Navigation Tips

- Use the tabs and links on the screens to navigate between pages.
- Do not use your browser's back button as it may cause errors.
- When performing searches, try to enter as much as search criteria as possible before pressing the **Go** button. This will reduce the time it takes for search results to return.
- When searching, partial values can be entered with the wildcard (%). Example: Invoice Search for INN% will return all invoices that begin with INN.
- Use **Export** button to export results to Excel

- The Dallas ISD iSupplier Portal allows a supplier to create invoices related to a Dallas ISD Purchase Order. Entering invoices in the iSupplier Portal is a quick method to submit invoices directly to Dallas ISD.
- To access, login to the Dallas ISD iSupplier system <https://mylogin.dallasisd.org> using the username and password previously provided to you in an email.
- Forgot Password - If you forgot the password you previously set, click on **Login Assistance** on the Login page to reset your password.
- Once logged in, click 'DISD iSupplier User – (Invoice Creation) ' and then click on **Transaction Inquiry** to go to the Transaction Inquiry Home page.

- Please make sure you have your Dallas ISD Purchase Order # available before starting to create an invoice. You can inquire on your Purchase Orders in the **Orders** tab to see all Purchase Orders.

Dallas ISD iSupplier Portal will not allow the creation of invoices against POs that are already fully invoiced.

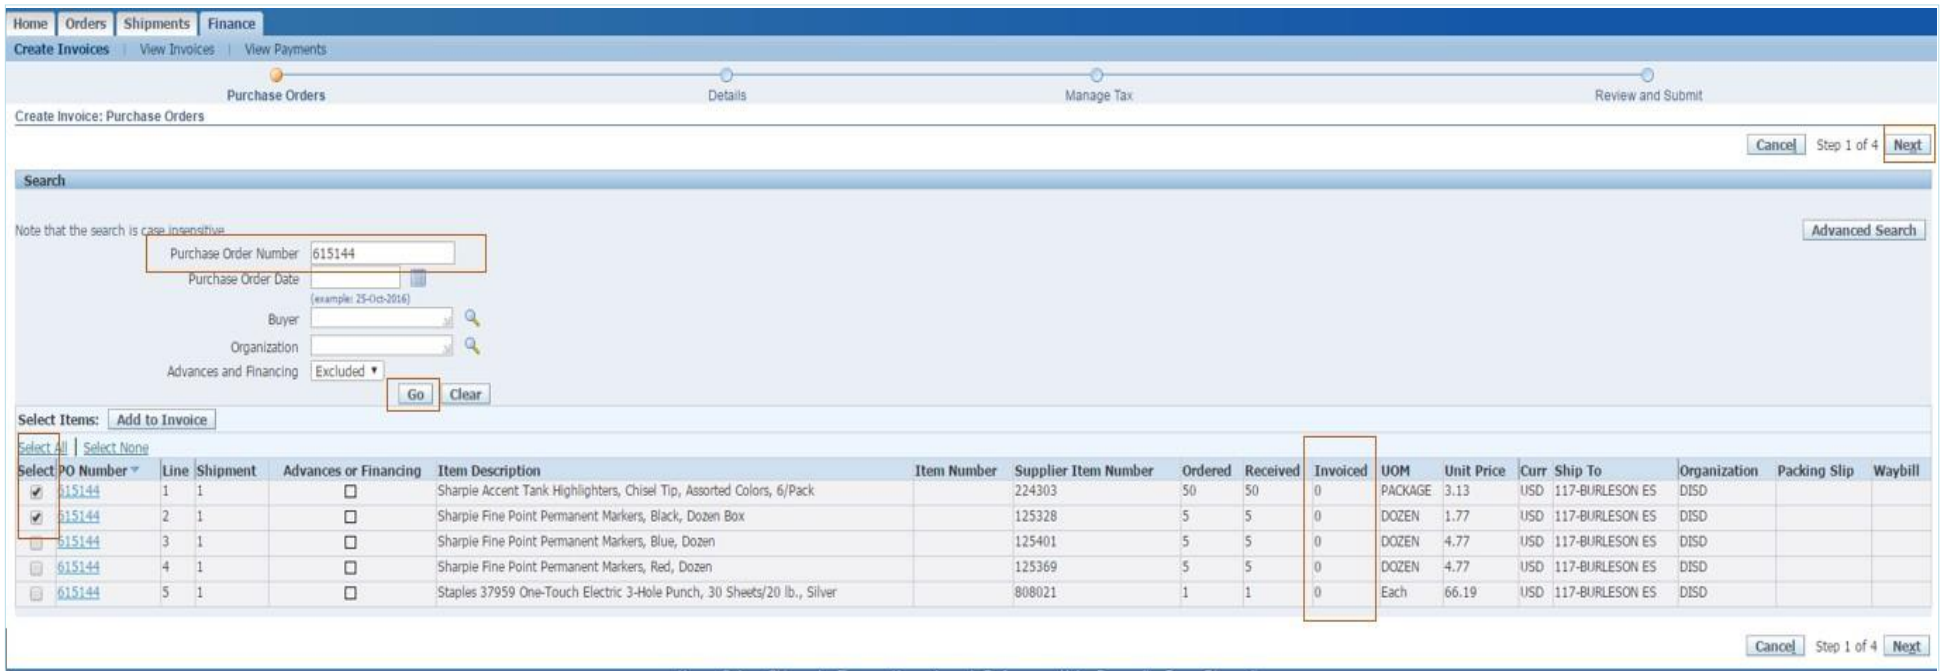

- Click on the 'Finance' tab and then click 'Create Invoices'
- Click on the **Go** button next to **Create Invoice With a PO** **Go**

- This is the main Invoice Entry screen.
- **Invoice Number** - Enter Invoice Number. Make sure it is a unique Invoice number for your supplier or the system will generate an error.
- **Invoice Description** - Optionally enter an Invoice Description.
- **Remit To** - Select a different 'Remit to' if you want your payment to go to a different address.
- **Quantity** - The PO lines will show total quantity available to invoice for the lines selected. If required, reduce the quantity invoiced accordingly.
- **Unit Price** - The PO will show the Unit Price from the DISD Purchase Order. You can optionally decrease the price, however the system does not allow increasing the price above the PO agreed price.
