Parents,

Longmire Rd, Pine Valley Dr., and Kaleo Way are temporarily closed as crews work to safely resolve a gas leak in the area. While they work on this issue, Lagway Elementary is in a "secure" status, with no individuals leaving or entering the building. There is no immediate danger to students or staff at Lagway Elementary.

Due to the closure, dismissal times and procedures will be affected, as vehicles are unable to enter or exit the campus. We are awaiting an estimate on when the roadway will reopen and will share updates as soon as we receive more information. We will send another notification as soon as the roadway reopens with specific instructions for dismissal. Please do not come to the school until you receive that notification. Buses will hold until the roadway opens, but will still provide transportation.

We appreciate your patience and understanding during this situation and apologize for any inconvenience this may cause.

Mrs. Wilder
