- f. Training:** Prior to using a rifle, officers must be certified by POST instructors in the operation of the rifle. Additionally, all members that operate any rifle are required to pass a range qualification four times a year.

- g. Legal and Procedural Rules:** Use is established under Policy 413 of the Fontana School Police Department. It is the policy of the Fontana School Police Department to utilize rifles only for official law enforcement purposes, and pursuant to State and Federal law regarding the use of force.

5. **LESS LETHAL PEPPER BALL LAUNCHER: USED TO DEPLOY THE LESS LETHAL PEPPER BALL ROUND**

(CATEGORY 12 & CATEGORY 14)

a. Description, quantity, capabilities, and purchase cost:

LAUNCHER - Cost: \$7,500; Quantity: 15

This launcher is used to deploy the Less Lethal Round up to a distance of 75 feet. The range of the weapon system helps to maintain space between officers and a suspect reducing the immediacy of the threat which is a principle of De-escalation.

PEPPER BALL ROUND – Cost \$2,475; Quantity: 750 rounds

A less lethal round firing a velocity of 350 feet per second (FPS). These rounds are discharged from a dedicated Launcher that is distinguishable by an air tank and fore grip. This round provides accurate and effective performance when fired from the approved distance of not fewer than fifteen (15) feet. Effectiveness depends on many variables, such as distance, clothing, stature, and the point where the projectile impacts.

b. Purpose: To limit the escalation of conflict where employment of lethal force is prohibited or undesirable.

c. Authorized Use: Self-destructive, dangerous and/or combative individuals, riot/crowd control and civil unrest incidents, circumstances where a tactical advantage can be obtained, potentially vicious animals, and training exercises or approved demonstrations.

d. Life Span: No expiration.

e. Fiscal Impact: None.

f. Training: All Officers are trained in the Pepper Ball Launcher as a less lethal option by in-service training.

g. Legal and Procedural Rules: It is the policy of the Fontana School Police Department to utilize the less lethal launcher only for official law enforcement purposes, and pursuant to State and Federal law, including those regarding the use of force.

6. TASER DEVICES AND CARTRIDGES

(CATEGORY 13)

a. Description, Quantity, Capabilities, and Purchase Cost:

- (20) Tasers X26P Devices - \$5,600
- (31) Duty Cartridges - \$1,748.00
- (49) Duty Cartridges (Supplies)
- (24) Batteries – XPPM, Spare Cartridge Battery Pack, X26P - \$1,919

b. Purpose: Assist officers with controlling and apprehending a violent and physically resisting subject.

c. Authorized Use: A subject is violent or is physically resisting in a violent manner; minimize injury to officers and subject.

d. Expected Life Span: 1-5 years

e. Fiscal Impact: Annual Fiscal Impact (Re-Certification required)

7. ANY OTHER EQUIPMENT
