I. School Information

Address: 220 17th Ave. NE, Waseca, MN 56093

Phone: 507-833-8326

Website: www.team.k12.mn.us

Grades Served: K-6

Year opened: 2004

Mission: TEAM Academy: Where students and potential meet.

Vision: Through collaboration of students, teachers, and parents we expect:

- Achievement of personal growth
- Building of strong character
- Contribution to a diverse society

Ways that we will achieve our mission and vision:

Our school day will begin at 8:00 and will end at 2:45, however academic offerings will be provided until 4:00 each day. A lengthened school day is a key to enhanced student learning.

Teachers are on call if students or parents have questions regarding homework beyond school hours. This means of communication will be expected and encouraged. Parents, teachers and students will be active members in the communication process.

Each teacher will give daily homework. Parents will be asked to sign-off on homework completion. Increased homework is viewed as essential for heightened learning.

The vision and goal of attending a post-secondary education will be developed with the students and will be integrated throughout the daily curriculum and atmosphere of the school. *At TEAM, the belief is not that every child can learn, but that every child WILL learn.*

Every child learning is not something that will happen automatically. At TEAM Academy the creation of partnerships between the school, parents, and teachers is essential. TEAM staff will meet with parents and students before the start of each school year. The purpose of these meetings will be to explain the details of the program and to build collaboration with the staff, parents and student. The teacher, parent(s) and student(s) will sign a contract indicating their choice and commitment.

In the beginning of the year the majority of the instructional time will be spent building a collaborative, structured, and caring community. The majority of our teachers are trained in Responsive Classroom. All staff at TEAM have this same philosophy. Parents, students, and teachers working collaboratively are essential to carrying out these beliefs.

Our reading curriculum is Wonders and for math we use Math Expressions. Both reading and math curriculums are aligned to the Minnesota State Standards.

School started on Tuesday, September 5 and concluded on Friday, May 24. Our school day started at 8:00 AM and concluded at 3:00 PM each day. We had 8 teacher in-service days.

Our bussing was provided by our resident district Waseca Public Schools. We serve our own breakfast and cater our lunches from Waseca Public Schools. We offer a before and after school Extended Day Program as well as a Targeted Services After School Program. We contract our cleaning services with Job's Plus. They clean and take out trash before school every day and come over the lunch hours as well.

Authorizer Information

Our authorizer is Novation Education Opportunities (NEO). We have been authorized by NEO since the 2010-11 school year. We renewed our contract for another five years at the end of the 20-21 school year. NEO provides oversight to our school by conducting visits, attending board meetings, reviewing school board packets, and required reports.

II. Student Enrollment

Number of Students Enrolled

Our enrollment declined during COVID and is slowly coming back up. We continue to serve a migrant population that leaves in October and will return in May each year.

	2022-23	2023-24	2024-25 (est.)
Kindergarten	13	16	19
1st Grade	16	14	13
2nd Grade	12	21	12
3rd Grade	20	13	22
4th Grade	14	19	12
5th Grade	11	13	15
6th Grade	17	11	10
Total (whole year)	108	107	103
Total ADM (Average Daily Membership) for year	90.71	94.96	

Key Demographic Trends

Our demographics have continued to be the same over the past three years. Our F/R lunch percentage has increased this past year. We have a high population of migrant students in the fall each year. Our LEP has increased with adding our ELL teacher and being able to screen our students now and identify them better.

	2021-22	2022-23	2023-24
Total Enrollment (Oct 1)	112	106	103
Male	56	56	56
Female	56	50	40
Special Education	21.9%	17.9%	24.3
LEP	20.9%	18.9%	20.4
African American	5	6	5.8
Latino	46	44	40.8
Asian/PI	1	1	1
American Indian	0	0	1.9
White	58	53	47.6
F/R Lunch	57.7%	71.6%	81.6

III. Student Attendance, Attrition & Mobility

STUDENT ATTENDANCE

	2021-22	2022-23	2023-24
Overall Attendance Rate	90.85	92.81	90.94

Our attendance goal is 90% each year.

STUDENT ATTRITION

Percentage of students* who are continuously enrolled between October 1 of 2022-23 school year and October 1 of 2023-24 school year.	<u>93%</u>
--	-------------------

Percentage of students* who continue enrollment in the school from Spring 2023 to October 1, 2024.	<u>92%</u>
--	-------------------

We continue to see a number of our families moving to where they can find affordable housing. This is sometimes in another town so students are forced to leave our school. We have seen a trend where our 5th and 6th grade students will transition to the resident district.

