

The Hunter Street Elementary SIC met on Tuesday, October 29, 2024 at 6:00 pm. Members present were: Neil Bratton, Brooke Brown, Jenny Hill, Sara Howard, and Jane Wallace.

Members were introduced to each other and the group discussed the purpose of the School Improvement Council as well as the SIC Handbook. Mrs. Wallace encouraged members to explore the training offered on the SIC Website. (<https://sic.sc.gov/sic-information/current-sic-training>). To make our council match our current by-laws, we need to add another parent and another community member. The council is asked for suggestions.

The group explored Hunter Street's recently released School Report Card and Mrs. Wallace briefly explained how the rating of Excellent (67) was calculated. The current 5-year improvement plan was briefly reviewed and goals for the year discussed.

Since there were so few members present for officer elections, the group decided to leave current officers in place for the 2024-2025 school year. This can be revisited when more members are present.

- Mariah McCarter - Chair
- Brooke Brown - Vice-Chair
- Jennifer Shortridge - Secretary

Meetings for the year were set for November 19, February 6, and April 17. The group agreed that meetings would be held at 7:15 am.

Mrs. Wallace closed the meeting with an invitation to Hunter Street's Board Spotlight on December 4, and asking the group to think of ways to involve our parents and community, as well as keeping our students satisfied with their school environment.
