Dear Parents,

Thank you for expressing an interest in the Tiny Treasures North Caldwell Extended School Day Program. Tiny Treasures Extended School Day operates the Before and After School Program for the North Caldwell District at Grandview School. All children in grades kindergarten through sixth living in or attending public school in the township of North Caldwell are eligible to attend this program. We have options available to help fit your needs, including selection of days and a Drop-In service. Children must be enrolled prior to using our services.

The Before School Program operates from 7:15 a.m. to 8:45 a.m. Any child who arrives at school before 8:30 a.m. needs to be enrolled in the program.

The North Caldwell School District has requested that the Extended School Day Program not operate when there is a delayed opening.

The After-School Program operates from approximately 3:00 p.m. to 6:00 p.m. Transportation is provided between Grandview School and Gould School for the children in the fourth grade and up. The Extended School Day Program operates on the North Caldwell District Calendar.

The Extended School Day Program's activities include homework time, computers, arts and crafts, music, exercise, movies, quiet time, outdoor play, board games, and special programs. The children will receive a snack daily. The Before School Program will have breakfast time each morning from 7:15 a.m. to 8:15 a.m., so the children do not have to rush with their breakfast at home. Parents must provide the breakfast food and the Center will provide milk and paper products.

If you would like your child to attend the Extended School Day Program, please fill out the attached registration form and return with **2 separate checks** for the
