Jurupa Hills High School offers...

- The opportunity for every student to participate in a variety of different in-demand industry pathways
- Experienced teachers, counselors and staff focused on student achievement and ensuring students are college and career ready
- A variety of strong arts, media and entertainment courses and pathways
- An International Baccalaureate (IB) World School offering Diploma (DP) and Middle Years Programmes (MYP)

The Spartan AVID program prepares students for college and success in a global society as well as in their other academic and extracurricular activities. Academic instruction includes Writing, Inquiry, Collaboration, Organization, and Reading (WICOR) strategies to encourage and guide our Spartans in their quest for knowledge and understanding.

Jurupa Hills offers students the opportunity to participate in both the International Baccalaureate Diploma Program (IBDP) and the International Baccalaureate Middle Years Program (IB MYP). These internationally renowned and academically challenging programs of education are designed to help students prepare for future success in an increasingly global society. IBDP and IB MYP features a combination of coursework, exams, and community service opportunities which combine to educate the whole student. Learning opportunities extend beyond the classroom as students apply their skills and knowledge to real-world issues creating a belonging to, and ownership of, the local, cultural, and global communities. Students completing the prescribed course of study may apply for an IB Diploma, an internationally recognized symbol of achievement.

WE ARE SPARTA!

Real World Learning

Jurupa Hills High School offers every student the opportunity to participate in the CTE pathway of their choice. The two industry sectors of focus are Arts, Media and Entertainment and Business and Finance, helping to jumpstart the journey to college and career and facilitating a global connection.

A Community of Visionaries

A SNAPSHOT TO YOUR FUTURE

Digital Photography

The Digital Photography pathway offers students a comprehensive overview of photography foundation, digital editing and digital storytelling. Through a community blog sharing curriculum, students create their own websites as a platform to display their projects. Students in this pathway have the opportunity to participate in internships with local business partners, earning industry-recognized certifications along the way. This pathway is articulated with San Bernardino Valley College.

IT'S TIME TO MIX IT UP

Multimedia Production

Every business needs great media to succeed. The Multimedia Production pathway blends both technology and creativity to help produce and refine sounds used in music, media, and performance technology. Through the use of high-tech recording equipment, students will learn about the art of recording and everything that goes along with it through use of industry-standard equipment to prepare them for a career in this high-demand, electrifying industry.

LET'S TALK BUSINESS

Business Management

Your journey into the world of social media and e-commerce starts here! The Business Management pathway provides cutting-edge curriculum that focuses on ethical responsibility, building positive social media platforms, and entrepreneurship fundamentals as they relate to e-commerce. Business students learn the processes of building a positive digital footprint, digital communication norms through various digital platforms and social networking sites, and practice strategies for personal and professional interests.

AND WE'RE LIVE!

TV Production

Television has never been more relevant than it is today. The TV Production pathway prepares students for a future in the industry as they learn how to operate cameras, work with lighting/sound equipment, and edit film to tell compelling stories. Students will exercise their own creative voice as they write, direct, and star in a multitude of television productions, preparing them for a future on screen or behind the scenes.

SET THE STAGE FOR SUCCESS

Acting

The Acting pathway produces innovators, deep-thinkers and leaders in the arts and entertainment professions. Students in this pathway explore all forms of creative expression while learning the necessary tools to focus their creative talents towards a career in the theatre. Upon successful completion of this pathway, students will stand out as leaders in their chosen career - whether it be on stage, in film or behind the scenes.

***Acting students belong to several industry-recognized organizations, including the California Educational Theater Association, International Thespian Society and the Musical Theater Competitions of America**

SO YOU THINK YOU CAN DANCE?

Dance

Let your creativity soar! The Dance pathway provides students with a supportive, dynamic and diverse learning environment that encourages individual expression and promotes growth as an artist. With an industry-specific concentration, students meet and exceed their artistic, educational and career goals while perfecting contemporary movement practices. With a focus on creativity, research, leadership, and teamwork, this pathway prepares students to be the leading dance professionals of tomorrow.

IT'S SHOWTIME!

Production and Managerial Arts

The world needs creative minds to bring great stories to life. Students in the Production and Managerial Arts pathway become part of a community engaged in every aspect of theater as they learn to do it all - write, design, build, act, direct, and produce. Throughout the year, students will participate in a series of entertaining productions as they prepare to be part of the next generation of actors, directors, designers and stage technicians, changing the scene of live performance.

A Winning Attitude

Our championship athletic department introduces student-athletes to lifelong lessons in teamwork, discipline and leadership. Inspired by outstanding coaches and competitive schedules, the Spartan athletic program emphasizes skill development, teamwork, physical fitness, and above all - sportsmanship. The skills learned here will provide student-athletes the opportunity to be successful today and in the future.

WE ARE PROUD TO OFFER THE FOLLOWING ATHLETIC TEAMS:

The College, Careers and Economic Development Department works collaboratively with the Teaching and Learning Division and serves as the Fontana Unified School District liaison with local, state and national organizations that connect and support college, career and economic development. The Career Technical Education pathways program is an approach that blends college preparatory academics with rigorous career technical education courses that are centered around an industry sector, pathway and career theme. Students will apply their knowledge and skills in an authentic, real-world context that brings community partners and the school together to prepare students to be College and Career Ready upon graduation from high school.
