

POMPANO BEACH HIGH SCHOOL

Young Scholar Academy

SUMMER CAMP FOR THE GIFTED 2016

**"NOT EVERY CHILD HAS AN EQUAL TALENT OR AN EQUAL ABILITY OR
EQUAL MOTIVATION; BUT CHILDREN HAVE THE EQUAL RIGHT TO DEVELOP
THEIR TALENT, THEIR ABILITY AND THEIR MOTIVATION."**

JOHN F. KENNEDY

Mission Statement

Our mission is to recognize, nurture, and support gifted young people and to provide opportunities for them to develop their talents and skills to make a positive difference.

Welcome

Pompano Beach High School will host a two-week; four-day per week summer camp for gifted students entering grades three through eight. This program is designed to challenge the intellectual and creative abilities of each participant.

Unique curriculum will offer academically talented students an exciting educational experience from exceptional educators who are experts in their content area and passionate about sharing their love of learning.

High school student mentors providing individual attention in a safe fun environment will assist each teacher.

Eligibility

Your child must meet the following criteria:

- Has been identified as a gifted student with a current Educational Plan (EP).
- OR
- A recommendation from current teacher or guidance counselor stating the student is in the top 1% of their grade at their current school.

Application Process

1. Send completed application to Pompano Beach High School by March 1, 2016.
2. Give current teacher or ESE specialist the recommendation form for completion.
3. Parents will be notified by March 31, 2016 of selected campers, and those on the waiting list.
4. Payment will be due in full before April 15, 2016.
5. After April 15, 2016 all unpaid seats will be given to students on the waiting list

Humanity Course Electives

Art

Do you have a Picasso in you? Come join us for two weeks as we create masterpieces and learn to explore art through many different canvases.

Music

Ever wanted to learn how to play an instrument? Or perhaps you would like to fine-tune what you already know. Spend two weeks playing and singing to a different beat.

Theater

Are you the center of attention? Do you like to perform on and off the stage? If you answer yes to any of these questions then Theater is for you.

Scientific Visualization

If you can see it than you can build it using the computer. Your goal will be to create items, either from real life or from your imagination. Watch your vision become reality.

Video Production

Become a director as you will create and direct a video. You learn everything from creating a storyboard to editing the final scenes.

Language

Ni Hao, Bonjour -Have you every wanted to learn a second or third language? Here is a chance to learn how to speak and write basic Mandarin or French

Great Civilizations

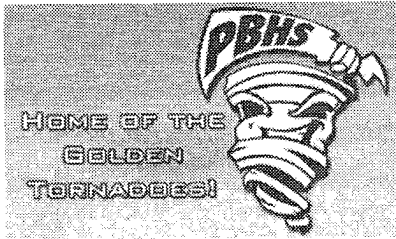

Take a tour of some of our greatest civilizations to date and what contributions they made to society.

Culinary Arts

Have you ever wanted to be the next Master Chef? Join us on a culinary arts journey and learn that baking can be a science.

Chess

Learn strategy and critical thinking skills as you master your skills in Chess.
