Emergency Procedures & Communications

In the case of an emergency at our schools, we ask that you please remember to look for official information from the school or district. We may deliver messages via school and district websites, email, phone, text, and district social media accounts - [Facebook](#), [X](#) (formerly Twitter), and [Instagram](#).

Parent Emergency Contact Information

Please ensure that we have your most accurate contact information on file in order to be able to effectively communicate with you during an emergency.

In the event that you move, you must verify your new address with your school's front office. Student and parent contact information can be updated throughout the year via the [Aeries Parent Portal](#). The school office cannot be responsible for making those changes.

Please contact your school to receive your student's confidential account information so that you may sign up for a portal account. If you are unable to create a portal account, please visit your child's school to update contact information.

Emergency Procedures

Our school has emergency procedures in our comprehensive school safety plan and conducts training with staff on a regular basis.

We have implemented the "I Love U Guys" Standard Response Protocol (SRP), which is a uniform, planned and practiced response to an incident. It defines the five actions to take in an emergency: **Hold, Secure, Lockdown, Evacuate, and Shelter**. Staff and student trainings are conducted annually at the start of the school year to familiarize ourselves with the emergency actions, and fire, lockdown, secure, earthquake, and disaster drills are conducted throughout the year. In collaboration with local law enforcement and school resource officers (SROs), safety drills utilize the common language defined in the SRP. Please familiarize yourself with the five SRP actions so that in the event of an emergency, you have a clear understanding of the action being taken to support immediate safety efforts. Corresponding signage with descriptions of the five actions are displayed throughout our schools.

In the event of an earthquake or disaster, we have established the following procedures for the safety of all school occupants:

- Absolutely no parking in the parking lot to allow emergency vehicles access.
- Do not enter the school building. Rescue teams are equipped for this purpose.
- Report to the Reunification Location to pick-up your child. (in front of the school office)
- Reinforce the necessity of your child remaining at school until an adult listed as an emergency contact in Aeries arrives to pick them up.

Safe and Secure Campus

We have a locked campus to ensure the safety and security of students and staff. If school is in session, your child must check in through the office and receive a tardy slip. Do not instruct your child to go directly to class. All parents and other visitors must enter through the front office.

The campus is open to parent volunteers and visitors. In accordance with state law, all visitors must first check in at the office, will be required to be cleared through the Raptor visitor management system, and must wear an identification badge. It is necessary to sign in and out when visiting our school. This procedure gives us a chance to say "hello" to those we know, to meet those we do not know, and to make sure unauthorized access to the school does not compromise the safety of our students or teachers.

ACADEMICS

Academic Honesty

Students are expected to do their own work in an honest and forthright manner. Looking at another student's test paper, using cheat sheets, obtaining test answers, copying homework, and plagiarizing (copying from a book, magazine, a peer, or the internet) to complete an assignment or project are dishonest acts. Students who compromise their integrity in these ways will be subject to disciplinary action.

Additionally, using AI-powered digital tools to generate content that is presented as original work is a form of plagiarism. This includes having AI write essays, answer test questions, or paraphrase existing content without proper citation. Remember, schoolwork is about developing your own knowledge and critical thinking skills. If you're unsure whether a particular use of AI is acceptable, consult your teacher before proceeding. More information regarding citation and appropriate use of AI can be found [here](#).

Academic Intervention

School sites employ support teachers who work with students who need academic intervention. We use assessment to monitor student progress toward standards. We use a Student Study Team model to meet and plan interventions for students at the school site level.

Gifted and Talented Education

GATE (Gifted and Talented Education) is an educational program that offers learning opportunities aligned with students' identified needs and abilities. All Newport Mesa students are screened mid-year in grade 3 for qualification into the district's GATE program. Newport Mesa Unified School District offers a Gifted and Talented Education Program for eligible students beginning in grade 4. Classroom instruction begins with the grade level core curriculum and is differentiated based upon student need and ability. The development of critical thinking is emphasized.

Homework

Homework serves as an essential component of the learning process, designed to reinforce classroom instruction, promote independent learning and enhance academic skills. NMUSD believes that homework plays a valuable role in academic development and NMUSD policies reflect this belief. Please check with your student's teacher to learn more about their homework policy.

Homework Requests for Absent Students

NMUSD recognizes the importance of maintaining the continuity of learning, even when students are absent from class. Independent study options are available to support students in keeping up with missed coursework. Short-term independent study is offered to students who are going to be out for 3-15 days. Long term independent study is for students who plan to be out longer than 15 days. Please contact the school for more information.

