

Dear Parents and Guardians,

We're excited to invite you to an essential Parent Night hosted by the Bibb County Board of Education. This special event will take place on Thursday, November 7th, from 5:00 - 6:00 PM in the Bibb County Board of Education Board Room.

Experts from the National Center for Missing and Exploited Children will lead a powerful NetSmartz Parent Presentation, designed to equip families with knowledge and resources to keep children safe in today's digital world. Topics covered will include:

- **Cyberbullying and Tactics:** Get insights into the ways cyberbullying impacts children and learn how to recognize the signs early. We'll discuss effective prevention steps and intervention strategies that work.
- **Sexting and Sextortion:** Our NCMEC experts will share critical information on youth sexting and sextortion, including guidance on teaching children safe, responsible online communication and preventing exploitation.
- **Social Media and Online Safety:** Explore the latest trends and risks on social media, and take-home practical tips for talking to your children about privacy and safety settings.

This presentation will provide invaluable tools and resources to help protect children online. We'll also offer take-home materials to help you continue the conversation with your family.

Don't miss this chance to gain professional insights and strategies from experts dedicated to keeping children safe. We look forward to seeing you there!

Sincerely,
