JOINTLY DEVELOPED

The families, scholars, and staff of Centennial Academy developed this School-Family Compact for achievement. Educators developed home learning strategies, families added ideas to make them more specific, and scholars shared ways they wanted to learn. Meetings are held each year to review the compact and make changes based on scholar needs. Contributions and feedback are welcomed at any time.

What is a School-Family Compact?

The annual School-Family Compact offers ways we can work together to help our scholars succeed. It provides strategies to help connect learning at school and home.

Effective Compacts:

- Align with academic achievement goals
- Focus on scholar learning
- Share strategies for educators, families, and scholars
- Explain clear lines of communication between the school and families

- Centennial Academy will achieve a Star Climate Rating of 4 or more stars.

Our Partnership

- Join our PTA