Following an illness, teachers will give reasonable help to the student in making up missed work. Parents may request assignments on the second day of absence. Requests should be directed to the school office. Teachers will make every effort to get assignments to you as soon as possible. Please do not interrupt classroom instruction to gather assignments. Requested homework will be left in the office for pickup.

Report Cards

Three times per year, report cards are issued for all students in grades TK-6. Students and Parents can access their report card online by logging into the NMUSD Illuminate Home Connect Portal via their ClassLink account.

ARRIVAL/DISMISSAL

Parking Lot Rules

We have limited parking available in the Whittier Elementary School parking lot. We have designated drop-off and pick-up areas that are supervised by a staff member. Please allow extra time during rainy weather. We ask that you do not double park or park in the red zones. This is for the safety of our students and staff and we must keep these areas clear for emergency personnel, district buses, and delivery services. Please respect the neighbors/community and do not block driveway access. Obey all parking signs.

Parking Lot

- The spots in the parking lot are provided for Whittier staff members.
- Red and blue curbs are illegal for stopping or parking. Please do not pull over or park in the bus loading and unloading areas. Parking in the handicapped parking zone is against the law and can result in ticketing. It is reserved for students, families, and guests with disabilities who have the appropriate permit.

For the safe daily drop-off of all students during the school year, please observe the following safety procedures:

- Please drive through the parking lot and stop to drop your student at the designated sign: "Student Drop Off."
- Please be mindful of your timing as you drop off your student; taking time to converse may cause cars behind you to back up, resulting in congestion.
- If you need to leave your car, please find parking on the street.
- Children who are not picked up promptly will be escorted to the office area until their guardian comes in to check them out. If you know you are going to be late, please contact the office.
- Do not double park and release or pick up your child on any adjacent street near the school.
- The school parking lot is closed from 1:45-2:25 PM to ensure the safety of all students.
- The preschool parking lot is reserved to parents of preschool students

Bus Transportation

NMUSD offers fee-based bus transportation on a first-come, first-served basis for eligible students. All students are required to have a bus pass to ride the bus. Students are eligible if they attend their school of residence and meet mileage criteria. (Elementary students must live more than .75 miles from their home school.) For more information, contact the Transportation Department at (714) 424-5065 or visit the [NMUSD Transportation Department website](#).

Morning Arrival

7:30 AM - Breakfast service begins. Staff supervision is provided only for students eating breakfast.

7:40 AM - Staff supervision begins on playground

- Students should not be dropped off at school prior to staff supervision at 7:40 am

- Students and/or guardians are not permitted in classrooms or hallways before school starts, unless previously scheduled with a teacher or staff member.

7:53 AM - Warning Bell - all students should line up at their designated spot on the blacktop

7:55 AM - Instruction Begins - Students that are late should get a tardy slip from the office

- Parents/guardians should say goodbye at the arrival lines. Teachers will walk their students to the classrooms. Parents/guardians are not permitted to walk with students back to the classrooms after the 7:55 am bell. Any adult who is volunteering first thing in the morning must follow the Volunteering Guidelines and check in at the office.

Afternoon Dismissal

- NMUSD offers after-school care through Project Kidz Connect.
- All younger siblings and/or non-students must be accompanied by and supervised by an adult at all times.
- Guardians must make arrangements for pick-up and transportation immediately after dismissal. Habitual lateness in picking up a student will result in a conference to develop an afterschool plan. Students may NOT stay at school unsupervised, students must leave campus as soon as dismissed unless participating in an after-school program.
- Kindergarten and 1st-grade students must be met by an adult.

Early Departure

For the safety and protection of the students, no students are permitted to leave the school grounds at any time during the day unless they are on a school-sanctioned field trip or accompanied by a parent, guardian, or their delegate. Students will only be released to adults listed in Aeries as authorized Emergency Contacts. Please keep this information up to date. Students need to be signed out in the office on the sign-out sheet. To protect our students, please be prepared to show your identification. Please allow enough time for your child to pack their backpack and gather any homework.

ATTENDANCE

Absence(s) - How to Report

If a student is absent, parents must notify the school by telephone using the 24-hour Attendance Hotline(949) 515-6816. This is for the protection and safety of your child. Please leave the following information when calling the hotline:

- Your name and relationship to the child
- Your child's name (first and last)
- Child's grade and teacher's name
- Date of absence(s)
- Reason for absence(s)

Whenever a student is absent from school or class, the actual reason for the absence shall be determined by a qualified school employee. All absences must be verified to the office no later than three (3) school days after the absence. If the absence is not verified, it will automatically be converted to a truancy ("cut"). A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition. Additionally, it is requested that any planned absences be communicated to the office and teacher in advance, when possible.

