SCHOOL BUS DRIVER APPRECIATION WEEK

The week of October 21-25 was School Bus Driver Appreciation Week in conjunction with School Bus Safety Week. Our bus drivers play an integral role in keeping our kids safe. Osborne recognized our fabulous fleet of roughly fifty drivers and two supervisors on Friday, October 25. Students wrote personal thank you notes to their bus drivers. These notes were handed to each driver during a special appreciation celebration. Bus drivers and supervisors were able to stop by a Coffee Bar after morning arrivals for a fresh cup of coffee, a hot drink, and some well-deserved social time. Thank you notes were much appreciated, and bus drivers were touched by how much the students appreciate them. Thank you for always going the extra miles for our students!

ATLANTA SYMPHONY ORCHESTRA FIELD TRIP

On Tuesday, October 29, our Osborne 7th grade band, chorus, and orchestra students traveled to the Woodruff Arts Center to listen to a performance by the Atlanta Symphony Orchestra. This concert is part of a symphony series entitled "Midnight with the Mockingbird." Students joined Tweet, an Atlantan mockingbird, as they "toured" the Oakland Cemetery. Through the character Tweet, students learned how composers use instruments to tell a story. This amazing program aligns with state standards in Music, ELA, and Social Studies. After the concert, students went to the Mall of Georgia for lunch and quality time together. It was a marvelous day for music!

BOOK FAIR

The Fall Book Fair was a vibrant celebration of reading and imagination. Students eagerly browsed tables filled with intriguing books. There was a wide selection of books available for students to choose from, and the media center staff enjoyed seeing the excitement of our students discovering new books. During the week, all students were able to visit our book fair with their language art teachers to purchase a book. A big thank you to everyone who supported the book fair!

PEER LEADERS LEARN ABOUT LEADERSHIP

OMS Peer Leaders took part in the annual Leadership Conference on Friday, October 25. Our students were able to partake in several workshops to learn more about leadership styles, networking, and SEL for leaders. Our young leaders were able to gain new insights and ideas in becoming even better leaders!

FALL CHORUS CONCERTS

October is the time for our annual Fall Chorus concerts. We were thrilled to see a full house with parents and family members cheering on their students this year. The 6th, 7th, and 8th graders showcased impressive progress they made over a short time, leaving guests amazed by their performances. A special thanks to Mr. Taylor Hall, our Chorus Director, for his excellent selection of music and for highlighting the students' talents. We also appreciate Ms. Sharon Black for her skillful piano accompaniment. We look forward to our winter performances on Thursday, December 12, at Hamilton Mill United Methodist Church!

DISTRICT HONOR CHORUS PERFORMANCE IN ATHENS

On October 18th and 19th, 28 Osborne Chorus students traveled to Athens, Georgia for an exciting 2-day concert cycle to perform with other high-performing singers from GPCS schools. They represented Osborne with grace and arrived with their music memorized and their rehearsal etiquette in check. Throughout the 2 days, they worked with esteemed clinicians and pianists on several selections and then performed on Saturday in the beautiful Classic Center auditorium. Along the way, they ate at a few local restaurants, spent time connecting with singers from other schools, and had an awesome picnic at a park on the University of Georgia's campus. We are so proud of the way these singers represented Osborne at this year's GMEA District 13 Honor Chorus!

SWIFTIE BRACELET MAKING FRIDAY

On Friday, October 4th, Osborne chorus students were invited to attend a new chorus-exclusive event. The singers arrived at the chorus room before school to make friendship bracelets with their fellow Swifties while listening to some of the icon's biggest hits. The singers very much enjoyed this community-building experience, and we plan to have another event in the Spring!
