## 607 ORGANIZATION OF GRADE LEVELS

### I. PURPOSE

The purpose of this policy is to address the grade level organization of schools within the school district.

### II. GENERAL STATEMENT OF POLICY

- A. It is the policy of the school district to address the groupings of grade levels as recognized in Minnesota Statutes section 120A.05, as follows:

**Elementary:**     **Grades prekindergarten through 4**  
**Middle:**         **Grades 5-8**  
**Secondary:**     **Grades 9 through 12**  
**Vocational**     **Grades 7 through 12**

- B. The superintendent may seek school board approval to administer certain programs on a nongraded basis or a design different from that indicated. Program proposals that seek school board approval must meet all state requirements and reflect the rationale for the modification.
- C. The school district may request documentation that verifies a student falls within the school's minimum and maximum age requirements for admission to publicly funded prekindergarten, preschool, kindergarten, or grades 1 through 12. Documentation may include a passport, a hospital birth record or physician's certificate, a baptismal or religious certificate, an adoption record, health records, immunization records, immigration records, previously verified school records, early childhood screening records, Minnesota Immunization Information Connection records, or an affidavit from a parent.

### III. DEFINITIONS

- A. "Kindergarten" means a program designed for students five years of age on September 1 of the calendar year in which the school year commences that prepares students to enter first grade the following school year.
- B. "Prekindergarten" means a program designed for students younger than five years of age on September 1 of the calendar year in which the school year commences that prepares students to enter kindergarten the following school year.