Tardiness

It is important to be at school on time, every day.

Students benefit from an easy and predictable morning routine. They enjoy starting their day in a calm manner, walking into the classroom with their friends and enjoying a greeting from their teacher. When they are rushed, late,

and have a chaotic start to their day, they may not recover until after recess when they get the reset that allows them to start again, in a predictable pattern. There is a great loss of instructional minutes all morning, much more than the few minutes lost by being late to school. Please create a family routine that allows children to start school on time and ready to learn.

Students should arrive at school by the 7:53 AM warning bell. Students are considered tardy if they are not in line, at the flag deck, or in their classroom by the 7:55 AM bell. This is critical as important learning takes place from the first minute of the school day. Punctuality is also an important life skill to teach children. Students arriving at school on time also cut down on disruptions to the class that result from students entering the classroom late.

Should your student arrive at school after the bell has rung, he/she should proceed to the office to receive a tardy slip.

Chronic Absence and Truancy

Attendance Notifications

We believe that regular attendance is vital for your child's academic success. We are committed to fostering open communication with parents to address any attendance issues that may arise. Our attendance notification system is designed to keep you informed and to work together in supporting your child's attendance.

FIRST NOTIFICATION OF TRUANCY

If your child has missed school without a valid excuse on three full days in one school year or has been tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, you will receive a "FIRST NOTIFICATION OF TRUANCY."

SECOND NOTIFICATION OF TRUANCY

If attendance has not improved since the issuance of the "FIRST NOTIFICATION OF TRUANCY", you will receive a "SECOND NOTIFICATION OF TRUANCY." A conference may be scheduled to discuss attendance concerns and develop strategies for improvement.

SCHEDULED CONFERENCE

After the issuance of the "SECOND NOTIFICATION OF TRUANCY," a conference may be scheduled with you and your child to address attendance concerns and collaborate on improvement strategies.

THIRD NOTIFICATION OF TRUANCY

If attendance has not improved since the "SECOND NOTIFICATION OF TRUANCY," and your child continues to miss school without a valid excuse, you will receive a "THIRD NOTIFICATION OF TRUANCY."

CHRONIC ABSENCE NOTIFICATION

Students who are chronically absent, missing 10% of their instructional days, will receive a "CHRONIC ABSENCE NOTIFICATION."

FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION

When your child has accumulated a number of excused absences, they will receive a "FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION."

SECOND EXCESSIVE EXCUSED ABSENCE NOTIFICATION

If your child continues to miss school after receiving the "FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION," they will receive a "SECOND EXCESSIVE EXCUSED ABSENCE NOTIFICATION."

We understand that there are unavoidable circumstances that may lead to absences. However, consistent attendance is essential for your child's academic progress. If you have any questions or concerns regarding attendance notifications, please don't hesitate to contact us.

Doctor Appointments or Dental Appointments

Appointments should be scheduled after school whenever possible. If you need to pick-up your child during the school day for a scheduled medical or dental appointment, please send a note to your child's teacher on the date of the appointment including the pick-up time. When you arrive, please use the sign-out sheet in the office to indicate your

child's departure time. Students arriving at school late due to medical or dental appointments should provide a doctor's note to excuse the tardy.

Unexcused Absences / Vacations

The Newport-Mesa Unified School District is committed to providing each student a world-class education. This commitment can only be realized if all stakeholders, parents, students, and the school participate fully in the educational process. The academic school year consists of 180 days of instruction for students. In addition there are 30 student holidays during the 2024-25 school year. They are listed below for your reference.

Excused Absences (EC §§48205, 48980)

The California State Education Code Section 48205 outlines when a child shall be excused from school. This Section of the Education Code includes illness, medical or dental services, attendance at a funeral service, the illness or medical appointment of a parent, and for justifiable personal reasons approved by the principal. Your child will be allowed to complete all assignments and tests missed during such an excused absence. Students would not be in jeopardy of losing their seat at a school due to an excused absence.

Absences For Religious Purposes (EC §§46014, 48980)

With your written consent, your child may be excused from school in order to participate in religious exercises or to receive moral and religious instruction at your child's place of worship or at other suitable place or places away from school property designated by the religious group. Your child may not be excused from school for this purpose on more than four days per school month.

Education Code §48205

- (5) For the purpose of jury duty in the manner provided for by law.
- (6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.
- (7) For justifiable personal reasons, including, but not limited to, an attendance or appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at a religious retreat, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization, when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board of the school district.

(11) For the purpose of participating in a cultural ceremony or event.

(12)(A) For the purpose of a middle school or high school pupil engaging in a civic or political event, as provided in subparagraph (B), provided that the pupil notifies the school ahead of the absence.

