

**Magnet Eligibility Requirements
for students applying for the 2025-2026 school year**

Admission into a Dallas ISD Magnet school requires students to apply online at www.choose.dallasisd.org/login. You may select up to 5 choice schools with a limit of 2 magnet schools. You will need to rank your schools from 1 – 5, with 1 being the highest. Ranking your schools when applying is crucial, because the system will attempt to place your student at the highest ranked “Eligible” school, first. Once you receive an offer, any school ranked lower than that offer, will be automatically declined by the system. You may remain on the wait list for any higher ranked schools.

Students applying to a magnet program must meet eligibility requirements. Applicants who **meet** the minimum grade average **and** test score requirements are eligible to move forward to the on-campus assessment process, scheduled at the selected magnet school(s) of choice.

Eligibility requirements:

- Minimum grade average on the **most recent** report card (any report cards submitted without numerical grades, the overall grade average will be determined by Dallas ISD educational experts)
 - 80 grade average for **Talented and Gifted schools and Science and Engineering Magnet**
 - 75 grade average for **all other programs**
- Minimum STAAR, Measurement of Academic Progress (MAP), i-Ready or other Dallas ISD approved test scores (refer to charts below for qualifying score requirements by grade level)

Acceptable tests include:

- Spring 2024 STAAR Reading **AND** Math
- **OR**
- 2024 End-of-Year (EOY) Reading **AND** Math MAP
- **OR**
- Any of the following **sets** of i-Ready Reading **AND** Math scores:
 - Current School Year: 2024-2025
 - 2024 Beginning-of-Year (BOY) Reading **and** Math
 - 2025 Middle-of-Year (MOY) Reading **and** Math

Students without a STAAR, MAP, i-Ready or other approved test scores and **not** enrolled at a Dallas ISD school can contact the magnet school of choice to schedule a test date. There is a \$100 test fee for students residing **outside** the Dallas ISD boundaries.

Requisitos de elegibilidad de Magnet para estudiantes que solicitan para el año escolar 2025-2026

Puede seleccionar hasta 5 escuelas, con un límite de 2 escuelas magnet. Deberá clasificar sus escuelas del 1 al 5, siendo 1 el más alto. Clasificar sus escuelas cuando presente la solicitud es crucial, porque el sistema intentará colocar a su estudiante en la escuela "Elegible" mejor clasificada, primero. Puede permanecer en la lista de espera para cualquier escuela mejor clasificada.

Los estudiantes que solicitan ingreso a un programa magnet deben cumplir con los requisitos de elegibilidad.