V.C Mobility			
Performance Rating	Mobility Goals (Grades K-6) not including migrant students	Point Value	Points Earned
Exemplary	Fewer than 10 percent of students transfer out of school to the resident district after October 1.	2	2
Satisfactory	10 - 15 percent of students transfer out of school to the resident district after October 1.	1	
Not Satisfactory	More than 15 percent of students transfer out of school to the resident district after October 1.	0	

Results	Year	Number of Transfers Out	Total Number of Students	Percent Transferring Out	Migrant Students-Transferred out
	Baseline 2016-2019	23	492	4.67%	39
	2019-2020	2	124	1.61%	10
	2020-2021	1	98	1.02%	3
	2021-2022	2	110	1.82%	11
	2022-2023	3	108	2.78%	10
	2023-2024	0	94	0.00%	12
	2019-2024	8	534	1.50%	46
Analysis	The school's combined mobility rate is 1.50%.				

Our student mobility has changed over the past three years. We continue to see a number of our families moving to where they can find affordable housing. This is sometimes in another town so students are forced to leave our school. We have seen a trend where our 5th and 6th grade students will transition to the resident district. We also have a migrant population in the fall and they leave around mid-October each year.

Percentage of students who were enrolled for 95% or more of the 23-24 school year.	<u>95%</u>

MANAGEMENT

Our organizational chart is outlined below.

V. Result of Annual Assessment of Board Performance

Our school board will complete an annual assessment of board performance during the 24-25 school year.

VI. Training Each Board Member Attended in Previous Year

Board members attend the Minnesota School Board Associations Charter School Board Training. The training consists of three components: Board Governance, Financial Matters, and Employment Matters. During the 23-24 school year our board members attended training offered through MSBA and the Minnesota Charter Board Training and Development website.

VII. Training Completed by the School Director

Our school director has her superintendent license. She attended all teacher in-service days, MSBA trainings, NEO Celebration of Leadership and Learning, PELSB trainings, School Nutrition Program trainings, and Read Act.

VIII. Staffing

TEAM Academy strives to find staff members that are dedicated, hardworking, strong character, and have an invested interest in our school. A hiring committee is used when any new staff member needs to be hired.

Expenses

Large costs for the 23-24 school year included Chromebooks.

Net Income and Fund Balance

Our fund balance is \$807,252. It is our school goal to have a fund balance that will last us three months.

X. Review of Goals, Outcomes, and Strategies from the Previous Year

TEAM Academy uses a variety of tools to measure and determine students' academic growth and proficiency of grade level standards. These tools range from informal assessments observed during classroom activities to formal, mandated assessments such as the Minnesota Comprehensive Assessment (MCA). Educators can use these assessments to identify the needs of the students and adjust instructional strategies to meet the needs of their students and encourage individualized academic growth.

There are three main assessment windows: Fall (September/October), Winter (January/February), and Spring (March-May). School-wide assessments such as AIMSweb are used to monitor student growth throughout an academic year and from year-to-year. The Minnesota Comprehensive Assessments (MCAs) are required for all students in Minnesota to determine student proficiency of academic standards. Classroom teachers also use curriculum assessments in reading and math.

TEAM Academy Assessment Calendar

Students test all week long. Teachers will choose times that work best for their class.

Test	Reading	Math	Science	Timeline for results	Purpose/Rationale	Approximate Total Testing Time
MCA MTAS Alternate Access http://education.state.mn.us/MDE/fam/tests/ State Required	April 15-19 3-6 grade Make up dates May 2-5	April 22-26 3-6 grade Make up dates May 2-5	April 29-30 5th grade Make up dates May 2-5	We get the student results sheets at the end of August each year from MDE. Results will be shared with parents when school starts in September.	Summative assessment measures achievement on the Minnesota Academic Standards and measures academic progress of students over time. Minnesota Statutes, section 120B.30 and ESEA.	6 hours
AIMSweb http://www.aimswebplus.com/ District Required	September 11-22 January 8-19 May 6-17		NA	Benchmark scores will be shared with parents at Fall Conferences, Winter Conferences, and sent home at the end of the school year.	Formative data used to improve instruction. Benchmark score used for interventions.	1.5 hours
WIDA State Required	February 5-23			We get the student results sheets at the end of August each year from MDE. Results will be shared with parents when school starts in September.	To measure progress for English language learners (ELLs). English learners who receive special education services and meet the participation guidelines may take the Alternate ACCESS for ELLs.	2 hours

Once new testing data is available, staff meets in various formats to discuss student progress. This evaluation starts on a school-wide basis and eventually funnels down to the individual student level. As the process moves forward, the information gathered from assessment data is used in a number of ways. These include (but are not limited to) planning for progress monitoring, flex grouping and qualifications for special programming such as Title I and Intervention Time. Students who are not making progress might be placed in our Title 1 or ADSIS

intervention programs. Students in these programs are progress monitored every two weeks. Progress monitoring data is looked at every two weeks to see if students are making progress.