(13)(A) For any of the purposes described in clauses (i) to (iii), inclusive, if an immediate family member of the pupil, or a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, has died, so long as the absence is not more than three days per incident.

(i) To access services from a victim services organization or agency.

(ii) To access grief support services.

(iii) To participate in safety planning or to take other actions to increase the safety of the pupil or an immediate family member of the pupil, or a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, including, but not limited to, temporary or permanent relocation.

BEFORE AND AFTER SCHOOL PROGRAMS

We understand that many parents work and are unable to pick-up their children when school is dismissed. We are excited that we have two amazing after-school programs available:

R.O.C.K.S.

The City of Costa Mesa Recreation Division offers an after-school recreation program on our campus. This program is available every school day for grades kindergarten through sixth. It begins as soon as school is out for the day, including all modified days, and remains until 6:00 pm. A free snack is provided to students. Pre-registration is required. You may contact the Parks and Recreation Department at 714-754-5013. To register online, go to <https://apm.activecommunities.com/costamesarec>.

Project Kidz Connect

Project Kidz Connect is a Newport-Mesa Unified School District program, paid for by a grant. The curriculum includes academics, arts, nutrition, recreation, and character education. Applications are available in the school office. For the 2024-25 school year, Whittier will have before school care. The before school care will begin at 6:45 AM. After school care begins at the end of the school day, including all modified early-out days. The program ends at 6:00 PM. A free snack is provided. For more information, contact Project Kidz Connect at 949-515-6786 or contact Whittier's Project Kidz Connect, Rain Vanderoef, at rvanderoef@nmusd.us.

eBikes

*All rules and regulations noted above apply.

For the safety of all, anyone using an eBike must only park in designated areas. All are expected to abide by all traffic rules and follow directions of school personnel, as safety is our top priority.

Reckless driving, failure to follow the direction of school personnel, or other serious driving violations will be decided by the school's administrator and may result in consequences. In some circumstances, law enforcement may be called and may elect to issue additional consequences.

COMMUNICATION

Contacting the Classroom Teacher

Please make every effort to contact your student's teacher through their preferred communication channels. As a reminder, teachers may not be able to respond during the instructional day. There is an expectation that teachers will respond in a timely manner. In case of emergencies, please contact the school office at (949) 515-6990.

Contacting Your Student

Should you need to reach your student, please contact the school office and a message will be given to your child. Phone calls and messages cause an interruption to student learning. We make every effort to not interrupt the classrooms during the instructional day; however, emergency messages will be delivered as soon as possible.

Conferences

Conferences with your student's teacher are an important part of his or her education. There is nothing that can substitute for a face-to-face conference with the teacher to hear and share about the progress of your student. Fall and Spring conferences are scheduled, but additional conferences may be arranged. Please make every effort to attend both Parent/Teacher Conferences. Please communicate to your teacher should you need a translator.

Campus Visits/Forgotten Items

For the safety of our students and staff, all visitors are required to check in at the office with a current driver's license to be cleared through the Raptor Visitor Management System. All classroom visits must be scheduled with the classroom teacher. Formal classroom observations/student monitoring must be scheduled with the principal.

Should a parent/guardian need to drop off forgotten materials, snack/lunch, assignments, etc. during the school day, please visit the school office to drop off the item(s). It is not our practice to call and disrupt learning in the classroom for receipt of forgotten items; our school office staff will do their very best to ensure that students receive their items in a timely manner.

Please label lunches and snacks very clearly with the student's name and the teacher's and leave it in the office for students to pick-up during recess or lunch time. Parents may not interrupt classes to drop off lunches nor deliver to students at the lunch tables. For the safety of our students, we have a closed campus and parents cannot join their student at the school lunch tables, but you are always welcome to check your student out to enjoy lunch off campus.

School/Home Communication

Our school district utilizes a variety of tools to ensure effective communication between students, parents, and teachers. The following platforms are used for TK-6 students:

- **Aeries Parent Portal:** For test scores, attendance, emergency contacts, and other information
- **Blackboard:** For school-wide and district-wide announcements
- **Illuminate Home Connect:** For report cards and test scores
- **Schoology:** For course management, assignments, and classroom resources (see [Schoology Message to Parents](#))
- **Seesaw:** For TK-3 student portfolios and interactive family engagement

DISCIPLINE

In the Newport-Mesa USD, we closely follow the California Education Code for discipline. We believe in progressive discipline, with high levels of accountability and support, when appropriate. This can include a variety of interventions, including other means of correction and alternatives to suspension. When necessary and at the discretion of the site administrator, suspensions will also be used when a student's behavior and choices result in the need for such action. In the most significant and serious of incidences, a student may also be recommended for expulsion to the Office of Student Services.

