Teachers and Staff,

Buses will arrive at dismissal to take our bus riders and day care riders home. They have found a different route to take them around the leak. As a team, YOU HAVE to make sure you know who got on the bus.

Once that is taken care of, the buses will return to pick up our car riders as well as some staff members and take them to Brabham. We will dismiss car riders from Brabham. I will need at least 2-3 teachers per grade level to ride with the car riders to Brabham and help with dismissal.

Communication is being sent to parents. **YOU MUST know where your kids are**...This is critical!

Please make sure you are checking the transportation list.

DISREGARD the day care message. They have informed us they are not coming so our day care riders will be car riders.