What do you like best about TEAM Academy?

- How well they work with kids
- Everyone has always been so nice and they are always willing to help my child and they have good communication
- I enjoy how much my daughter loves going to school. She is bombed out when she misses school
- Friendly environment
- The extended day program really helps our family.
- Welcoming staff, small environment, and inclusion for all kids.
- The teachers care, the small class sizes, that students get to know all the other grades, good programs, free lunch, small school
- Amazing staff
- We do like the activities and family involvement that Team provides. We also like the smaller class sizes. And the fact that there are several teachers in each classroom and that our children get to stay young and innocent, as long as possible. Due to the smaller class sizes and the wonderful activities provided by Team Academy.
- The small class sizes and close knit atmosphere
- The small class and everyone is so friendly and welcoming
- I think it's a good school and good teachers
- The fun dress up days and happy teachers!
- Classes are smaller and teachers are better able to focus on students, and team has more field trips
- My child loves going to school. All teachers are very welcoming and knows all students
- Everyone is welcoming
- I enjoy my child's good experience going to the school and coming home from school. I appreciate communication from staff about my child. I really appreciate the early child drop-off program and late pick-up programs when they're needed and the after school clubs that my child enjoys when they are able to participate.
- small class size
- Everyone is welcoming. Staff know all the students and the smaller classrooms

- Teachers
- Everyone is very friendly
- The communication

XI. Innovative Practices & Implementation

TEAM Academy students take Art, Spanish, Music, SMART, and Library classes each week. TEAM Academy offers an after school program from 3:00-4:00 PM each day. Our after school program is a time where students can work on more reading and math skills in a different setting.

We offer summer school each year. All students are invited to attend summer school session for five weeks. Our summer school had a theme of the camping while working on math and reading skills.

This past school year we had great success continuing to implement our Wonders, Daily 5, and Math Expressions Curriculum.

One challenge we are seeing more each year is the mobility of our students. Every year more students are moving in and out of our school during the year. Housing, employment, and family dynamics seem to be the top reasons why students are moving.

XII. Improvement Plans

TEAM Academy ensures that all students will receive instruction, curriculum and assessment, which will complete the state and district academic standards in all disciplines. Technology will be integrated across all disciplines. When the Minnesota Department of Education adopts new standards in a subject area, that subject area will be given a two year review to align curriculum to the new standards.

Year	Curriculum Mapping/Implement	Evaluate present curriculum; research & recommend improvements; plan and pilot; spring board report
2023-24	Social	Art, Music, & Spanish
2024-25	Art, Music, & Spanish	Math
2025-26	Math	Science
2026-27	Science	Reading
2027-28	Reading	Social

All professional development at TEAM Academy aligns with student data and our Q-Comp plan. Teachers meet in a Professional Learning Community every Wednesday morning for one hour. The PLC Leaders plan these meetings with the director. Our Continuing Education Committee will be responsible for planning all In-service days. The PLC Leaders also sit on this committee to align staff development to our student data and Q-Comp goals.

Our special education students have always been mainstreamed in the regular education classroom and only pulled out for when they need to be. We want them to get as much reading and math with their classmates and get extra instruction from their special education teacher in order to help give them this extra boost of learning. We have one Learning Disabilities teacher and one Emotional Behavior Disability teacher. Our social worker also spends about a quarter of her time working with special education students.

All ELL students are mainstreamed for the majority of their school day. Teachers use ELL strategies with students and consult with our reading intervention teacher when needed. We have a part time ELL teacher that will pull students for up to 30 minutes a day.

XIII. Efforts to Equitably Distribute Diverse, Effective, and In-field Teachers

Many of our staff members have been at TEAM for the majority of their teaching career. This past year we only needed to hire one new staff member. All staff attend our monthly in-service days and weekly PLC meetings. We have one staff member on a Tier 1 license and one with an out of field license.

XIV. Documentation of Dissemination of Information About the School's Offering and Enrollment Procedures to Diverse Community Groups

XV. Future Plans

Currently our school is not at capacity. We would like to grow our school to 175 students. We want to continue to be a successful school and a viable choice for families looking for an elementary school in the Waseca area. We were approved to add a PreK program and are moving forward with this for the 25-26 school year.