To learn more about the specific disciplinary practices at your school, please contact your principal.

Students need to stay within the painted lines of the playground area. The following areas are off-limits to playing during recess:

- Hallways
- Classroom Areas
- Lunch Tables (on or near)

HEALTH OFFICE

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check the [Health Services website](#) for more information.

Immunizations

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines. Personal/religious beliefs exemptions already on file for a continuing student enrolled in the district will remain valid until the student reaches an immunization checkpoint

or grade span. Grade spans are: birth to preschool, kindergarten (including transitional kindergarten), grades 1-6, and grades 7-12.

Please let your school nurse know when your child's immunizations are updated and if you have questions.

Medical Exemptions for Immunization Requirements

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption (CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

Physical Exams and Oral Health Assessment

Physical exams and oral health assessments are required at specified grade levels. Please refer to student enrollment information located on the [Health Services website](#) for information about school health requirements.

Independent Toileting

The district recognizes that some students may need occasional assistance with toileting and seeks to provide a supportive, hygienic, and inclusive environment for all students. Parents are encouraged to notify and collaborate with the school of attendance if their child does not use the toilet independently.

Medication and Medical Procedures

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or the [Health Services website](#). Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders and must be provided in the original container. Please provide the school with extra medication for disaster preparation.

Illness Prevention and Health Checks Prior to School

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to conduct a health check at home prior to sending students to school. If your student is ill, please keep your student home, contact your doctor, and notify the school and school nurse. We ask you to keep your student home if the following symptoms are present:

- Fever of a 100.4°F degrees or higher
- New cough, shortness of breath, or difficulty breathing
- Abdominal pain, nausea, vomiting, diarrhea
- Unusual rash, rash and fever
- Body Aches
- Sore throat
- New loss of taste or smell
- Unusual fatigue or irritability

This list is not a comprehensive list of symptoms. Always consult your healthcare provider for health concerns. Students must be fever-free, without medication, for 24 hours before returning to school and symptoms should be resolving.

Current Health and Contact Information

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 Calls

A school emergency 911 call may incur paramedic and ambulance fees to the family. Accident or health insurance may mitigate these costs.

Health Screenings

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Dental, nutrition, height and weight screening may also be done as the school nurse deems appropriate. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the nurse if they have concerns and may “opt” out of health screenings by sending a written note to the school nurse.

Medi-Cal Program for Local Education Agencies

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Caid funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will not be billed for services by the school district.

LIBRARY

Welcome to NMUSD's vibrant school libraries, where every book is a gateway to adventure! We're thrilled to invite you to join us in nurturing a love for reading and responsibility in borrowing. Encourage your child to handle books with care, keeping them free from drawing, coloring, or snacks. Let's make bookmarks their trusty companions for saving spots and preserving pages. Depending on grade level, students can borrow one to three books at a time, ensuring there's always something new to explore. Regular reading and timely returns (typically within a week) ensure everyone has a chance to dive into these captivating tales. Should a book go missing or get damaged, rest assured, our librarian is here with a friendly smile and a solution. Together, let's continue to make our school library a haven of imagination and discovery for all our students!

Birthday Treat Policy

We understand the importance of children celebrating special occasions, such as birthdays and holidays. Our school encourages ways for students to celebrate without food, or through healthier food options that reinforce good nutrition. Please help us model lifelong healthy habits with our children. If you wish to send a healthy snack for your child's birthday, you must coordinate the time with the teacher ahead of time to be a time that does not impact instruction for students. Keep in mind that all snacks or birthday treats will be issued to students at the end of the school day to prevent from impacting the instructional day.

Whittier Elementary School Parent and Family Engagement Policy

Whittier Elementary School/Preschool has developed a written Title I parent and family engagement policy with input from Title I parents and family members. The policy describes the means for carrying out the following Title I parent and family engagement requirements [20 USC 6318 Section 1118(c)-(g) inclusive].

The school followed this process to develop the policy:

An annual meeting will be scheduled during the 2023-24 school year. Information will be presented in both English and Spanish. The school distributes the policy to parents and family members of Title I students by doing the following: School improvement and program topics are discussed at all SSC, ELAC, and PTA meetings to allow discussion among all groups. Meetings are held in the morning and after school with child care provided.

