The HEB ISD parent survey is now open! If you received an email with a link to take the parent survey, using that link will make sure you don't receive any extra reminder emails. If you don't receive an email, don't worry – just use this link: www.hebisd.edu/survey

We want to hear from you! The feedback from everyone who takes the survey is combined into a report for each school, plus an overall report for the entire district. The information lets us know how your school year is going and which topics are most important to you.
