

Parent & Family Engagement Plan

2024-2025

TITLE I AND FAMILY ENGAGEMENT

Centennial Academy is identified as a Title I school. Title I is designed to support state and local school reform efforts tied to challenging state and local academic standards to improve teaching and learning for scholars. Title I programs must be based on effective means of improving scholar achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and families a written parent and family engagement plan.

SCHOOL-FAMILY COMPACT

Our school and families have created a School-Family Compact—an agreement outlining how parents, teachers, and scholars will collaborate to meet growth goals and achieve grade-level standards. Each year, we review and update the compact based on feedback from parents, scholars, and staff at our school-wide Title I parent meeting. The compact, family engagement plan, and scholar achievement plan are shared during Meet & Greet and are posted on our website. Paper copies are available upon request or in our Family Resource Center.