Involvement of Parents in the Title I Program

To involve and engage parents and family members in the Title I program at Whittier Elementary School the following practices have been established:

1. Annual Meeting: The school convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school's participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 USC 6318 (c)(1))

The annual meeting is scheduled for/was held on: September 23, 2024

2. Flexible Number of Meetings: The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parent involvement. (20 USC 6318 (c)(2))

The activities the school will carry out to address this requirement include: Back to School Night, Open House, PTA meetings and Family Nights, School Site Council Meetings, ELAC, and Parent Education Classes coordinated by the School Community Facilitator

3. Planning, Review and Improvement with Parent/Family Input: The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the school wide program plan. (20 USC 6318 (c)(3))

The activities the school will carry out to address this requirement include: Translators are provided as needed for all parent teacher conferences. Goal setting conferences in November provide a review of the standards to be mastered. Regular reporting of student achievement allows parents to understand how their child is performing. Teachers meet with parents at least twice a year to discuss progress. A special program is included during the spring PTA meeting to discuss state testing.

Information about the Title I Program: The school provides parents of participating students with:

4. timely information about the Title I program. (20 USC 6318 (c)(4)(A))

The activities the school will carry out to address this requirement include: An annual parent survey gives planning input for the following year's parent education classes. The Whittier preschool and elementary school programs coordinate the monthly training to be sure all topics are covered in a timely manner. Parent input is integrated into the school improvement goals and the parents have a voice in determining the most effective expenditures that support program improvement activity funding.

5. a description and explanation of the curriculum in use at the school, the forms of academic assessments used to measure student progress, and the achievement levels of the challenging State academic standards. (20 USC 6318 (c)(4)(B))

The activities the school will carry out to address this requirement include: Teachers meet with parents during conferences to review the student's progress and discuss how they can assist at home. Parent Education classes deal with literacy support, language acquisition and reinforcement techniques.

6. if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. (20 USC 6318 (c)(4)(C))

The activities the school will carry out to address this requirement include: All parents are invited to participate in the School Site Council meetings and ELAC meetings to discuss program strengths and changes. School improvement action plans are developed with the participation of parents each year. GATE parent meetings are held each year to help parents understand the GATE program and to give feedback and input on our effectiveness.

7. Additional Parent/Family Input on school wide Programs: If the school wide program plan is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to the local educational agency. (20 USC 6318 (c)(5))

The activities the school will carry out to address this requirement include: Elected positions for School Site Council and ELAC are designed to overlap so that seated members train the new members and we maintain a collective memory. Various committees are formed by PTA to bring in as many different people as possible for every activity. The PTA plans activities to assist parents in working with their child on campus and learning about the curricular program.

Building Capacity for Involvement

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and school district assisted with Title I, Part A funds, the school has established the following practices:

a) Understanding the School System: The school provides parents with assistance in understanding such topics as the challenging State academic standards, State and local assessments, the requirements of Title I, Part A, and how to monitor a child's progress and work with educators to improve the achievement of their children. (20 USC 6318 (e)(1)) The activities the school will carry out to address this requirement include: Parents are encouraged to attend district training classes for SSC and ELAC and these classes are offered at various times of the day. The Community Facilitator works closely with our parent volunteers to train and promote activities to involve other parents. Parent Ed classes explain how the system operates and encourages classroom volunteers.

b) **Materials and Training:** The school provides parents with materials and training to help parents work with their children to improve their children's achievement. (20 USC 6318 (e)(2))

The activities the school will carry out to address this requirement include: Whittier School has a homogenous population that provide multiple opportunities for parents to be involved in many different areas. Meetings deal with issues that effect all the students. Particular care is given to insure that meetings are held in multiple languages so all have access.

c) **Education for Staff on Communication and Coordination with Parents/Families:** The school educates teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school; (20 USC 6318 (e)(3))

The activities the school will carry out to address this requirement include: All documents sent home are in both English and Spanish. The Community Facilitator and Principal work closely together to present information in both languages. Phone broadcast messages are in dual languages to remind parents of upcoming events.

d) **Coordination and Integration with Other Programs:** The school, to the extent feasible and appropriate, coordinates and integrates the parent/family involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children. (20 USC 6318 (e)(4))

The activities the school will carry out to address this requirement include: In addition to having parent input on developing these documents, an annual survey is sent to parents to gather even more input. The results of the survey are published in our newsletter annually and parent comments are addressed individually as appropriate. Survey results are reviewed at SSC and ELAC.

e) **Understandable Language:** The school ensures that information related to school and parent programs, meetings, and other activities to parents is sent in a format and, to the extent practicable, in a language the parents can understand. (20 USC 6318 (e)(5))

The activities the school will carry out to address this requirement include: Information about teacher qualifications are posted on the school web site. The web url is printed in the newsletter sent to parents in September. The SARC report is available on-line as well. Paper copies of the information are available in the office.

f) **Reasonable Supports:** The school provides such other reasonable support for parental involvement activities as parents may request. (20 USC 6318 (e)(14))

The activities the school will carry out to address this requirement include: Ideas for encouraging parent involvement are shared at the first faculty meeting each year. Teachers are also being encouraged to develop a class web site to keep parents informed about the weekly activities and topics of learning. Conference preparation time is given and all parents are requested to attend at least the first conference of the year.

