1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

Ocean View School District has 13 public schools educating students TK-8th grade. The District offers a comprehensive and innovative arts education program across all elementary schools and middle schools. The district-wide initiative serves 4th and 5th grade students at the elementary schools, fostering creativity and artistic expression through music and theater instruction. Schools within the district also feature specialized Visual and Performing Arts (VAPA) programs, with some focusing on STEAM disciplines, including esports, robotics, and culinary arts. For the 2023-2024 academic year, allocated funds were utilized at the elementary level to support theatrical performances for 5th and 6th grade students. These performances provided students with opportunities to engage in the performing arts, enhancing their learning experiences and promoting a well-rounded education. The ongoing commitment to arts education reflects District dedication to nurturing talent and providing diverse learning opportunities for all students.
