, aims to enhance student data privacy and sets requirements for technology providers contracting with schools to restrict access to educational records