PBIS Rewards

We are a PBIS Rewards school. This initiative allows students to earn points for demonstrating positive behavior that is aligned to our Behavior Expectations and the P.R.I.D.E. matrix. Students can then use their points to purchase items or experiences from the school store. Parents can also keep track of their child's progress as well as be updated when their child receives a referral for behavior that does not align to the school expectations.

STUDENT AND FAMILY SERVICES

School Counselor

An elementary school counselor plays a crucial role in supporting students' academic, social, and emotional development. NMUSD counselors work to provide students with academic support, conflict resolution skills, crisis intervention and restorative practices. Additionally, counselors participate in parent education workshops, parent-teacher collaboration and student success teams. Counselors help students succeed in the classroom, on the playground and in their community.

Ms. Kelsey Ramirez; kramirez@nmusd.us

School Community Facilitator

The School Community Facilitator (SCF) coordinates parent education and encourages involvement in school programs and activities, assists with communication between the school and parents, and connects families with school services and community agencies.

Whittier Elementary's SCF is Arely Martin. She can be reached at (949) 523-2930. The SCF speaks Spanish.

School Psychologist

School Psychologists are uniquely qualified members of school teams that support students' ability to learn and teachers' ability to teach. They apply expertise in mental health, learning, and behavior, to help children and youth succeed academically, socially, behaviorally, and emotionally. School Psychologists partner with families, teachers, school administrators, and other professionals to create safe, healthy, and supportive learning environments that strengthen connections between home, school, and the community.

Acceptable Use Agreement & Digital Safety

Every student in NMUSD participates in a digital learning environment with 1:1 Chromebooks. Parents and students are presented with an Acceptable Use Agreement and other agreements relating to ethical and responsible use of technology. Students who violate digital safety policies may face disciplinary action. Fees have been established for replacement of damaged or lost equipment and are included in the Acceptable Use Agreement. Parents/guardians may review the agreement at www.nmusd.us/etua.

Student Use of Technology

Per CA Education Code [51512](#), the use of any electronic listening or recording device in any classroom without the prior consent of the teacher or principal is prohibited.

NMUSD utilizes *GoGuardian* to monitor students' online activity during class when using their district-issued Chromebook. *GoGuardian Parent* is a mobile app designed to provide parents/guardians with insight and control over their student's online activity when on school-managed devices and accounts. For more information, please review the [Getting Started Guide](#).

Civility Policy

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution
3. To reduce the potential triggers for violent conduct, such as fear, anger, frustration, and alienation, especially by making problem-solving procedures and alternatives to violence readily accessible to both students and adults

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.
4. Repeatedly interrupting another person who is speaking at an appropriate time and place.
5. Imposing personal demands at times or in settings where they conflict with another's assigned duties, supervision responsibilities, and established practices.
6. Using racial/ethnic, religious, religion, gender, color, sexual, sexuality, or disability epithets.
7. Gesturing in a manner that would put a reasonable person in fear for his/her personal safety.
8. Invading the personal space of a person after being directed to move away.
9. Physically blocking a person's entrance to or exit from a room or location.
10. Remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.
11. Conduct which is likely to interfere with the peaceful conduct of the activities of the campus or facility.

Persons who perceive they have been subjected to uncivil conduct will be urged to resolve their concerns through simple, direct, or assisted communication with the person(s) at the source of the concern. When this is not possible or appropriate, any person who needs help identifying and/or using appropriate problem-solving procedures may seek assistance from the school administrator. Persons are encouraged to work out issues of concern promptly, and preferably, no later than two days after an incident has occurred. No retaliation will be permitted against persons for working in good faith under this policy and its related administrative regulation to resolve concerns.

This policy seeks to promote a school and workplace culture of respect and civility. Severe or persistent acts of uncivil conduct may, however, violate other school rules, such as the district's policies against harassment and sexual harassment or specific conduct codes. Violation of such policies may result in discipline, removal from district facilities and events, adverse employment action, or criminal charges as applicable. Nothing in this policy is intended to interfere with the ability of school officials to maintain order and discipline in the schools or to enforce school rules and applicable laws.

