

Traffic Safety Memo

To: Date Community

From: Date Administration

We understand that traffic around Date during arrival and dismissal is a concern and we would like to reach out to everyone involved to help us ensure everyone arrives or departs school safely. Thank you for observing traffic laws and doing your best to keep children safe. As a reminder, we would like to repeat the rules for everyone.

Drivers:

- Do not park in our neighbors' driveways; do not block their driveways.
- Yield the right of way to pedestrians in marked or unmarked crosswalks.
- Do not overtake and pass a vehicle(s) stopped ahead of you when it has stopped for a pedestrian.
- Yield the right of way to pedestrians on sidewalks.
- Obey posted speed limits.
- Never drive while distracted – (examples: using a cell phone, reading, applying make-up, etc.).
- Stop and remain stopped for school buses with “flashing red lights” - opposing traffic must also stop.
- Watch and obey crossing guards – they are there to protect children.
- Obey all parking signs/curb markings – they are designed to protect children and provide optimum traffic flow.
- Do not double park; it interrupts traffic flow, and it makes it difficult for pedestrians to see oncoming traffic.
- Follow school drop-off procedures and always drop your child off on the curbside of the school.

****If you have a handicap placard, call our office at 909-357-5240 and we will open the gate for you to come in.****

Pedestrians:

- Yield to vehicles on the roadway if you are outside the crosswalk.
- Never cross between intersections controlled by traffic signals (to do so would constitute jaywalking).
- Teach your child to always cross the street at a crosswalk, and to always pay attention to what is going on around them.
- Follow school drop off procedures.

Date Elementary School
9011 Oleander Ave Fontana, 92335