Dangerous Objects/Weapons

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades), chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

In addition, such students may be referred to an appropriate counseling program, transferred to an alternative placement, and/or be restricted from extracurricular activities, including athletics.

English Learner Supports/Reclassification

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English Learner Students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered ELD and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion and Spanish Dual-Immersion. The 2024-25 dual immersion programs are offered to students in grades K through 9. To learn more about NMUSD dual immersion programs, please visit the [NMUSD Dual Immersion webpage](#).

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including English language development (ELD) standards.

Parents/Guardians may choose a language acquisition program that best suits their child. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district’s language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English Learner students take a test called the Summative English Language Proficiency Assessment for California (ELPAC). This test is part of the California assessment system and is aligned with California’s English Language Development Standards.

These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing— so they can be successful in the classroom. The ELPAC helps teachers across the state see how well students are doing with those skills.

Your child’s student score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The [ELPAC website](#) has the following materials to help parents understand the ELPAC. These materials include:

- Sample ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my child qualify to reclassify as Fluent English Proficient (RFEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. The district’s reclassification criteria are listed below:

Homeless Liaison/McKinney Vento

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District's liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-7553.

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

Temporarily staying with other people, often called "doubled up", because you cannot afford to live alone. This can include sharing another person's house, such as a friend or relative, because you lost your housing or don't have another safe place to go.

- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth.

Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-7553.

Immigration Status of Pupils

Your Child has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students' parents or guardians.
- In California:
 - All children have the right to a free public education.
 - All children ages 6 to 18 years must be enrolled in school.
 - All students and staff have the right to attend safe, secure, and peaceful schools.
 - All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
 - All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment

- When enrolling a child, schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy, and let you know of your option to refuse release of your child’s information in the directory.

Family Safety Plans if You Are Detained or Deported

You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported. You have the option to complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated, or bullied on the basis of his or her actual or perceived nationality, ethnicity, or immigration status.

Mental Health and Wellness

In an effort to continuously support our commitment to promoting the health, safety, and well-being of students, parents, and staff, the Newport-Mesa Unified School District has a variety of resources available both at your school site as well as within the community. To access these supports and for more information about the services available, please contact your school mental health provider (school counselor, school psychologist, or school social worker) or your school’s administrator.

The district has partnered with Care Solace. Care Solace is an online resource with a live 24/7 concierge meant to assist individuals in finding local mental health related programs and counseling services. For more information, visit the [NMUSD Care Solace website](#).

Additional resources, including Suicide Prevention, can be found on the [NMUSD Mental Health and Wellness website](#) and the [NMUSD Family Resources website](#).

For all other information, please contact Student Services at 714-424-5020.

NMUSD Parent and Family Engagement Policy

The Board of Education recognizes that parents/guardians are their children’s first and most influential teachers and that sustained parent/guardian and family engagement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall consult with parents/guardians to develop meaningful opportunities for parents/guardians and to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children’s education and of the opportunities available to them to do so.

The district’s Local Control and Accountability Plan (LCAP) shall include goals for parent/guardian involvement, as well as the actions, and services that support those goals. This includes district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. The Superintendent or designee shall ensure that each school receiving Title I funds develops a school-level parent/guardian and family engagement policy in accordance with 20 USC 6318.

Non-Title I Schools

The Superintendent or designee shall develop and implement strategies applicable to each school that does not receive federal Title I funds to encourage the involvement and support of parents/guardians in the education of their children, including, but not limited to, strategies describing how the district and schools will address the purposes and goals described in Education Code 11502. (Education Code 11504)

Professional Qualifications of Teachers

The Every Student Succeeds Act (ESSA) grants parents the right to request information regarding the professional qualifications of the children's classroom teachers, including the following:

1. whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
3. the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
4. whether the child is provided services by paraprofessionals and, if so, their qualifications.

The District will provide timely notice if your child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who is not highly qualified.

Pupil Fees

A pupil enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity. A pupil fee includes, but is not limited to, all of the following:

1. A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
2. A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, clothes, or other materials or equipment.
3. A purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity.

A number of laws do authorize specific fees a school or district may charge. Please note the law does not prohibit a school district or its programs from requesting voluntary donations or engaging in fundraising activities and programs. These donations and fundraising financial contributions are voluntary, and all students will be allowed to participate in school activities and extracurricular activities regardless of whether the parent or legal guardian makes a donation or contribution.

Allegations of unlawful pupil fees are addressed through Board Policy [1312.3](#) - Uniform Complaint Procedures. Complaints regarding pupil fees may be filed anonymously if the complainant provides evidence or information leading to evidence to support the complaint. A pupil fees complaint may be filed with the school site principal.
